

President's Goals 2025-2026

1. INCREASE FTES AND ENROLLMENT (10% Annually): The president will lead the executive team to create strategies that attain the 10% increases in both FTES and Enrollment.
 - a. Integrate into Student Equity Plan
 - b. Communication Plan to keep campus focused on goals
 - i. President Town Halls
 - ii. Exec Team Newsletters
 - iii. Think Tanks
 - c. Continued systematic expansion of Dual Enrollment throughout the Service Area
2. INCREASE TRANSFER LEVEL MATH AND ENGLISH COMPLETION (5%): The President will support discipline area faculty, providing resources for professional development, collaboration, and creativity. Faculty have faced challenges through legislation and have responded with innovation, and the President will support continued improvement efforts.
3. INCREASE JOB PLACEMENT RATES (increase to over 70%): The President will support the Job Placement Center, the disciplines whose placement rates are under 70%, and industry partners to make opportunities available for student employment post-graduation.
4. The President will continue involvement on Boards, committees and clubs. New opportunities will be considered in the context of current obligations and duties.
5. The President will work with campus constituent groups to revise BP/AP 2510 to reflect current District/College structures and operations.
6. The President will continue to pursue funding sources for campus expansion, updating, and student housing in accordance with the Facilities Service Plan.
7. Stay informed of local, state, and federal legislative activity as it impacts AVC, and advocate accordingly.
