	Approval of Minutes of May 13, 2015 Meeting Discussion Items	All	 Minutes of the May 13, 2015 FPDC meeting were approved with one (1) abstention. a. Fall 2015 Opening Day Survey Dr. Suderman reported the overall results were positive. She will send distribute a reformatted report and asked members to review, looking for trends. The item will be agendized for discussion at the September 23, 2015 meeting. b. Syllabus Workshop – FLEX Credit Dr. Bonnie Suderman led discussion regarding a Syllabus Workshop for faculty, held by Dr. Susan Lowry. Consensus was to allow attendees to earn Standard #1 professional development credit. The item will be agendized for action at the September 23, 2015 meeting. c. Faculty Professional Development Committee Goals Dr. Bonnie Suderman led discussion regarding 2015-16 FPDC Goals: 1) Flex Obligation Dr. Suderman explained that although the FPDC made the recommendation to reduce the flex obligation from 60 hours to 48 hours, due to the 12 hour reduction without a change in classroom time, the Board stipulated a one-year mandate. The MOU mirrors the one-year term. The FPDC must determine whether the next recommendation will be to return to the 60 hour obligation, or a reduction to 24 hours with increased time in the classroom. Some members charged an increased workload (outcomes, assessment, WEAVE, evaluation teams) in the last 4-10 years accounts for the 12 hour reduction. One member disagreed, stating the increased workload is reasonable. Dr. Suderman explained the Board is concerned with full-time faculty who do not satisfy the obligation of office hours, now with 12 additional hours that are unaccounted for.
			and report feedback.

	Dr. Ed Beyer and/or Nancy Masters will distribute due dates, and also reiterate the new standards and flex obligation.
