

# NON-INSTRUCTIONAL/ADMINISTRATIVE AREAS 2016-2017 COMPREHENSIVE PROGRAM REVIEW

 Division/Area/Department Name: Student Life and Services
 For Years: 2018-2022

Name of the person leading this review: Dr. Jill Zimmerman and Michelle Hernandez

Names of all participants in this review: Nichelle Williams, Rashall Hightower-Sĕckel, Monteigne Long, Kenya Johnson, Ann Steinberg, Jasmine Garcia, Marlene Santos, Crystal Garcia, Wynter Love, Yuliana Marĕnez, Kim Fite, Jennifer Winn, Nancy Blundell, Kim Dolatowski

## Part 1 – Division/Area/Department Overview

1.1. Briefly describe how the office/area/department contributes to the district <u>mission</u>:

The district's missions reads as: "Antelope Valley College, a public institution of higher education, provides a quality, comprehensive education to a diverse population of learners. We are committed to student success offering value and opportunity, in service to our community."

Each one of the areas in the Student Life and Services Division seeks to provide an intenĕonal, deliberate, and transformaĕonal experience that addresses the holisĕc development of the diverse populaĕon of students and community members that we serve. We seek to engage our consĕtuency in a meaningful way to meet their specific needs and addresses their specific barriers to success by providing events, acĕviĕes, programs and services that culĕvates self-determinaĕon in the areas of academics, social collateral, poliĕcal empowerment, economic sufficiency and cultural awareness and pride. This is accomplished as we provide 1) direct services such as day meal bags, school supplies, books, etc. 2) programming for awareness and acĕon such as FYE, Umoja, Financial Literacy, Job Fairs, etc. 3) professional learning and development opportuniĕes for students, staff and faculty such as conferences, retreats, symposiums, convocaĕons, insĕtutes, etc. The missions of the Division and its respecĕve areas speak directly to the insĕtuĕonal mission, vision and purpose. Individual Student Life area mission statements are available at: hhps://www.avc.edu/administraĕon/vpstudentserv

1.2. State briefly highlights and accomplishments in your office/area/department:

The Student Life and Services Division has made significant strides and has been instrumental in bringing about innovaeon within our respeceve areas and across the college campus and community at-large through local, state and federal inieaeves and grant opportunies over the last four years.

A new **First Year Experience** (FYE) office (2014) and a new Student Equity office (2015) were established. With the approval of the Title V Innovaĕon Grant for Hispanic Serving Insĕtuĕons in 2014, providing \$2.5 million over five years, we implemented AVID for Higher Educaĕon campus-wide, effecĕvely developing and sharpening teaching pedagogy and methodology of more than 100 faculty and staff alike both in and outside of the classroom experience for our students. The faculty "Lunch & Learn" series was established in 2016 to provide a forum for faculty to share strategies, implementaĕon in the classroom and experience with students. This event series was accompanied by the AHE professional development opportuniĕes held on campus, which allowed us to reach a more diverse group of professionals. Currently we have eleven disciplines represented in more than 300 course secĕons talked by faculty who have experience some form of AHE professional development. More than a 1,000 students have been supported through the FYE parĕcipaĕng in summer bridge acĕviĕes, AVID infused courses, tutorials, and specialized events and acĕviĕes. The insĕtuĕon has received funding support to make campus improvements including the Math laboratory renovaĕon (\$80,000) and equipment improvements in the the Reading labs.\_ hħps://www.avc.edu/studentservices/firstyear

The Chancellor's Office secured designated state funding (2015) for **Student Equity** that addresses the achievement gaps and the disproporeonately impacted populaeons on community college campuses across the state. AVC established the Student Equity office, supported countless projects, programs and direct services to students through campus and community collaboraeve partnerships including the establishment of an AVC Umoja Community, expanded the Books H.E.L.P. by providing more than \$500,000 worth of books to more than 2,000 students, launching a bus pass program and child care assistance program. In 2016, AVC students parecipated in their first HBCU tour in which 7 of the 20 students parecipaeng in the tour received on the spot admissions and scholarship opportunies. Student Equity has been instrumental in providing support across campus with facilies revitalizaeon (including updates to classroom furniture), access and upgrades of technology and equipment; including Tableau, Learning Express, Smarter Measure, Smart Carts, Loaner Laptops, etc.; and culturally diverse presentaeons and performances, and field trips. Historically, student equity efforts were only marginally able to be addressed via a campus commine with no addieonal resources and no designated personnel. <u>hnps://www.avc.edu/administraeon/organizaeons/equity</u>

Through the statewide Student Success and Support Plan (3SP), the **foster youth** populaĕon was designated as one of the state mandated at-risk populaĕons and was granted mandated priority registraĕon assignment in 2016. In a collaboraĕve effort to reach out and support foster youth, AVC has established lines of communicaĕon and coordinated outreach events and acĕviĕes for foster youth, connecĕng with the high school district, CSUB-AV and Department Child & Family Services. Early outreach allows us to connect and serve these students and their foster parents at pivotal juncĕons to encourage and assist their pursuit of higher educaĕon. Specific orientaĕons and support events and acĕviĕes assist current students in accessing on campus resources and managing any barriers to their success. Our efforts have been funded through a \$60,000 grant from Pritzker Foundaĕon; an addiĕonal \$5,000 was received for direct support services to foster youth students. Student Equity funds also support our efforts of retenĕon, success and persistence of our foster youth students and their transiĕon.

In 2013, the college commiĥed to and developed our **Behavioral Intervention Team (BIT)** to help support our students' mental health needs and other at-risk issues. This is a campus-wide group that meets regularly to address the needs of our community who are experiencing some level of distress and provide resources to resolve the problem. The team has been naĕonally trained through NaBITA and is funded through the Student Health Services fees paid by students. It provides a proacĕve methodology for prevenĕon, intervenĕon and follow up in behavioral circumstances and situaĕons that our students, faculty and staff may encounter. <u>hîps://www.avc.edu/www.avc.edu/BIT</u>

The Veterans Resource Center (VRC) was assigned to the Student Life Division in 2013 and its designated space was renovated to accommodate a coordinator's office, recepeon desk, modular work tables for study groups and small presentaeons; a 4-staeon computer lab and room for collaboraeon and community building amongst the consetuency group and campus and community partners and allies. The renovaeon was funded out of the generosity of Northrop Grumman in the amount of \$25,000. The redesign has contributed to increased visibility of services to our students who served in the military and their dependents, and has provided a forum for increased support staff in the way of veteran student workers to be hired and for an increase in events, aceviees, and connecevity to off-campus partnerships. More than 160 veteran students were cerefied and more than 90 military-connected dependents took advantage of VA educaeon benefits in Fall 2016 and more than 900 students and guests visited the VRC. The number of events and aceviees purposed for the veteran community yielded 178 parecipants. These events included an Open House, faculty professional development, Veterans Day celebraeon,

# etc. <u>hhps://www.avc.edu/studentservices/veterans</u>

The Job Placement Center (JPC) provides support services to an average of 5,708 students, alumni, staff, and community members who are seeking gainful employment. The role of job and career readiness and hands-on employment experience is cričcal for our students so that they can compete in the job market for high paying posičons. JPC is responsible for processing all student employees campus-wide. Job readiness opportuničes include resume wričng review and workshops, mock interviews, skill assessments and job matching. Of the 4,925 students who registered through the online job search interface, College Central Network (CNN) over the last 5 years, 3,880 (78%) had approved resumes. There has been a grand total of 693 typing cerčficates (or an annual average of 139) between 2011 and 2016. New employers move into the community creačng job opportuničes for our students. JPC is highly sought a her by off campus employers as a premiere resource for readying, screening and providing qualified quality candidates. Recruitment successes include H i Desert MEC: 700 aĥendees, 400 hired; licile of Alaska: 500 interviewed, 150 hired, 20 were AVC students; Krispy Kreme Donuts: 70 hired, 30 were AVC students, to name a few. JPC has collaboračve relačonships with all community agencies, South Valley WorkSource, EDD, Gain, Department of Social Services, Paving the Way Foundačon, Youth Build, New Beginnings, Americas Jobs Centers, as well as Antelope Valley Union High School District; and has parčejated in grants, employer/community organizačons and on-campus successes as collaboračons: Perkins Grants funded \$40,000 for CTE support and markečng, SB70/CCPT afforded 500+ middle schooler students exposure to career pathways and college connecčons; in collaboračon with Community Services, the Transičons Program trained 200 inmates on best pracčees in job search and financial literacy, and the Inmate Pilot Program is a \$400,000 granted effort in conjuncčon with Community Services to provide an associate's degree in business. hĥps://ww

The **Financial Aid Office (FAO)** is an essential component in the success of students disbursing an average of \$53.2 million annually over the last 5 years. Due to the insetutions rising default rate in AY 2013, parecipaeon in and the implementaeon of the Department of Educaeon's Direct Loan Experimental inieaeve was critecal. We were able to limit unsubsidized loan amounts in 2014-2015 and 2015-2016, realizing a decrease of 25% in loans taken out for 2014-2015 and a decrease of 27.5% in 2015-2016. The impact of the decreased number of loans on our loan default rate are not yet available as the default rate data is 3 years out. 76% of students enrolled in 2015-2016 received the Board of Governors Fee Waiver (BOGFW). In collaboraeon with the Business Office and Bank Mobile, processing the disbursements and genng them to the students' accounts decreased from 10 business days to 3 business days. *With significant strides being made in disbursements to students and the effectiveness and efficiency of their packaging*, our focus on financial literacy has become more prominent as we hosted two Financial Awareness Days, "Funding Your Pathway to Success" (formerly "Cash for College") event for more than 830 soon to be high school graduates, and partnered with Outreach to provide on-going literacy presentaeons throughout the year. The scholarship process, in collaboraeon with the Foundaeon Office, has been updated to a completely online process; students apply online and the system matches them with the available scholarship, comminer members may then review and score the applicaeons online to expedite the seleceon process and provides for advanced noeficaeon of awards. https://www.avc.edu/studentservices/finaid

The **Information and Welcome Center (Outreach) (IWC/O)** is involved in a number of programs and services throughout the campus and community that address the needs of our prospecĕve student populaĕon and current students through welcome/informaĕon services. It is instrumental in the implementaĕon of the student success steps, especially orientaĕon and orientaĕon follow up as indicated in the Student Support and Success Plan (SSSP) providing the new Student Success Workshops and Student Success Kick Off (SSK). In the last 5 years, an average of 1,000 high school seniors, annually, aĥended the SSK event. AVC Student Ambassadors conduct call campaigns to engage applicants early on in their decision to aĥend AVC to foster higher levels of engagement, to miĕgate barriers to success and welcome them to the college. More than 80 High School Guidance Counseling staff members parĕcipate in the High School Counselor Workshop which is a showcase held every other year to promote the College's offerings in partnership with the joint high school district. This is a high school district board approved event for professional development and includes administrators and support staff. hĥps://www.avc.edu/studentservices/infowelcome

Through administraëve assignment, the **International Students Program (ISP)** was reassigned from Enrollment Services to Student Life and reported to IWC/O as of February 1, 2013. At that ëme, the VRC program coordinator was responsible for the implementaĕon of the ISP. As of January 2015, those duĕes were reassigned to the Director, Student Acĕviĕes and Community Outreach. With this new responsibility, it was the first ĕme AVC parĕcipated in the "NAFSA: Associaĕon of Internaĕonal Educators" annual and regional conferences. Professional development was provided at each of the conferences and networking opportuniĕes conĕnue to provide support to our program. Addiĕonally, we joined the Los Angeles-**P**rofessional Internaĕonal Educaĕon **R**oundtable (LA-P.I.E.R) which is a network of Southern California internaĕonal educators who support each other's office staff through collaboraĕon, training and quarterly meeĕngs. AVC has more than eleven countries represented in the ISP, including: Sri Lanka, Colombia, Venezuela, Hong Kong, Vietnam, Thailand, and the Congo; represented by up to 33 students. <u>hîps://www.avc.edu/studentservices/intl/</u>

In the summer 2014, with the reĕrement of personnel, our **Study Abroad Program (SAP)**, was assigned to the IWC/O. Through the SAP, we offer students the opportunity to study abroad in London, England for the Fall and Salamanca or Barcelona, Spain for the Spring every year. The AVC SAP is part of the the Southern California Foothills Consorĕum for Study Abroad. This consorĕum is a cooperaĕve venture among thirteen southern california community college districts in partnership with The American Insĕtute for Foreign Study (AIFS). Informaĕon sessions are conducted on the experiences and advantages of studying abroad. Financial Aid is also available. AVC averages 5 students annually parĕcipaĕng in semesters offered abroad, respecĕvely. hhps://www.avc.edu/studentservices/studyabroad/

Student Life and Services (SL&S) (including ASO, Student Trustee, Student Clubs and Student Acĕviĕes Council) has consistently provided a number of clubs over the past few years. There were 24 acĕve student clubs in 2015-2016. Based on student interest, the number of acĕve clubs fluctuates with about a 2% increase/decrease each term. There are some clubs that are consistently acĕve from term to term and the addiĕon of new interests in specific majors helps bring a variety of clubs to represent a broader spectrum of our student populaĕon. ASO holds approximately 10 events per semester including "Dress for Success" and other events that allow students to interact with our community. ASO works to advocate for students and to provide leadership and governance in order to best represent the student body. In spring 2015, ASO established their peer mentorship program M.A.P.S., with 18 mentors and 7 mentees. Many of the mentees from that year promoted to mentors the following year with 9 mentors and 15 mentees. Through servant leadership, ASO, and the Hearts and Hands Pantry program has conĕnued to expand its service in meeĕng the needs of our hungry and homeless student populaĕon, In 2015, ASO began a "day bag" program for students who are either "couch surfing" or living in their cars and had no way to prepare food. Since 2013-2015, on average, 22 students per term take advantage of the day bag program and an average of 28 students per term take advantage of the grocery distribuĕon opportunity, inclusive of intersession and summer terms. hhps://www.avc.edu/studentservices/studentlife https://www.avc.edu/studentservices/studentlife/aso/

**Student Activities Council (SAC)** has been hoseng many events and acevies that seek to engage, moevate, educate, and build more meaningful conneceons for students to AVC. With funded support from ASO, \$10,000 in 2014-15 and \$11,000 in 2015-16, SAC has planned and implemented a variety of events including Bingo, Naeonal Coming Out Day, Cinco de Mayo fesevies, Scrabble Day, etc. Each of the different events covered diverse topics to engage, educate and celebrate our student populaeon.

In Fall 2012, each enrolled student at AVC began paying a **Student Health Services (SHS)** fee. Since 2012-13 school year, we have been successful in receiving the Kaiser Grant. Together, these funds have provided an opportunity to provide direct physical and mental health services to our students as well as dental care and health educaeon and programming. At the incepeon of providing health services, the Antelope Valley Community Clinic was the provider. In successive evaluaeons of these services, students expressed the need for increased access and availability of the health services provided. In collaboraeon with CSUB – AV, a MOU was created to partner with their Health Services Department to provide direct medical and mental health counseling services to our students. As of Fall 2016, students have greater access to physical and mental health services were implemented as of October 2016 through Western Dental Center.

As a part of the training to our campus with regard to Mental Health awareness, preveneon, and management; we have partnered with Mental Health of America. An 8-hour training for faculty, staff and some students prepares us to beher idenergy students who may be at-risk and brings awareness of community services and available resources. The demands for mental health services and support will be affected by the number of students enrolled. Through this partnership, more than 150 staff and faculty have been trained across the campus.

In 2014 a collaboraĕve grant was wriĥen with Valley Oasis to provide educaĕon, awareness and direct supporĕve services for sexual assault prevenĕon in accordance with Title IX laws. Three days a week a sexual assault advocate is on campus to provide assistance, programs, and workshops to the campus community. In Fall 2016, this collaboraĕve team, along with the Crezca Theater Group and the high school district, produced an original workshop enĕtled "Meaningful" that addressed the topic of sexual abuse in a family scenario that was performed in front of 400 audience members.

In 2016, AVC Student Health Services received the Truth Iniĕaĕve Grant, in the amount of \$10,000, to create a smoke-free campus. Efforts are in place for programs and services as well as the implementaĕon of policy changes to make AVC a smoke-free campus. <u>hhps://www.avc.edu/studentservices/health</u>

The success of **Students on the Academic Rise (SOAR) High School** has convenued to be far reaching. Both at the state and navioral levels SOAR success has been far-reaching. The list of awards convenues to grow and in 2012 Title I Academic Achievement Award was earned. In 2013, SOAR was awarded the California School Board Association Golden

Bell (Award for Outstanding Accountability and Assessment). In 2015 many awards were earned including US News and World Report America's Best High Schools, 2015 California Gold Ribbon School, 2015 Naĕonal Blue Ribbon School (Exemplary High Performing School), 2015 Title I Academic Achieving School. In 2017, SOAR had already been received the AVID Schoolwide Site of Disĕncĕon. The years we are covering are 2011 to 2016.

In 2013-14, SOAR Invent Team went to MIT and was invited to the White House to present their alcohol deteceon bracelet. This work has brought the aheneon of MIT to the Antelope Valley and AVC and SOAR has hosted the Jr. Invent Teams for all over Southern California for a compleeon in 2016 and will host again in 2017. The number of students graduaeng and transferring to schools all over the naeon has been outstanding and most of them ahend with scholarships, including full ride to schools such as Princeton, Stanford, and many UCs and CSUs.

In 2016 the SOAR 10 year anniversary and the celebraeon bought together graduates and dignitaries who helped support the program. At this event the SOAR Endowment Scholarship was launched to help financially support our students in their academic goals. <u>hhps://www.avc.edu/academics/avsoar/</u>

**Commencement** cončnues to be the preeminent event of the year, providing the plaČorm for our community to celebrate the significant achievements of our graduates. In the past four years, more students have parčcipated in the Commencement ceremony. In 2016, there were 2,662 degrees and cerčficates awarded to 1,470 students, the highest ever in the history of the insčtučon. Approximately 550 of these students parčcipated in the Commencement ceremony. Over the years, we have expanded access to the ceremony by adding online broadcasčng as an opčon for family and friends to watch their love ones graduate. <u>hhps://www.avc.edu/commencement</u>

1.3. Check each Insětuěonal Learning Outcome (ILO) supported by the division/area.					
Communication	Demonstrates analysed reading and wrieng skills including research, quanetaeve and qualitaeve evaluaeon and synthesis.				
	Demonstrates listening and speaking skills that result in focused and coherent communicaeons				
Creative, Critical, and	Uses intellectual curiosity, judgment and analyecal decision-making in the acquisieon, integraeon and applicaeon of knowledge and skills.				
Analytical Thinking	Solves problems uělizing technology, quanětaěve and qualitaěve informaĕon and mathemaĕcal concepts.				
Community/Global	Understands and applies personal concepts of integrity, ethics, self-esteem, lifelong learning, while contribueng to the wellbeing of society and				
Consciousness	the environment.				
	Demonstrates an awareness and respect of the values of diversity, complexity, aestheecs and varied cultural expressions.				
Career and Specialized ☑	Demonstrates knowledge, skills and abiliees related to student educaeonal goals, including career, transfer and personal enrichment.				
Knowledge					

## 1.4 Division/area/department's data\*

Number of Full-	Number of Full-Time Employees Number of Part-Time Employees		Personnel Budget		Discretionary Budget		
2014-2015	2015-2016	2014-2015	2015-2016	2014-2015	2015-2016	2014-2015	2015-2016
28	30	3	3	\$3,200,742.00	\$2,541,208.00	\$1,854,254.00	\$3,294,671.00

\*Funding sources for the Student Life Division include district, State Initiatives (Student Equity, SSSP, SB70/CCPT), Federal Grants (Title V, Perkins), Foundation, Private & Corporate Grants, Student Rep Fees, Student Health Fees. Portions of other personnel across campus departments are also included in this budget.

Part 2 - Assessment	
2.1. Please indicate how your division/area/depart	ment contributes to and enhances AVC students' educaĕonal experience.
and completion of academic and career goals. <i>ILO:</i> Creative, Critical, & Analytical Thinking; Career	will gain knowledge and confidence to strategically access and utilize resources and services that enhance overall success & Specialized Knowledge , transfer data rate, student employment survey, ASO Survey, # of students accessing programs & services, Annual Reports,
ILO: Career & Specialized Knowledge	confidence to move successfully through and beyond the community college experience.
<i>Measured by:</i> Degree & certificate completion rate evaluations	, transfer data rate, & student employment survey, gainful employment, clearinghouse, Scorecard data, CCCSE and activity
Finalized December 1, 2017	mpleĕon rate, transfer data rate, student employment survey, ASO Survey, # of students accessing programs and services, loyment, clearinghouse, and acĕvity evaluaĕons.
<ol> <li>Report program/area data showing the quaněty of services provided over the past five</li> </ol>	Comment on trends and how they affect your program:
years (e.g. number transacĕons, acreage maintained, students served, sales figures). Program Review Data_ <u>hîps://public.tableau.com/views/2017ProgramR</u> <u>eview 0/PRStory?:embed=y&amp;:display count=yes</u> - Degrees and Cerĕficates_ <u>hîps://public.tableau.com/views/DegreesandCer</u> <u>ĕficates2010-2016/Story1?:embed=y&amp;:display_c</u> <u>ount=yes</u>	Overall enrollment trends have remained steady with an unduplicated headcount ranging from the high 17,000's in 2011 to the high 18,000's in 2015. Enrollment headcount and the demographics of those students consetutes how our offices collecevely respond with programs and services. Student Equity focuses on the disproporeonately impact groups. Job Placement focuses on the conenued needs of the students and the available job market. Financial Aid is responsive to the financial challenges of the students and seeks to not only disburse funds but also influence financial decision making in providing literacy programming. First Year Experience locks students into services and aceviees that ground them and connect them to the energe experience as a solid foundaeon for success. The VRC creates a home base for our soldiers returning to the classroom and their dependents. Student Aceviees and Community Outreach aims to assist students and community members in entering the college and having a posieve inieal transieon to the campus. The ASO and ICC have both a social and governance role, promoeng student engagement in a variety of methods throughout the year.
	Reviewing the trends, the age of students aĥending AVC ages 20 and under, has increased 4.4% over the last year and 2.2% over the last 5 years. AVC has concentrated efforts in the high school pipeline to create opportuniĕes for students to matriculate to AVC as a "school of first choice". This increase may also be aĥributed to tuiĕon increases made in the last 5 years by the CSU and UC systems. The UC system increased by 19% and the CSU system increased by 8% within the last five years. <sup>1</sup> Incremental increase are proposed up to 5% annually each of the next five (5) years by the UC Regents. Incoming first-ĕme college students have remained relaĕvely stable over the last 5 years. First-ĕme college students: 2,678 in 2011; 2,426 in 2012; 2,680 in 2013; 2,642 in 2014; and 2,644 in 2015. Special Admit students, on the other, hand have increased, only slightly. Special Admit students: 471 in 2011; 569 in 2012, 531 in 2013; 576 in 2014; and 592 in 2015. The HS yields for this ĕmeframe have remained steady according to the SARC report and AVC Banner database provided for this review. In 2011- 21.3%, 2012-20.1%, 2013-17.4%, in 2014-26.3% and 24.54% in 2015; with an average of 22.13% in the high school annual yield.
	These trends along with the state and local iniĕaĕves and the awarding of various federal, state and local grants have increased the demand on the Student Life & Services (SL&S) Division. In collaboraĕon within the division as well as across

the campus, SL&S is posiĕoned to effecĕvely move the needle in several areas of the college's integrated plan providing the necessary tangible resources required for student success as well as providing the support services, including coaching, mentoring, cultural awareness and pride, so  $\vdash$  skills development and advancement in program literacy.

As this is our debut program review as a division, the data presented along with the supporeng documentaeon will represent each area respecevely.

The Job Placement student orientaĕons are mandatory in order for students to work on campus. Held in a one hour ĕme session, student learn about district policies, procedures and best pracĕces for student employment. Students are required to aĥend in-person orientaĕon to be eligible to work on campus. The orientaĕon sets the tone for the student employees to take their posiĕons seriously and to support the district while gaining valuable work experience in a safe environment.

#### **Veterans Resource Center**

The Veterans Resource Center (VRC), and specifically the School Cerĕfying Official/Veterans Program Coordinator, serves as the liaison between the military-connected student and the Department of Veterans Affairs. The Veterans Resource Center processes the educaĕon benefits of all military-connected students - veterans and dependents.

The Veterans Resource Center is affected by the number of student veterans and dependents enrolled at the insĕtuĕon. In Fall 2016, 165 Veterans and 94 military dependents used VA educaĕon benefits. In Spring 2017, 144 Veterans and 77 Dependents used VA educaĕon benefits. The Veterans Resource Center cerĕfied these enrollment numbers with the

Department of Veterans Affairs. Addieonally, for the 2016-2017 school year, the Veterans Resource Center processed the necessary paperwork for 154 students using the CalVet Dependent Fee Waiver.

The number of visitors to the Veterans Resource Center is affected by several factors, including the number of students enrolled at the insetueon, and registraeon and enrollment periods.

	2013-2014	2014-2015	2015-2016
VRC Visitors	3016	4861	3464

# **Financial Aid Office**

As seen below from the annual head count and FTES enrollment, a errollment is slowly increasing. As enrollment conenues to increase, the number of students applying for financial aid will increase as well.

From figure 1, we see that the number of financial aid applicačons received by the Financial Aid Office has remained constant over the past five years. The figure shows a comparison of the annual headcount for enrollment and number of financial aid applicačons received for the corresponding aid year. It is apparent that the number of applicačons received is a lot higher than our enrollment. The Financial Aid Office receives applicačons for enrolled and prospeceve students and must process each applicačon.

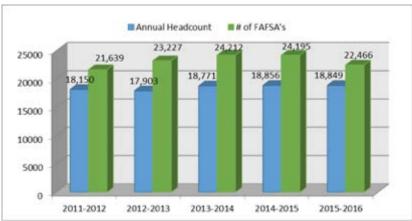

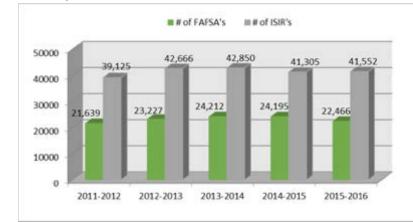

Figure 1: Number of iniĕal FAFSA's received by aid year compared to annual headcount.

In addieon to the inieal applicaeon, the Financial Aid Office must process every subsequent transaceon received. In figure 2 the number of ISIR's includes inieal applicaeons, as well as subsequent transaceons completed by the student, correceons made by technicians and special circumstance appeals processed by the office.

The increasing number of ISIR's received each year has substaneeal implicaeons for the Financial Aid Office. The Financial Aid Office currently has 14 full eme staff members. We received 41,552 applicaeons for the 2015-2016 aid year, that equates to

2,968 applicaeons per staff member. The Financial Aid Office is at capacity for space. Due to the increase in students it has become increasingly difficult to serve our students at our current locaeon.

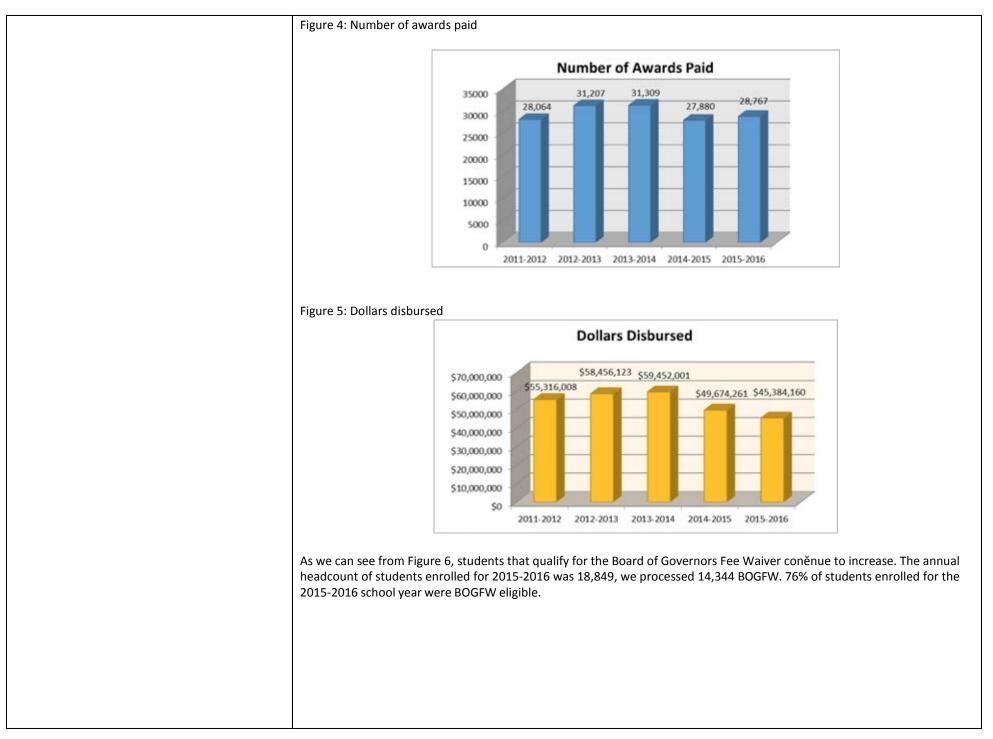

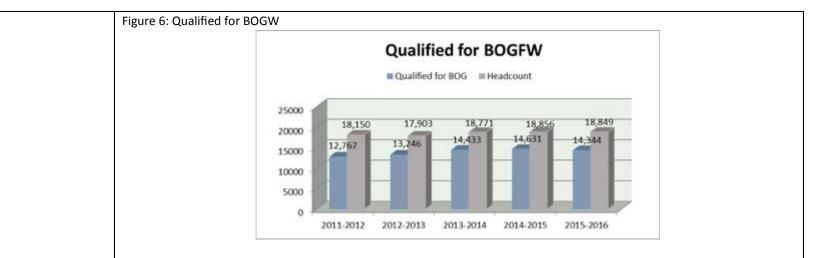

Considering the increase in financial aid applicaeons received each year, the Financial Aid Office is meeeng the needs of financial aid students. However, during peak periods staff is required to accommodate a large number of students. Students someemes wait over an hour to speak with a financial aid staff member. To ensure that students are seen as quickly as possible, all technicians assist students.

The introduceon of technologies such as emails, online quiz, Financial Aid TV and myAVC has allowed us to provide a substaneal amount of informaeon to our students in an online environment. Despite all of the online services available, the need for in person one-on-one assistance has not diminished. Obtaining financial aid is a highly personal, highly regulated process that can be eme consuming and confusing to students and parents. Many students sell require personal assistance with the applicaeon process.

In the 2015-2016 year, there were 28,767 separate awards of aid disbursed to students these awards total \$45,384,160 disbursed. These awards consist of the Board of Governors Fee Waiver, Pell Grant, Cal Grants, Full Time Student Success Grant, Direct Loans, EOP&S/CARE Grants, Federal Work Study, Scholarships, Federal Supplemental Educaeonal Opportunity Grant, and STAR Grants.

In the last five years you can see a slight decrease with the number of awards paid and dollars disbursed due to the FAO's parecipae on in Department of Educae on's Limieng Unsubsidized Direct Loan Experimental Inie even (figure 7).

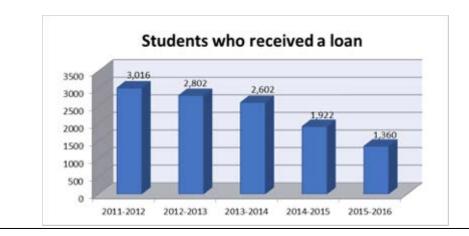

The Financial Aid Office was concerned by the number of students taking out a loan and our rising default rate. In the fall 2012 we created a campus-wide Default Management Team to develop a Default Preveneon Plan. The Financial Aid Office started requiring in-person entrance loan counseling workshops for all students interested in taking out a student loan. In the workshop the staff presents the necessary informaeon needed to take out a loan, discusses how a master promissory note works and the consequences of default. Students are counseled about interest rates, repayment opeons, and addieonal financial literacy publicaeons.

As we can see from Figure 7, the number of students who received a loan had drasĕcally decreased over the last five years. With our default rate being of great concerned AVC decided to parĕcipate in Department of Educaĕon's Limiĕng Unsubsidized Direct Loan Experimental Iniĕaĕve in 2014-2015 and 2015-2016. By parĕcipaĕng we were allowed to limit unsubsidized loan amounts for students in certain targeted groups. The impact of the decreased number of loans on our loan default rate are not yet available as the default rate data is 3 years out.

Figure 7: Students who receive a loan.

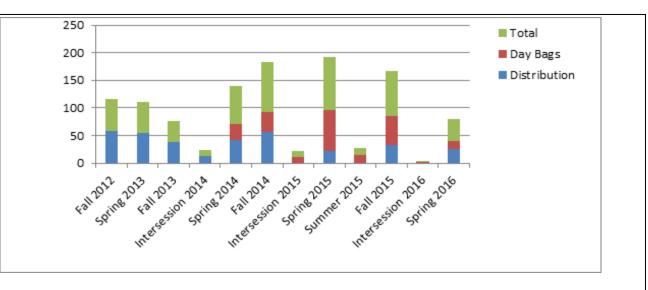

# Student Life & Services

Student Life & Services (including ASO, Student Clubs and Student Acevies Council) has seen a consistent number of clubs over the past few years. Clubs represent academic, cultural, poliecal, social and civic interests.

Club Year	2012-13	2013-14	2014-15	2015-16
Total Clubs	29	21	29	20

The Hearts and Hands Pantry program has conenued to expand to serve the needs of our hungry and homeless students, In 2014, ASO began a day bag program for students who are either "couch surfing" or living in their cars and had no way to prepare food, There is a significant number of students who are serviced by this program.

Semester	Distribution	Day Bags	Total
Fall 2012	58	-	58
Spring 2013	55	-	55
Fall 2013	38	-	38
Intersession	12	-	12
Spring 2014	42	28	70
Fall 2014	57	35	92
Intersession 2015	0	11	11
Spring 2015	21	75	96
Summer 2015	0	14	14
Fall 2015	32	54	80
Intersession 2016	1	1	2
Spring 2016	26	14	40
Spring 2016	26	14	40

#### **Student Health Services**

In Fall 2012, each enrolled student at AVC began paying a Student Health Services fee. We have also been successful in receiving the Kaiser Grant since 2012-13. Together these funds have provided an opportunity to provide direct physical and mental health services to our students as well as dental care and health educaeon and programming. The Antelope Valley Community Clinic was the provider and the number of students served are:

Student Health Services	<u>2012-13</u>	<u>2013-14</u>	<u>2014-15</u>	<u>2015-16*</u>
Medical	-	1886	1125	820
Mental Health	-	270	285	-
Mental Health Follow Up	-	423	222	-
Dental	-	-	217	-
Blood Drives	12	9	10	7
Bone Marrow Sign Up	-	12	-	-

\*Due to staffing changes and contract agencies' shi  $\vdash$ , we are unable to obtain complete data.

In past evaluaeons of these services, students have expressed the need to more access to these services. Therefore, in collaboraeon with CSUB-AV, a MOU was created to uelize their Health Services in providing direct medical and mental health counseling services to our students. As of fall 2016, physical and mental health counseling is offered to students through the CSUB-AV site allowing for increased availability and more days per week. Dental Services were implemented as

	Student turn-out has increased by 10% at each event. Students have joined a community of others who are pledging to lead a tobacco-free life and encourage others to do the same, learning to implement posiĕve affirmaĕons, deep breathing and

yoga techniques to support their efforts, as well as educaĕonal materials and literature from the City of Hope and the American Cancer Society.

# **Student Health Services**

Student Health Services is commiĥed to increasing awareness of student health services and providing educačon on a variety of trending topics such as Dental Day, Women's Health, the "Clothesline Project", "No More" - Art contest, and the annual Community Health Services Fair.

Health Educaĕon Events:

Year	<u>Events Held</u>
2013-2014	21
2014-2015	20
2015-2016	23

One of the most successful programs that AVC Student Health Services has done is the number of people who donate blood during our Blood Drives, AVC has been one of the leading blood donors in the community and parecipant numbers conenue to grow as does Be the Match enrollees. AVC hosts approximately 5 blood drive events or more a calendar school year.

The need for AVC to focus on health related issues is that the Antelope Valley's health is the worst in Los Angeles County with 13.9% of adults with a diagnosis of diabetes, 148.4 heart disease death rate per 100,000 populaĕon, 24.1 breast cancer death rate per 100,000 women, and 30.3% of adults have high blood pressure. What happens in our community effects AVC and we must work diligently to educate our students about living a healthier lifestyle.

## **Behavioral Intervention Team**

The commiĥee is up and funcĕonal and is looking to increase the membership to beĥer serve our campus. Member training has conĕnued and the focus is to increase the faculty and staff awareness of the BIT and improve our resources to our campus. The campus purchased ADVOCATE which is a so hware program to chart student discipline and BIT cases. Unfortunately, it was not integrated to Banner so in fall 2016 Student Health Services funded a consultant to assist us and now we are able to integrate our system and automate the BIT process. This will not only help the caseload management but the educaĕon tour campus on what BIT is and how it can help provide a safer learning environment on our campus.

# Students on the Academic Rise High School (SOAR)

SOAR conĕnues to reach great strides. Our graduaĕon rates are high with a high percentage of students earning their AA as well as their high school diploma. In the most recent years we have encouraged students to slow down in their earning due to the increase of SOAR student needed mental health hospitalizaĕons. The goal of this program is to create health and happy educated youth and it is our goal to ensure that our students are well rounded.

#### SOAR High School Graduaĕon Rates

<u>Year</u>	# of High School graduates	# of AVC graduates	Percentage
2013-14	74	44	59%
2014-15	86	59	68%
2015-16	90	48	53%
2016-17	90	39	43%

# International Student Program

The Internaeonal Students Program has grown in the past few years. We have students ahending AVC exclusively as well as concurrently from CSUN.

International Students Program Year	Number of Students Enrolled
2013/14	24
2014/15	25
2015/16	33

## The Study Abroad Program

The Study Abroad Program has a healthy number of students interested in the program but less students completing the requirements to travel study abroad. In 2016, we had a change in location from Salamanca to Barcelona, Spain to help increase the numbers of students matriculating through the program. This change was not specific for AVC but was a Consoreum decision.

AVC Study Abroad Year	Number of AVC Students Participated
2013	2
2014	8
2015	4
2016	6

STUDENT EQUITY
Student Equity is a new commiĥee based program and has just begun building programs. During the 2015-2016 year, Student Equity held (12) <i>Spectrum Series Events</i> that brought performing arts, poetry reads, and other dialogue to the campus. Through these events over 1,840 students were served.
Student Equity was also was given the opportunity to expand the Books H.E.L.P. Program that served approximately 70 students to serve over 2,500 students in General Books H.E.L.P.; 1,200 students in Basic Skills English courses; 90 students in the Reading Program; 600 students in Basic Skills Math courses; 60 students in the Inmate Program.
Student Equity also hosted AVC's Study Jam Program (4) days Fall 2015, (4) Spring 2016, (2) Summer 2016 and served 1,920 students with access to an acĕve learning space that allowed for collaboraĕve study with peers, Learning Center Tutors and adjunct faculty.
Student Equity collaborated with and supported mulěple areas on campus to have resources on campus that supported student success and help to close equity gaps. Some of the Departments/Divisions/Programs supported were the Library (\$30,000) and with addiěonal funding for a technology loan program that purchased 20 laptops for Main campus and the Palmdale Center; Soar Cultural Library (\$5,000); Learning Center with so hware - Reading Horizons (\$33,000) and Reading Plus (\$68,000) and Learning Express Library (\$4,000); Insětuěonal Research with so hware Tableau (\$20,000); Counseling with so hware SmarterMeasure (\$10,000); (5) Kinesiology Computer Carts; Markeěng and Public Informačon to purchase bus wraps in collaboračon with First Year Experience to students in targeted markets (\$32,000); Outreach sponsoring of AVC Tours to elementary, junior high, and high school groups; Learning Center Support of tutor salaries (\$160,000); Enhancement of classroom spaces (\$50,000); Veterans Resource Center with technology resources, veteran's bi-weekly coffee, and Veteran's Events such as Veteran's Walk, Veteran's Panel, Veteran's Resource Fair, Veteran's BBQ, Coffee & Donuts with a Veteran, Leĥers to Veterans, Bingo Night, Supporěng Our Troops Ceremony, Free football game for Veterans; and Childcare Development Center (5) childcare spots for students that were in equity gaps; Job Placement Center with resource to help with the creačon of jobs in the community; Student Life with ASO Sěckers and Bus Passes for students.
Student Equity supported the campus Transfer Center by sponsoring 8 college tours and visieng 16 campuses, including an Historically Black College and University (HBCU Tour). The HBCU tour allowed 20 AVC and SOAR students to visit 8 colleges and universies across 6 states. During the tour (7) students were accepted to muleple campuses on the spot.
Student Equity sponsored (8) professional development and student conferences with over 425 students and 121 faculty being served.
In addiĕon to those collaboraĕons, Student Equity also sponsored the Triumph Scholars Program and Foster Youth with supplies such as scantrons, planners, notebooks, USBs, backpacks, and other necessary supplies. Student Equity also collaborated with community partners such as the Black365; Blue Star Moms; and AV Partners for Health.
Student Equity also completed MOUs to partner with the Childcare Resource Center for child care for (80) students (\$200,000); with the AVTA and the AVAQMD for bus passes program for students (\$80,000); and the Chancellor's Umoja Program.

#### Foster Youth/ Guardian Scholars Program

Foster Youth expanded program through a collaboraĕon of departments. For years, Financial Aid served as the liaison for Foster Youth at AVC. When funding for Equity became available, this was one of the idenĕfied areas of concern at AVC. A grant was submiĥed to the Pferes Foundaĕon for \$60,000 for supporĕve services. An addiĕonal \$5,000 was added to help with any addiĕonal personal expenses that foster youth students might need. From this increase in funding, the Foster Youth Orientaĕon was expended, a student club was created, conference aĥendance has increased and the expansion of our community partners has increased. The need for AVC to have a more focused effort for foster youth is becoming more apparent and future plans include creaĕng a strong and viable Guardian Scholars Program at AVC.

## Part 3 – Outcome Analysis and Use

Cite examples of using action plans as the basis for resource requests and how the allocation of those resources (e.g. human, facilities/physical, technology, financial, professional development) or making other changes resulted in or correlate with improved outcome findings over the past five years.

PLO/OO/ILO	Acĕon Plan	Current Status	Impact of Acĕon
JPC PLO: Provide opportuniĕes for students to achieve a successful job search	Conĕnue use of College Central Network/search for updated method	Ongoing	JPC has the availability to track students who are seeking employment. Through the conĕnuous requests and the budget improvement with the state, College Central Network is now a line item in the Job Placement Center Budget. JPC is also looking into a more robust plaĔorm to track that will be linked into the state employment data. This plaĔorm will produce a complete form of tracking.
JPC PLO: Provide opportuniĕes for students to achieve a successful job search	Student Worker Budget	Ongoing	As stated above, there is a line item in the JPC budget for Student Workers. As the minimum wage is increasing, more has been added to offset costs of the workers.
JPC PLO: Provide opportuniĕes for students to achieve a successful job search	Supply Budget	Ongoing	As stated above, there is a larger line item in the JPC budget for supplies. As the cost of living increases, supply costs increase. There will be a need to conĕnue all of these budgets.
Student Equity		Ongoing	The Student Equity Program is adopeng the division's OO's/PLO's as 2015-16 is its first year funceoning independently from Student Life.
FA PLO/ILO: Students can apply for financial aid and access financial aid informaĕon via electronic means.	Ensure students are receiving accurate informaĕon. Informaĕon needs be easily found when the student is navigaĕng the financial aid website.	Ongoing	FAO staff conĕnuously reviews the placement and content of the Financial Aid TV videos. A er the assessment, the staff embedded addiĕonal videos on the website for easier viewing by the students. Staff monitor how many hits the videos receive and make any changes as needed.

FA PLO/ILO: Student Loan Cohort Default rates will stay within an acceptable parameter. Less than 30% per year.	Antelope Valley College has adopted the Department of Educaĕon's Default Management Plan.	Ongoing	The acĕviĕes in the Default Plan promote student and school success by increasing retenĕon and reducing delinquency and default. Efforts to monitor the default rate have been put in place within the Financial Aid Office. Departmental pracĕces have been reviewed and efficiencies have been noted. Staff have implemented strategies to reduce the default rate. There are several steps needed to effecĕvely implement default management. The informaĕon and acĕon plans can be found in the <i>Default Prevention and Management Plan</i> .
IWC/O PLO: High School Students, prospecĕve college students, will have knowledge of and effecĕvely navigate through the admission process	<ul> <li>Workshops to junior and senior classes to showcase AVC and its programs</li> <li>Produce in-person orientaĕon opportuniĕes for prospecĕve HS students</li> <li>Aĥend school college fair</li> <li>Provide AVC and general college materials to HS counselors and career centers • Educate and inform HS guidance staff about AVC through aĥendance at the monthly AVHSD head counselor's meeĕngs and hosĕng the biannual HS Counselor</li> </ul>	Ongoing October (Odd years)	<ul> <li>Acĕviĕes supported the SSSP Iniĕaĕve</li> <li>Increased the number of students aĥending the Student Success Kick Off</li> <li>Collaborated with other Student Services departments and offices to have students successfully complete the matriculaĕon steps</li> <li>Developed on-going in-person orientaĕon opportuniĕes (SSW's) for both tradiĕonal and nontradiĕonal students</li> </ul>
IWC/O SLO: Prospecĕve high school students will know and complete the four steps of Matriculaĕon accordingly	<ul> <li>Require applicaĕon, online orientaĕon and assessment to aĥend special on-campus orientaĕon follow up acĕvity (SSK)</li> <li>Produce 1-4SSW's monthly for in-person orientaĕon opportunity</li> <li>Phone call campaign to all</li> </ul>	October- April Annually Monthly On-going	<ul> <li>Students are informed at the HS level about the matriculaĕon steps by their own faculty and guidance professional. Approximately 1100 students registered for the SSK in 2015 with 80% of those aĥending the event with the compleĕon of all matriculaĕon steps</li> <li>We are able to capture, for MIS data reporĕng the in person follow up acĕviĕes in Banner.</li> </ul>
FYE	new college applicants to reinforce the required matriculaĕon steps, invite them to the SSW's and assist with quesĕons N/A	Ongoing	First Year Experience is adopěng the division's OO's/PLO's as 2016-17 is its first year funcĕoning independently from the IWC/O.

		enrollment and registraĕon process.
	Complete	Students are able to successfully navigate the enrollment process using myAVC.
From student feedback there was a need to ncrease access to services to meet capacity of appointments.	Ongoing	Measures: Headcount of students are using the services provided for HIV teseng, Flu shots, Care-a-Van appointments, Blood drives, Health fairs, health screening, health awareness events aĥendance, mental health issues, (domesec violence, etc). Target: 90% of students meet capacity of service appointments (physical, mental, dental). Measures: Survey Target: 60% of students surveyed are aware of the services. We were unable to meet the need with our current provider, so a different provides was obtained and baseline data is being gathered to assess usage for CSUB and Western Dental. Increase grant funding has increased our need to provide addieonal programming for students to learn about Student Health related topics. With increased adveresing of direct services as well as events to promote a healthy lifestyle there will be a increase in usage and increase health our students.
Program modificaĕons were made to incorporate his into the applicaĕon process when new students apply to AVC.	Ongoing	Measure: Counts of completed orientaĕons Target: 90% of students will complete orientaĕons on ĕme. All SOAR have this completed before they begin AVC. No addiĕonal acĕon needed.
Program modificaĕons were made to have the English and Reading assessments taken during their freshman year. Students take the Math assessment a er student complete Algebra II.	Ongoing	Measure: Counts of completed assessments (reading, wriĕng and math) Target: 90% of students will complete the three assessments. By the end of the Freshman year all students have taken part of the Assessment. No addiĕonal acĕon needed. Measure: Counts of students that completed an educaĕon plan.
	rogram modificaĕons ere made to incorporate his into the applicaĕon rogram modificaĕons ere made to incorporate his into the applicaĕon rocess when new students oply to AVC. rogram modificaĕons ere made to have the hglish and Reading ssessments taken during heir freshman year. cudents take the Math ssessment a fer student	rom student feedback here was a need to crease access to services o meet capacity of oppointments. rogram modificaĕons ere made to incorporate his into the applicaĕon rocess when new students oply to AVC. rogram modificaĕons ere made to have the hglish and Reading ssessments taken during heir freshman year. cudents take the Math ssessment a re student omplete Algebra II.

(sophomores) will complete and follow student educaĕonal plan	Educaĕonal Plan competed within their freshman year though their AVID class		Target: 90% of students will have an educaĕon plan By the end of the Freshman year all students have an Educaĕonal Plan No addiĕonal acĕon needed.
Student Acĕviĕes PLO:Student Leaders will know how to develop, implement and plan college acĕviĕes that support diverse perspecĕves.	Coněnue to provide a diverse calendar of events to meet the needs of our students either through Student Acěviěes Council, ASO or student clubs. Market these events through the Spotlight (vs. a semester long calendar). Conduct Parliamentary Procedures training and helpful hints to for student clubs through the Student Club Handbook. (Measure 1-4) The leadership development program coněnues to be an area where more efforts need to occur. (Measure 5)	Ongoing	<ul> <li>Measures: Measure #1</li> <li>Count the amount of diverse acĕviĕes which occurred on and off- campus that were sponsored by AVC and student clubs per year.</li> <li>Target: Ensure that there were a sufficient amount of diverse acĕvity on and off campus through AVC and student clubs.</li> <li>Measure 2: Conĕnue to create a semester long calendar of events through SAC that include diversity events to the campus community. Compare previous calendars.</li> <li>Target: Ensure that the semester acĕvity calendar has a balanced amount of diversity events that reach out to the campus community.</li> <li>Measure 3: Expand the types of diverse acĕviĕes presented on campus.</li> <li>Target: Ahempt to add a new diverse acĕvity to the semester calendar.</li> <li>Measure 4: Review the minutes and observaĕon from ASO, ICC, and student club meeĕngs and discussions as well as involvement in the Student Statewide Senate. Target: Ensure ASO, ICC, and student club meeĕngs understand and follow parliamentary procedure in club documents.</li> <li>Measure 5: Provide leadership development programs related to diversity and other leadership topics which expands the student's leadership skills.</li> <li>Target: Sponsor a Leadership workshop open to all students that is related to diversity and leadership topics.</li> <li>Conĕnued diverse programming is occurring through the students to meet the needs of the student body. Since the creaĕon of the Student Equity Office more diverse programming is happening on campus due to their efforts. (Measure 1-4)</li> <li>Planning of a one day leadership netreat has been successful, but has limitaĕons. Efforts to create a Division sponsored Leadership Development Program is being developed. (Measure 5)</li> <li>Plan a Leadership Development Program for all students involved in the Division of Student Life and Services.</li> </ul>

# Part 4 - Stakeholder Assessment

Assess how well the division/area/department serves the needs of the students, district, and community. Use surveys, interviews or focus groups to obtain feedback from stakeholders (students and/or others who are impacted by your services). Include documented feedback from other sources if relevant (e.g. advisory commiĥees, employers in the community, universiĕes, scores on licensure exams, job placement).

Type of feedback	Feedback provided by?	Recommendaĕons/findings	Aceons needed/planned/taken based on feedback
Other	Staff meeĕngs	CCN has become a standard in JPC. On campus employers use the system and can easily access. Off campus employers like the ease of use and sell like to communicate to staff on status.	Staff discusses new products CCN deploy which can lead to meeen the goal of streamlining JPC process and expand the tracking of students, parecularly CTE students into the labor market. Trial basis for documeneng files, found to be not efficient.
Other-Informal Feedback	Employers	Feedback from employers: example, a call comes into close a job opening by a relevantly small employer (5-20 employees) and they rave how well the JPC has performed as they have chosen the best candidate and are extremely happy. This is example is of the Flight Test School in Llano who hired an intern and at the end of their internship were hired by an aerospace company.	Explore how we track/document verbal communicaĕon.
Other-Informal Surveys	Students	The primary concern of student veterans and military-connected students is receiving their educaĕon benefits. Student veterans are seeking ways to become more connected with their veteran peers.	Explore how we can improve programs for greater success.
Focus Groups	Student Equity Commiĥee	Feedback from commiĥee on things that could be done on campus to close equity gaps As a result of the findings Student Equity Office has built programs that address equity gaps.	Create an effeceve forum that generates easier response back from commiĥee members. From the responses received from commiĥee members Student Equity funds proposals and programs across campus to help fill the needs of students that are in marginalized groups and our campus' equity gaps.
Survey-Financial Aid Awareness Day	Students	In the 2015 Financial Aid Awareness Day survey, we found the following significant data points for acĕon. There were a total of 478 surveys collected. -63.0 % of the students surveyed used the financial aid onlines services. -52.9 % watched "Financial Aid TV" -87.6% applied for Financial Aid	As a result of the aforemenĕoned survey results, we decided the following: -Look for ways to beĥer improve our myAVC online services to encourage the 36.4% of students who are not using that service. Conĕnue to monitor and update the Financial Aid Tv videos to provide informaĕon that is updates, relevant and ĕmely.
			Conĕnue the annual survey for conĕnuous program improvement in office performance and customer service saĕsfacĕon.
			Evaluate the feedback to determine how to reach the 9.6% students who have not applied for Financial Aid.

Survey-Job Fair	Job Fair Vendors	Job Fair vendors have delivered excellent feedback of each semi-annual job fair. This pracĕce needs to be maintained. Consistently good evals, more consideraĕon on locaĕon and markeĕng is needed.	Conĕnue the surveys at the annual job fairs. Include communicaĕon approximately one month later seeking results (hires), via email, and phone calls. This provides a trackableform.
Survey-Student Worker Orientaĕon	On Campus employers	To document the success of the student worker orientaĕon. To conĕnue the face to face as the students are ready to work in off campus posiĕons.	Create an on line Survey instrument for employers of student workers to respond on a semester basis.
Programmaĕc Evaluaĕon	Students, Staff, Faculty	Feedback from staff, students, and faculty on how programs are successful, need modificaĕon, or need to be disconĕnued. Student Equity takes the feedback received and a -er review of our programs and the impact they've had on student success, Student Equity determines how	Explore how we can improve programs for greater success
Student Success Kick Off (SSK) Evaluaĕons	Prospecĕve Students	programs should be modified. A - er review, our findings were very comparable with feedback from past years. We found that over half of our aĥendees strongly agreed with how beneficial and informaĕve this event was for them.	Based on the feedback received we are currently moving forward with this event updaeng informaeon to keep our resources current and adding acevies to promote our AVID strategies and keep the students engaged.
Student Success Workshops (SSW) Evaluaĕons	Prospecěve Students	Fall 2014-Fall 2015, there were 32 events scheduled. 100% of the respondents stated that the SSW relieved their anxiety about aĥending AVC.	We conënue to look for ways to improve our programs for new students. The use of AVID for Higher Educaëon (AHE) strategies are being employed with this event as well to increase criëcal thinking, student engagement and informaëon comprehension and uělizaëon.
High School Counselor Workshop (HSCW) Evaluaĕons	HS Guidance Professionals	98-100% of the aĥendees at the 2015 agreed or strongly agreed that the event was well organized, the content was meaningful and that the ĕme alloĥed was sufficient. Notable compliments included the inclusion of the support services, EOPS, FYE, JPC, ADT's, Honors, TAG, etc. Suggesĕons for next ĕme include a larger seħng, more movement during or in between speakers, and more hands on opportuniĕes, possibly breakout sessions.	This event is held every odd calendar year at the consensus of the parĕcipants. To keep counselors informed, the director meets monthly with the head counselors at the AVHSD, email correspondences go out as necessary and counselors have direct access to the director and outreach staff for quesĕons and concerns
First Year Experience (FYE) Event Surveys	Students	FYE Orientaĕon 2015: 90-93% of the respondents agreed or strongly agreed that the orientaĕon was useful, appropriate in length of ĕme, that the informaĕon was appropriate and sufficient and that the presenters were knowledgeable. When students are asked what they found most useful at events, many commented that it was useful to meet new people. The items they least enjoyed included geħng out of their	We conĕnue to make improvements and increase event parĕcipaĕon. AVID for Higher Educaĕon strategies will be used to encourage engagement and community building. While the informaĕon provided in presentaĕons may be informaĕve, we are finding that students gain beĥer understanding when the event format is interacĕve and executed as a "flipped" workshop.

		comfort zone, distracĕons from within the group, and the learning center presentaĕon. For future events, they suggested ĕme and stress management, more informaĕon on transfer, and more interacĕon. FYE Tailgate and Football Game 17 Students aĥended.	
AVID Knowledge and Use Survey	Faculty and Staff	We conducted our first AHE campus employee survey in fall 2016 to determine knowledge and interest in AHE of the 57 respondents 43.6% were faculty; 52.6 % indicated limited knowledge, 19.3% indicated proficient knowledge and 22.8% indicated intermediate knowledge of AHE. When asked about their parěcipaěon in PD's 10.5% received informal PD from colleagues, 17.5% aĥended the Lunch & Learn series, 28.1% aĥended PD by AHE staff, 19.3% aĥended SI and 40.4% were interested in future PD opportuniĕes. Strategies most o fen implemented included Think-Pair-Share, Formaĕve Assessment, Direct Quesĕoning Using the student's name, Wait Time, Early Intervenĕon, Effecĕve Powerpoints, Marking the text and Quick Writes. Lastly, 33.3% were interested in the upcoming SI event. Through the comments, we recognize that there is sĕll some confusion as to the purpose of AVID in higher educaĕon.	This was the first ĕme we have taken the survey. We have reviewed the results to examine the climate for further professional development opportuniĕes, leadership and training iniĕaĕves and future summer insĕtute parĕcipaĕon. When at all possible, we use AHE trained faculty to present informaĕon and showcase use in their classrooms as a way to demonstrate the effecĕveness and purpose of AVID in higher educaĕon and AVC.
AVID for Higher Educaĕon (AHE) Professional Development Opportuniĕes Evaluaĕons	Faculty/Staff/Students	The AHE professional development opportuniĕes were included in our contract with AVID. All event evaluaĕons resulted in a 97-100% agreeing or strongly agreeing to their level of knowledge or depth of thinking about AVID the AVID strategies and their abiliĕes and willingness to use the strategies.	Each year with the AVID for Higher Educaĕon (AHE) implementaĕon, professional development offered for the conĕnued expansion of the use of AVID strategies across the campus and the curriculum. In, 2016 we plan to double the number of parĕcipants at the AVID Summer Insĕtute. Addiĕonally, AHE is being wriĥen into the SPC goals for 17-18 and is being embraced by the Academic Senate's Center for Teaching Excellence. Professional development was available for faculty/staff/students. Students parĕcipated in socraĕc tutoring and peer mentor training in 2014-15 and 2015-16. Staff parĕcipated in AHE Co-Curricular parts 1 & 2. Faculty parĕcipated in AHE for Seminar Instructors, Faculty peer mentoring, WICOR for Reading, Math/Science and Inquiry and 10-2 strategies. We are planning in year 3 to develop a Train the Trainers cerĕficaĕon as part of a sustainability plan for AHE on campus.

AHE Cerĕficaĕon Self-Study	AHE Campus Team	59 Faculty aĥended the onsite professional development opportuniĕes. 17 faculty and staff aĥended the summer insĕtute for AHE. More than 60 student tutors and peer mentors were trained in AVID for Higher Educaĕon. 16 of 36 HD101 secĕons were taught by AVID trained instructors.	Conĕnue to monitor and track the progress of professional development opportuniĕes and the use of AHE strategies across campus. Uĕlize survey tool to gain addiĕonal insight on which strategies are being used. Increase the number of HD101 secĕons taught by AVID trained instructors as well as basic skills, transfer and CTE courses offered.
AVID Data Collecĕon	AHE Campus Team	Review of the students who receive direct AHE support through course secĕons and support services.	Coněnue to monitor and track the progress of students who receive AHE services and interveněons for success, reteněon and persistence. We need to develop a mechanism to track students beyond our campus for transfer and career placement.
Associated Student Organizaĕon (ASO) Advocacy Survey	Students	The general findings in this survey were not specific to the Welcome Center. However, ASO extracted comments that could be linked to the Welcome Center and concluded the following results: "The quality of important informaĕon geared towards first-ĕme college students & students with specific quesĕons not covered FAQs. There is too few visitor parking spots & 15mins is too liĥle bit of ĕme perhaps offering 20-30mins parking to accommodate visitors that must submit to the speed of lines & service. Other than email No commutaĕon between cashier/ financial aid and students. Maybe have a specific window for "how to" or "how do I" quesĕons? The overall help offered to new students and the extremely high cost of books in the bookstore. The operator hardly ever answers the phone, and when I do get connected to the department I need, I a lot of the ĕme not able to speak with counseling, transfer center or admissions. I live far so I am not able to just "walk in".	We have since implemented a First Year Experience program along with on-going in-person orientaĕons called the Student Success Workshops. The Welcome Center is staffed during all operaĕng hours for the college where we field quesĕons from a vast array of subjects including but not limited to cashiers and financial aid. AVC and the Books H.E.L.P. program now ran by Student Equity provides students with a book loan opĕon in addiĕon to books on reserve in the library, used books in the bookstore and the book rental program in the bookstore. The operator and the welcome center are not synonymous. The welcome center receives calls from outside lines directly as well as internal extensions. There are three handsets that rollover to assist with the volume of calls received in the center. A phone tree has been considered to assist with the automaĕon of FAQ's which could assist with any delayed answering, however, in-person foot traffic is also a consideraĕon.
Community College Survey of Student Engagement 2014 (CCSSE)	Students	<ul> <li>(N=827) 51.9% took part in an online orientaĕon,</li> <li>23.5% took part in an in-person orientaĕon 4.5%</li> <li>enrolled in orientaĕon as part of their course load and</li> <li>14.1% was unaware of a college orientaĕon. 6.1% were</li> <li>unavailable to parĕcipate in an orientaĕon due to a</li> <li>scheduling conflict</li> <li>19.2% stated they parĕcipated in a freshman seminar</li> <li>or first year experience in the first term at AVC. 2.1% in</li> <li>one other term at AVC, 2.7% yes but not at AVC and</li> <li>76% stated they did not parĕcipate in a freshman</li> <li>seminar or first year experience program.</li> </ul>	Increase efforts to inform and engage students early in programs, services and valued courses that create a foundaeon for their success. Conenue to raise the awareness of AVC's benefits and resources and MOU's in the high school classrooms and campuses through the partnerships with the head counselors, AV Bridge Counselors and school administrators.

Title V -FYE (14-19)	Project	This evaluaeon is completed in conjunceon with	In October 2014, AVC was awarded a Title V Solo Grant as an HSI
Annual Progress	Director/Campus	Insĕtuĕonal Research, applicable campus departments,	servicing insĕtuĕon to implement AVID for Higher Educaĕon and

			implementaĕon of the First Year Experience Program. Students are matched with peer mentors, are recommended to take HD 101 and are invited to a host of events and acĕviĕes that engage them and plug them into the campus community as a whole.

# Part 5 - Goals and Objectives and Evaluation of Previous Plans

5.1. Review the goals idenefied in your most recent program review. Briefly discuss your progress in achieving those goals.

Goals/Objecĕve	Current Status	Impact of Aceon (describe any relevant measures/data used to evaluate the impact)
JPC 1: Tracking student/job seekers a - er job fairs	Ongoing	The staff have called and requested from employers who they hired. Due to privacy policies, the employers choose not to reveal names, however they do give generaliĕes, someĕmes.
JPC 2: Creaĕng a tracking method that is not so cumbersome through the hiring process of Student Workers	Ongoing	Conĕnual improvement on the methods used to provide accurate tracking of data.
JPC 3: Improve Staff awareness of other processes and praceces	Ongoing	Interacĕon with other Community Colleges, Regional Consorĕums, Local Unions, organizaĕons, and products to streamline business.
FA 1: Conĕnue to streamline the financial aid applicaĕon process and procedures with the use of technology to deliver informaĕon and aid to students in a ĕmely manner.	Ongoing	Conĕnual improvement. Work with ITS to give students the ability to submit required financial aid documents electronically through myAVC.
FA 2: Conĕnue to offer one-on-one service to students to resolve issues related to receiving financial aid.	Ongoing	Technicians are available to assist students when inquiries arise. Provide in-person workshops for addieonal needs.
FA 3: Provide advising, as well as financial literacy opportuniĕes to financial aid students.	Ongoing	Assigned Financial Literacy to a staff member to provide workshops for students. Cash Course, an online financial tool, is available to our students for personalized financial informaeon. The Net Price calculator is also available to students.
FA 4 Provide financial aid services at the Palmdale Center.	Ongoing	Increase FA presence at Palmdale Center. The new Palmdale Center will increase the need of FA staff. Will need to assess the need to hire addieonal staff specific for the Palmdale Center.
FA 5: Conĕnue to increase outreach efforts to "get the word out" that financial aid is available to students and increase the numbers of students applying for and receiving aid.	Ongoing	Based on figure 2, the number of applicaĕons received conĕnue to increase. Conĕnue with financial aid awareness events on campus.
FA 6: Review policies and procedures to enhance processes and focus on	Ongoing	Staff conĕnue to aĥend annual training event. Staff parĕcipates in webinars offered through the Department of

training and compliance of state and federal regulaĕons.		Educaĕon. Hiring of an Assistant Director of Financial Aid will be necessary.
FA 7: Conĕnue to partner with ITS/Outside Consultant	Ongoing	Must conĕnue partnership with ITS for So ware support such as Banner upgrades and patches as needed.
FA 8: Lower default rate to under 25%	Ongoing	Conĕnue to outsource past loan parĕcipants to servicer according to default management plan. Hire a full-ĕme Default Prevenĕon Specialist to assist with the management of the default rate.
<ul> <li>IWC/O 1: Conĕnue to serve as the community liaison for the college at public events and on community commiĥees to increase awareness of programs and services.</li> <li>Objecĕve 1:Aĥend College and career fairs, community fesĕvals, school district event and other appropriate events and meeĕngs throughout the Antelope Valley.</li> </ul>	Ongoing	We averaged 91 Outreach events per year since 2009 to engage high schools, community and agencies in an awareness of AVC, its programs and services. These have included local college and career fairs and fesĕvals such as Poppy Fesĕval, Almond Blossom Fesĕval, College Informaĕon Night, Salute to Youth, etc.
IWC/O 2: Revitalize and re-engineer the producĕon of early outreach opportuniĕes to the K-12 community of students in encourage and increase the college-going culture in the Antelope Valley. Objecĕve 1: With the support of Student Equity funding and in collaboraĕon with the campus and the community we will follow the previous planning templates to produce these early outreach events. Objecĕve 2: Partner with the AVC Foundaĕon, AVC faculty/staff and local businesses for sufficient presenters for events such as "College: Making it Happen" for 7 & 8 graders, "I'm Going to College" for 4 & 5 graders and the like.	Ongoing	With the Student Equity iniĕaĕve it is planned to re-establish the early outreach efforts of the college and to bring 4th - 8th graders to campus for an educaĕonal and career experience to spark not only their interest in college but also their interest in AVC. These efforts help create a college going culture as well as a streamlined relaĕonship with AVC from elementary to college.
IWC/O 3: Provide accurate informaĕon and appropriate referral services about college programs, services, policies and procedures to prospecĕve and conĕnuing students. Objecĕve 3:Train student ambassador corps on college programs, services, policies and procedures to prospecĕve and conĕnuing students. Field calls and	Ongoing	<ul> <li>The Informaĕon &amp; Welcome Center strives to connect with and collaborate with mulĕple offices on campus in an effort to keep the flow of informaĕon clear and concise, accurate and up-to-date for the patrons of our office. This has been accomplished by parĕcipaĕng in shared governance commiĥees, working with key personnel in departments across campus and disciplines, and through various mediums of communicaĕon.</li> <li>With SSSP we have had increased opportuniĕes to hire student workers and hourly staff to assist students with their matriculaĕon components by providing events, workshops and services to expand their knowledge and understanding of the orientaĕon materials. Phone campaigns iniĕate conversaĕons with incoming students to welcome them to the college, to noĕfy them of upcoming tasks and to answer any quesĕons they may have.</li> </ul>

in person inquiries at the Welcome Center. Assist students during the registraĕon cycles to navigate matriculaĕon steps and myAVC and in-between offices at peek ĕmes in the registraĕon cycle.		
IWC/O (FYE) 4: Increase awareness of the First Year Experience Program across campus and encourage student services departments to parecipate in FYE event planning. Work to insetueonalize FYE so every tradieonal recent high school graduate parecipates. Program success will be determined by long term tracking of student success and reteneon.	Ongoing	A Title V grant was awarded in October 2014 specifically for the FYE Program. This allowed us to contract with AVID for Higher Educaĕon for professional development for faculty staff and students. We have hired two program specialist who work with peer mentors to support first year students in a holisĕc sense; a clerical III has been hired to support the program and a director's job descripĕon has been wriĥen. In the inaugural year, 104 out of the 137 first year program students enrolled in the HD101 course and voluntarily parĕcipated in the program acĕviĕes and services. Approximately 100 faculty have been trained in AHE strategies through on campus professional development opportuniĕes and Summer Insĕtutes.
VRC 1: Establish a Veterans Resource Center	Complete	The Veterans Resource Center redesign and remodel was completed in 2014.
VRC 2: Designate a veteran-specific counselor	Complete	A full-ĕme veteran-specific counselor is now part of the Counseling Department. This counselor teaches Human Development 102: Soldiers to Scholars.
VRC 3: Increase staff of Veterans Resource Center; add part-ĕme support staff	Ongoing	The Veterans Resource Center is currently staffed by one full-ĕme Veterans Program Coordinator. Part-ĕme staff would benefit the VRC through supporĕng student veterans and military dependents , assisĕng in VA educaĕon benefits cerĕficaĕon, and aiding in veterans programs.
VRC 4: Create a VRC account for funding	Ongoing	The VRC has an extremely limited discreĕonary budget. Addiĕonal support for the VRC is provided by Student Equity and Foundaĕon contribuĕons.
SE 1 : Close equity gaps through programs and services offered to students.	Ongoing	AVC was awarded funding from the State of California to uĕlize strategically to close equity gaps for marginalized groups of students. Student Equity hired (1) Director, (3) Program Specialist, (1) Clerical III to support this program. Student Equity staff has created and supported programs across campus to further the work of AVC to create increased student success.
SE 2: Streamline the Student Equity Program applicaĕon process and procedures with the use of technology to deliver informaĕon and services to students in a ĕmely manner.	Ongoing	Student Equity is working to to streamline the applicaĕon process for students to received help from programs and services through the use of technology and online services.
SE 3: Establish a Foster Youth Program	Ongoing	To create a Guardian Scholars program that addresses the specific needs and challenges of the foster youth that are AV Students.
SE 4: Establish a thriving Umoja Community and Village.	Ongoing	To create a community that addresses the needs of the African American students at Antelope Valley College and closes equity gaps on campus.
SE 5: Establish a thriving Puente Program	Ongoing	To create a community that addresses the needs of the Hispanic students at Antelope Valley College and closes equity gaps on campus.
SE 6: Collaborate with programs and the community to bring diversity and culturally relevant dialogue and	Ongoing	Conĕnue to collaborate with programs on campus and build the spectrum performance series, as well as, other culturally relevant performance series.

performance to AVC.		
SE 7: To provide students with access to resources such as textbooks, transportaĕon, child care, food, clothing, and other wraparound services.	Ongoing	Conĕnue to provide resources to wrap around services to student on campus in efforts to remove barriers and close equity gaps.
SE 8: To provide professional development opportuniĕes and support for staff, faculty, and students on and off campus.	Ongoing	Support campus efforts for professional development.
SE 9: Increase staff of Student Equity Office to support the Programs offered by Student Equity, including Books H.E.L.P., Umoja and Puente Programs.	Ongoing	The Student Equity Office is currently staffed by (1) Director, (3) Program Specialist, and (1) Clerical III. Addieonal staff would benefit the Student Equity Office and other Equity Sponsored Programs such as Foster Youth Program, Umoja Community, Puente Program, by supporeng student that fall into the equity gaps for AVC.

# Briefly discuss your progress in achieving those goals:

The Student Life & Services Division is making adequate progress in the achievement of the goals set forth from each area. With collaboraëve efforts to finance the programmaëc and service needs in the area we are striving to provide meaningful and inteněonal services to targeted populaěons. Foster Youth and Homeless was recently designated by the state as a priority populaěon gaining mandatory priority registraěon. We have leveraged decisions such as these to provide support services to the affected students. With FYE we have created a support safety net for all incoming new students working across our divisional areas and across campus; engaging faculty and staff for student success. This is also evident in the Student Equity area where faculty are aligned with high engagement acëvičes broadening the scope of work and commitment to student success beyond the classroom. These efforts empower students to be well-rounded and advance their employability allowing AVC's Job Placement Center to be the quintessenéal placement resource for the Antelope Valley. AVC is the pinnacle resource for the Valley. Our Outreach efforts span in all direcéons including K-12 school districts, community agencies, and businesses with an emphasis on SOAR HS. We are the educaeonal hub for higher educaeon in the Antelope Valley for both tradieonal and nontradieonal students. Our partnerships with community support agencies assist in creaeng a holisec model of success for our students. The newly developed Veterans Resource Center establishes essenéal relaeonships and streamlines processes and access to resources for our veteran populaeon; community partnerships are vital to the success of our students. Lastly, more than 76% of our students receive financial aid. Our Financial Aid Office has made significant advances to provide excellent customer service, online resources and financial literacy to our students and the community. They have worked collaboraëvely across many lines to ensure that students are knowledgeable about their opeons i

# 2018-2022 Planning

5.2. Based on data analysis, outcomes, program indicators, assessment and summaries, list discipline/area goals and objeceves to advancing district Strategic Goals, improving outcome findings and/or increasing the completion rate of courses, cereficates, degrees and transfer requirements in 2016-2017. Discipline/area goals must be guided by <u>district</u>. <u>Strategic Goals</u> in the Educaeonal Master Plan (EMP), p.90. They must be supported by an outcome or other reason (e.g., health and safety, data analysis, national or professional standards, a requirement or guideline from legislation or an outside agency).

Goal #	Discipline/area goal and objecĕves	Relationship to <u>Strategic Goals* in</u> <u>Educational Master</u> Plan (EMP) and/or other	Expected Impact on Program Outcomes/Student Learning	Acĕon plan(s) or steps needed to achieve the goal**	Resources needed (Y/N)?
1	JPC-Hire an Employment Outreach Specialist provide opportuničes to students to achieve a successful job search and an objeceve to improve opportuničes to students	2. Increase efficient and effeceve use of all resources	Provide staffing and space adequate for the implementaĕon of programming to meet the needs of our students in CTE programs as well as other Cerĕficate programs.	Get approval from VP, HR sub commiĥee, Budget commiĥee. Begin the hiring process, recruitment, markeĕng, commiĥees, and final hiring.	Yes
2	JPC-provide opportuniĕes to students to achieve a successful job search and an objecĕve to improve opportuniĕes to students	5. Align instrucĕonal programs to the skills idenĕfied by the labor market.	Funding to support students in, through and beyond their experience at AVC and post graduaĕon	Surveys to determine gaps, evaluaĕon of issues, determinaĕon of improvement measures.	Yes
3	SE-Increase programming for foster youth	<ol> <li>Commitment to strengthen Insĕtuĕonal Effecĕveness measures and pracĕces</li> </ol>	To increase compleĕon and transfer for foster youth	Hire case manager/program coordinator to assist with foster youth program grant management, wraparound services, and overall student success of foster youth	Yes
4	SE-Successful launch of other cultural programs on campus that support diversity and equity such as a Puente Program	<ol> <li>Commitment to strengthen Insĕtuĕonal Effecĕveness measures and pracĕces</li> </ol>	To increase compleĕon and transfer for students in other relevant equity gap groups	Work with the Chancellor's Office to start a program at AVC; Partner with faculty to parĕcipate in the program	Yes
5	SE-Increase Programming for Umoja	<ol> <li>Commitment to strengthen Insĕtuĕonal Effecĕveness measures and pracĕces</li> </ol>	To increase compleĕon and transfer for African American Students	Increase faculty parĕcipaĕon in program	Yes
6	VRC-Increase programming for student veterans and military-connected students	<ol> <li>Commitment to strengthen Insětuěonal Effecěveness measures and pracěces</li> </ol>	To beĥer assist first-year students at Antelope Valley College; to beĥer prepare students for their first semester at AVC; to create a stronger community of veterans; to aid in student success	Develop an orientaĕon program for student veterans and military-connected students; create addiĕonal programming to foster a sense of community among student veterans	Yes

7	VRC-Hire an addiĕonal School Cerĕfying Official (SCO)	1. Commitment to strengthen Insětučonal Effecěveness measures and pracěces	<ul> <li>Will assist with meeeng Student</li> <li>Life and Services OO#1 and #2</li> <li>Will support the Veterans Resource</li> <li>Center programs and daily</li> <li>operaeons</li> <li>The SCO will serve as an addieonal</li> <li>liaison to the Department of</li> <li>Veterans Affairs in processing</li> <li>student veteran educaeon benefits</li> </ul>	This posiĕon needs to be marketed and adverĕsed by HR, selected as a regular classified employee; This person will serve as a liaison between students and the Department of Veterans Affairs, and assist in the daily operaĕons of the Veterans Resource Center	Yes
8	FAO-Provide increased services at the Palmdale Center by hiring addiĕonal staff	2. Increase efficient and effeceve use of all resources	Support learning and facilitaeon of student success supporeng PLO(s) and SLO(s); Assist with the demand of financial aid services in the Palmdale Center as well as the increase in aid applicaeons	Increase space and provide full ěme financial aid staffing at Palmdale Center Iocaĕon; Hire One Financial Aid Technician I, (bilingual/Spanish preferred), and one Financial Aid Specialist, (bilingual/Spanish preferred)	Yes
9	FAO-Streamline the financial aid applicaĕon process and procedures with the use of technology to deliver informaĕon and aid to students in a ĕmely manner to align with the Student Success Iniĕaĕve	2. Increase efficient and effecĕve use of all resources	Support learning and facilitaĕon of student success supporĕng PLO(s) and SLO(s); To beĥer assist students who are applying for financial aid	Upgrade to so ware that will allow students to complete and upload documents electronically; Partner with outside consultant to update Banner; Increase accuracy and legibility by providing autofill opĕon; Provide real ĕme noĕficaĕon; Uĕlize SARS grid as a check in system for students at front counter; Automate Cal Grant Process; Automate data load; Automate packaging process	Yes
10	FAO-Review policies and procedures to enhance processes and focus on training and compliance of state and federal regulaĕons by hiring an Assistant Director of Financial Aid	2. Increase efficient and effecĕve use of all resources	Support learning and facilitaĕon of student success supporĕng PLO(s) and SLO(s); To assist in ensuring compliance and training as well as to provide supervision in the Palmdale Center	Hire an Assistant Director of Financial Aid as compliance officer as well as trainer; Coněnue to aĥend annual trainings, as well as webinars, workshops and conferences; Create a policy and procedure commiĥee to oversee revisions and updates as needed; Create an office manual for employees; Review and revise operaĕonal outcomes and acĕon items on an annual basis	Yes

11	FAO-Improve default prevenĕon plan to further lower our Cohort Default Rates by hiring addiĕonal staff	<ol> <li>Commitment to strengthen Insětuěonal Effecěveness measures and pracěces</li> <li>Focus on uělizing proven instrucěonal strategies that will foster transferable intellectual skills</li> </ol>	It is the responsibility of the Financial Aid Office to reduce the number of students defauleng on student loans by providing adequate loan counseling and follow up with students who are delinquent on their loans	Hiring of addiĕonal staff required; Hire full ĕme Default Prevenĕon Specialist; Conĕnue to outsource delinquent calls	Yes
12	FAO-Conĕnue to collaborate with other departments to enhance student success and promote insĕtuĕonal effecĕveness in support of the Student Success Iniĕaĕve	<ol> <li>Commitment to strengthen Insětuěonal Effecěveness measures and pracěces</li> <li>Focus on uělizing proven instrucěonal strategies that will foster transferable intellectual skills</li> </ol>	Support learning and facilitaĕon of student success supporĕng PLO(s) and SLO(s); Enhancement of partnership with other offices on campus	Increase informaĕon in our outreach efforts; Team with Outreach Office to parĕcipate in the First Year Student Experience; Conĕnue our annual Financial Aid Awareness week; Conĕnue with Veterans Awareness Day and outreach; Conĕnue with Foster Youth Awareness day and outreach; Collaborate with all areas on campus involved with implemenĕng the student success iniĕaĕve	Yes
13	JPC-Improve Job Placement Orientaĕons	<ol> <li>Commitment to strengthen Insětuěonal Effeceveness measures</li> <li>Align instruceonal programs to the skills idenefied by the labor market</li> </ol>	To beĥer understand gaps in student worker program and ideněfy expanding JPC training needs and re-engineer or expand the student worker orientaĕons	Surveys sent out to employers asking: "Has there been an improvement with new hires who have the aĥended the Student worker orientaĕon?" Also create markeĕng to new students opportuniĕes on campus	Yes
14	JPC-Increase Job Placement support at Palmdale	<ol> <li>Commitment to strengthen Insětuěonal Effecěveness measures and pracěces</li> <li>Align instrucěonal programs to the skills ideněfied by the labor market</li> </ol>	Adding staff to Palmdale on a part-ĕme schedule increasing to full ĕme for an Employment Outreach Specialist and Work Study Specialist to serve students and community, and complete tracking thru successful employment	Hire new employees as part ĕme and add as expansion of Palmdale Center increases	Yes

Comments:

This Program Review proved to be a daunting task of streamlining the needs assessments, goals, outcomes and plans for the entire division. We challenged ourselves to focus on the shared values, goals, objectives and vision of the division and level of collaboration we employ while still maintaining the essential elements of individual programs and services. We all believe in the importance of annual planning, consistence review and evaluation as well as data driven application to program improvement. We appreciate your feedback in the peer review process.
