

LINKS (Learning in Networks for Knowledge Sharing): Increasing Student Completion

NEW! We've added May 14th at Rio Hondo!

Join us for the first in a series of Networking Events Sponsored by 3CSN, California's BSI Professional Development Grant

-LINKS- focusing on COMPLETION.

During this event, we will conduct an investigation into the factors affecting student completion and an exploration of interventions that can be used in classroom & student services areas:

- **What do students say hinders success?**
- **What does the research say?**
- **What do you say?**
- **What can we do?**
