### Program Description

The curriculum is designed to provide students with the knowledge and preparation for either occupational skills or lifelong learning. It is designed to address current educational priorities.

Students must receive a minimum grade of “C” or better in all required core courses and the specific courses listed as program electives in order to qualify for the degree or certificate.

### Distinctive Features

The curriculum is designed to provide educational opportunities that respond to human needs and future technologies to prepare students for employment, advanced study and lifelong learning, and help enable students to develop skills that improve the quality of life in a diverse society.

### Career Options

Day Care Home Provider

Dietary Aide

Early Childhood Teacher/Aide

Food Preparation Worker

Recreation Specialist

(Some of these careers may require education beyond the two-year college level.)

### Certificate Program

Certificate not applicable.

### Associate Degree

The requirements for an associate degree in Family and Consumer Sciences may be satisfied by completing the required core courses under Section “A” and at least 9 units in one area of concentration under Section “B” in addition to the general education requirements.
