Associate Degree**Liberal Arts and Sciences: Option I, II, or III**

This degree will provide students with an opportunity to earn an AA degree in one of three major areas of study: Math and Sciences; Social/Behavioral Sciences; or Arts and Humanities. It is designed for students who wish to explore different disciplines (subject areas) *before* deciding on a definite major program prior to transferring to a four-year university, or for students who may not be planning to transfer but wish to earn a degree in a particular area of study that interests them.

Students planning to transfer to a four-year university are cautioned that this degree may not meet all of the lower division requirements for transfer into a particular major; however, through careful educational planning with a counselor, this degree would offer a solid foundation in the transfer process. Students should consult with a counselor for specific information regarding their intended major at the university of their choice.

Courses that were approved for IGETC at the time the courses were taken may be substituted in the LAS majors regardless of catalog rights.

Degree Requirements:

Requirements for the Liberal Arts and Sciences Degree (*Option I, II, or III*) may be satisfied by completing a total of 60 units comprised of the following:

- a minimum of 18 core course units chosen exclusively from **one of the options** listed below. Student must receive a minimum grade of “C” or better in all required core courses in order to qualify for the degree;x
- 21 units of AVC/General Education (GE) requirements; and
- enough elective units to complete the required balance of 60 total units.

Students who intend to transfer are strongly encouraged to complete either the Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth (CSU GE) requirements. (See Graduation/Associate Degree Requirements.)

Double Counting: *While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.*

Math and Sciences - Option I:

The following area of study allows students to take courses that will prepare them for possible majors within the teaching field in addition to the many fields of Science, including the Allied Health, Nursing preparation, Health Sciences, and related fields. Courses in mathematics emphasize mathematical and quantitative reasoning skills. Courses in the sciences examine the physical universe its life forms and its natural phenomena allowing students to learn about the methodologies of science as an investigative tool and to understand the influence scientific knowledge has on society.

Students wishing to transfer to the California State University system must select additional General Education courses from *either* the “CSU General Education” pattern or from the “Intersegmental General Education Transfer Core Curriculum (IGETC)” pattern listed in the Transfer Information section of this catalog.

Students wishing to transfer to the University of California system must select additional General Education courses *only* from the “Intersegmental General Education Transfer Core Curriculum (IGETC)” pattern listed in the Transfer Information section of this catalog.

Prerequisite Completion

All prerequisite courses must be completed with a satisfactory grade in order to enroll in the next course. According to Title 5, Section 55200(d), a satisfactory grade is a grade of “A,” “B,” “C” or “P”. Classes in which the Pass/No Pass option is available are indicated with an asterisk (*) before the course title. See “Pass/No Pass Option” in the catalog for full explanation.

Transfer

All courses listed in the options above are transferable to CSU/UC and may be applied to the appropriate areas of the CSU General Education Breadth and the UC General Education (IGETC) patterns. Those courses marked with an *asterisk can only be used for Foreign Language proficiency listed in IGETC section “Language Other Than English” (LOTE). These courses may also be used for CSU GE Breadth Humanities credit Area C2.
