

Program Description

Spanish language studies broaden communicative skills, increase transfer options to four-year universities with foreign language requirements, and offer the ability to communicate effectively in a second language. Spanish studies further provide an understanding of the richness of Peninsular and Latin American cultural variety, while fostering an appreciation for a heritage that is also part of the larger United States culture. Professionally, it opens new job opportunities and offers salary increments in certain occupations.

In addition to classroom instruction, students engage with literature, music, videos, film, and computer programs, as well as potential cultural field trips.

Associate Degree

Spanish courses can be included in the 18 units necessary for an associate degree with a major in Liberal Arts and Sciences or towards the General Education Requirements to be consistent with other similar degrees. (See Graduation/Associate Degree Requirements.)

Associate in Arts in Spanish for Transfer

The knowledge and skills offered in the Associate in Arts in Spanish for Transfer (AA-T in Spanish) degree will allow students to develop foundational understanding in the study of Spanish including grammar, composition, oral expression, culture and literary analysis. In addition, these skills will provide tools for analysis of and investigation into local, national and global topics within the discipline.

The Associate in Arts in Spanish for Transfer (AA-T in Spanish) degree meets the requirements of SB 1440 for Associate Degrees for Transfer (ADT). These degrees are intended to make it easier for students to transfer to California State University campuses, but do not exclude admittance to other colleges or universities.

To earn an Associate in Arts in Spanish for Transfer (AA-T in Spanish) degree a student must complete the following:

- Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education – Breadth Requirements.
 - A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.

- Obtainment of a minimum grade point average of 2.0.

ADTs also require that students must earn a "C" or better in all courses required for the major or area of emphasis. A "P" (Pass) grade is also an acceptable grade for courses in the major if the course is taken on a Pass/No Pass basis.
