

AVC AT A GLANCE

VISION

To provide quality education that transforms lives

MISSION

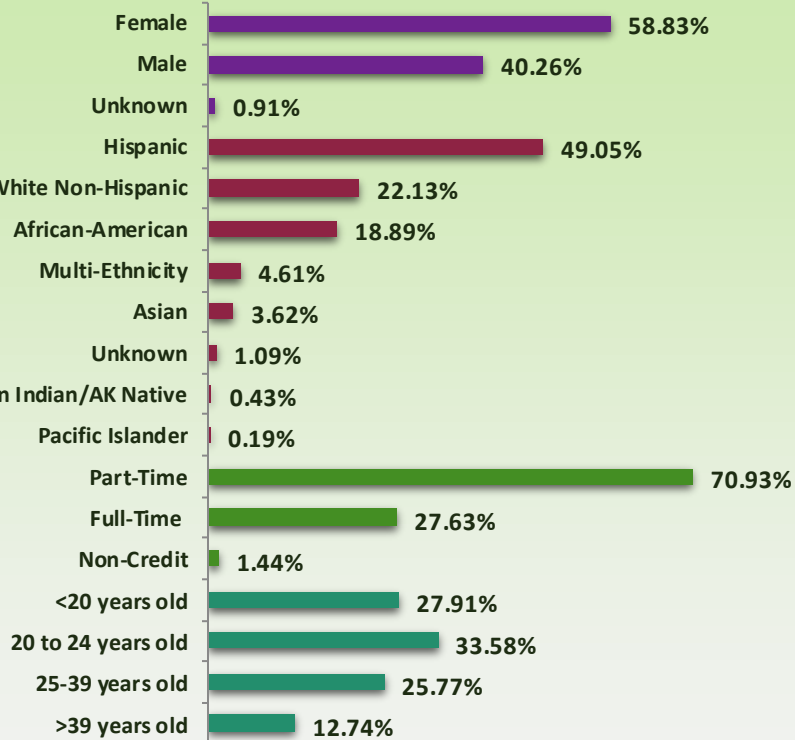

Antelope Valley College, a public institution of higher education, provides a quality, comprehensive education to a diverse population of learners. We are committed to student success offering value and opportunity, in service to our community.

Community

AVC's results from the 2016 Community College Survey of Student Engagement (CCSSE) provide evidence of increased student engagement across all five CCSSE benchmarks when compared with 2008 and 2014 administrations. Based on the 2016 CTE survey, respondents posted an overall 35% increase in their hourly wage after completing their studies at AVC and the vast majority were satisfied with the education and training they received.
