Graduation / Associate Degree and Certificate Requirements

Associate Degree Requirements

(Title 5, Section 55063)

Graduation from Antelope Valley College with the associate in arts or associate in science degree requires the completion of a minimum of 60 semester units, see requirements 1 through 6.

Antelope Valley College awards the associate in science degree or the associate in arts degree to students who pursue majors offered in the following divisions: Business, Computer Studies and Economic Development; Health Sciences; Language Arts; Math, Science and Engineering; Kinesiology, Athletics and Dance; Social and Behavioral Sciences; Technical Education; and Visual and Performing Arts. In the course description section of this catalog, all courses that apply to the associate degree or certificates are designated as (AVC).

The completion of an associate in arts or an associate in science degree does not ensure that a student can transfer directly to a four-year college or university. Students interested in transferring should refer to the Transfer Information section directly to a four-year college or university. Students interested in transferring should refer to the Transfer Information section for more information on university admission and transfer requirements.

At the time of catalog publication, a student may earn an AA-T/AS-T in the following areas:
- Administration of Justice, AS-T
- Anthropology, AA-T
- Art History, AA-T
- Biology, AS-T
- Business Administration, AS-T
- Chemistry, AS-T
- Communication Studies, AA-T
- Early Childhood Education, AS-T
- Economics, AA-T
- English, AA-T
- Film, Television, and Electronic Media, AS-T
- Geography, AA-T
- Geology, AS-T
- History, AA-T
- Kinesiology, AA-T
- Mathematics, AS-T
- Music, AA-T
- Philosophy, AA-T
- Physics, AS-T
- Political Science, AA-T
- Psychology, AA-T
- Sociology, AA-T
- Spanish, AA-T
- Studio Arts, AA-T
- Theatre Arts, AA-T

Additional majors are being developed. Please see a counselor and www.avc.edu for more information.

Requirements for the Associate in Arts for Transfer (AA-T) or Associate in Science for Transfer (AS-T)

The Student Transfer Achievement Reform Act (Senate Bill 1440, now codified in California Education Code sections 66746-66749) guarantees admission to a California State University (CSU) campus for any community college student who completes an Associate Degree for Transfer (ADT), a newly established variation of the associate degrees traditionally offered at a California community college. The Associate in Arts for Transfer (AA-T) or the Associate in Science for Transfer (AS-T) is intended for students who plan to complete a bachelor’s degree in a similar major at a CSU campus. Students completing these degrees (AA-T or AS-T) are guaranteed admission to the CSU system, but not to a particular campus or major. In order to earn an AA-T or AS-T degree a student must complete the following:

1. General Education Requirements

General Education (GE) is designed to introduce the students to the variety of means through which people comprehend the changing world. It reflects the conviction of AVC that those who receive their degrees must possess in common certain basic principles, concepts, and methodologies both unique to and shared by the various disciplines. College educated persons should be able to use this knowledge when evaluating and appreciating the physical environment, the culture, and the society in which they live. Most importantly, GE should lead to better self understanding.

Courses or a combination of courses which meet GE philosophy and objectives will:

1. Provide an introduction to basic concepts, principles, and
methodology of study common to a given discipline;
2. Lead to better self understanding in relationship to the physical environment, culture, economy and society;
3. Provide an opportunity to examine values while proposing solutions for major social problems; and,
4. Provide a breadth of knowledge and experiences which contribute to a well-rounded education.

• Courses in natural science present critical thinking and problem solving methods. These courses also explore the relationship that exists between people and science;
• Courses in the social and behavioral sciences focus on people as members of society. These courses should promote appreciation of how societies and social subgroups operate.
• Courses in the humanities present the cultural activities and artistic expressions of human beings. These courses help students in developing aesthetic understanding and the ability to make value judgements;
• Courses in language and rationality present principles of languages which lead toward logical thought, clear and precise expression, and critical evaluation of communication;
• Courses or a combination of courses in the performing and visual arts and physical education provide both theory and practice;
• Courses in foreign language include substantive content of the culture of the relevant country;
• Ethnic studies and multicultural courses are offered in at least one of the required GE categories.

Courses which emphasize occupational competency do not meet GE objectives.

Double Counting: While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.

**Requirements:**
A minimum of 3 semester units in Areas A, B, C, D1, D2, E and F to total a minimum of 21 units.

**Area A - Natural Sciences**
Courses in the Natural Sciences are those which examine the physical universe, its life forms and its natural phenomena. To satisfy the GE requirement in natural sciences, a course shall be designed to help the student develop an appreciation and understanding of the scientific method, and encourage the understanding of the relationships between science and other human activities.

**Select at least 3 units**
- ANTH 101, 101L
- ASTR 101, 101L
- BIOL 100, 101, 101L, 102, 103, 104, 110, 120, 201, 202, 204, 205
- CHEM 101, 102, 110
- ELE 101
- ERSC 101
- GEOG 101, 101L, 102, 102L
- GEOL 101, 101L, 102, 102L
- PHYS 101, 102, 110, 120, 211
- PSCI 101

**Area B - Social & Behavioral Sciences**
Courses in the Social and Behavioral Sciences are those which focus on people as members of society. To satisfy the GE requirement in social and behavioral sciences, a course shall be designed to develop an awareness of the method of inquiry used by the social and behavioral sciences. It shall be designed to stimulate critical thinking about the ways people act and have acted in response to their societies and should promote appreciation of how societies and social subgroups operate.

**Select at least 3 units**
- AJ 201, 204, 206
- ANTH 102, 103, 112, 140
- BUS 101
- CFE 102
- COMM 217
- DFST 105
- ECON 100, 101, 102, 110
- GEOG 105, 106, 110
- POLS 101, 103, 200, 201, 202, 203
- PSY 101, 201, 212, 230, 232, 233, 234, 235, 236
- SOC 101, 105, 110, 111, 112, 115, 116, 120

**Area C - Humanities**
Courses in the Humanities are those which study the cultural activities and artistic expression of human beings. To satisfy the GE requirement in the humanities, a course shall be designed to help the student develop an awareness of the ways in which people throughout the ages and in different cultures have responded to themselves and the world around them in artistic and cultural creation and help the student develop aesthetic understanding and an ability to make value judgements.

**Select at least 3 units**
- ART 100, 101, 102, 103, 104, 106, 110, 113, 120, 132, 135, 136, 137, 140, 145, 150, 163, 170, 210, 213
- CHIN 101, 102, 201, 202
- COMM 103, 112, 114, 214
- DA 101
- DFST 101, 102, 105, 106, 201, 202
- FREN 101, 102, 201, 202, 203
- FTV 101, 103, 107, 108, 201, 203, 241, 251, 261
- GER 101, 102, 201, 202
- HIST 115
- ID 150, 201
- LATN 101, 102, 201
- MUSC 102, 103, 107, 108
- PHIL 105, 106, 108, 109
- PHOT 107
- PHTC 101, 150, 201
- SPAH 101, 1108S, 102, 201, 202, 2108S, 2208S

**Area D - Language & Rationality**
Courses in Language and Rationality are those which develop for the student the principles and applications of language toward logical thought, clear and precise expression and critical evaluation of communication in whatever symbol system the student uses.
Select 3 units from (1) and select 3 units from (2)

1. **Academic Composition**
   Courses fulfilling the written composition requirement shall be designed to include both expository and argumentative writing.
   - ENGL 101

2. **Communication and Analytical Thinking**
   Courses fulfilling the communication and analytical thinking requirement include oral communication, mathematics, logic, statistics, computer languages and programming, and related disciplines.
   - BUS 113
   - CA 103
   - CIS 101, 111, 141, 157, 161
   - COMM 101, 103, 107, 109, 112, 114, 115, 217, 219
   - ENGL 102, 103
   - GEOG 201, 205
   - PHIL 101, 106, 110, 201

3. **Area E - Additional Breadth**
   Courses in this area are designed to expand the acquisition and utilization of knowledge in GE and/or self understanding.
   Courses must be taken from a discipline not previously selected.
   Select at least 3 units
   - From areas A, B, C, D2 or CFE 102
   - COMM 103, 107, 219
   - DFST 105
   - HD 100, 101, 102, 103, 105
   - HE 101, 120, 201
   - ID 100, 120
   - KINT 100
   - LIB 107, 110
   - MUSC 108
   - NF 100, 102, 103, 110, 150
   - PSY 212
   - SOC 111, 116
   - Any DA activity course(s) from DA 102-205, except DA 107A-C, 108, 109 and 111
   - Any Kinesiology Fitness (KINF) activity course, Intercollegiate Athletics (IATH) activity course, or up to 4 units for military experience

4. **Area F - Diversity Studies**
   The primary focus of courses meeting the Diversity Studies requirement will deal, in depth, with non-dominant groups in the State of California and the United States. These groups of people are defined as African-American, Hispanic, Asian-Pacific Islander, Native American and Women. Courses meeting the Diversity Studies requirement will deal with more than one group. Courses will deal with one non-dominant group in comparison to the dominant group or other non-dominant group(s). Issues of racism and sexism will be explicitly covered.
   Select 3 units
   - ANTH 102, 112
   - BUS 212
   - CFE 116
   - COMM 114, 217, 219
   - DFST 105, 106
   - ECON 110
   - ENGL 250, 253, 256, 257, 259
   - FTU 201, 203
   - HE 201
   - HIST 110, 111, 113
   - MUSC 107, 108
   - POLS 202
   - SOC 105, 110, 116
   - THA 239

2. **Proficiency Requirements**
   Proficiency requirements exist for the areas of Reading, Writing and Math. Students must demonstrate competency in each of these areas in order to be eligible for the associate degree.
   **A. READING**
   Eligibility for College Level Reading (AVC assessment) or Completion of READ 099 with a minimum grade of “P” (Pass), or completion of an Associate Degree or higher from a regionally accredited institution of higher education.
   **B. WRITING**
   Completion of ENGL 101 with a minimum grade of “C.”
   NOTE: ENGL 101 may be taken with the Pass/No Pass option; however, students are cautioned that other colleges and universities may not accept ENGL 101 courses taken on a Pass/No Pass basis, especially for satisfaction of general education and major requirements. Students planning to transfer should check college catalogs for applicable policies.
   **C. MATHEMATICS**
   Completion of MATH 102 or higher or CIS 121 with a satisfactory grade or placement by AVC assessment into a math course higher than MATH 102.

3. **Major and/or Area of Emphasis Requirements**
   Students must receive a minimum grade of “C” or better in all required core courses and the specific courses listed as program electives in order to qualify for the degree or certificate.
   Major requirements may be satisfied by: (Title 5, Section 55063) completing specific major requirements listed in the AVC catalog.

4. **Electives**
   The remaining number of units (up to 60) are considered electives. Any course that has already been counted toward (1) the general education requirements, or (2) the major, cannot be used as an elective.

5. **Grade Point Average Requirement**
   A cumulative grade point average of 2.0 (“C” average) is required.

6. **Residence Requirement**
   Of the required 60 units, “at least 12 semester…units must be completed in residence at the college granting the degree.” Title 5, Section 54000 et seq. Title 5 of the California Code of Regulations is available at [http://ccr.oal.ca.gov](http://ccr.oal.ca.gov) and in the Antelope Valley College Library.

Low-Unit Certificates of Achievement

Fire Technology (pg. 224)

7. Requirements for Two or More Associate Degrees

To be eligible for multiple associate degrees, a student must complete all graduation requirements for each degree.

Credit Courses Not Transferable/Not Applicable to the Associate Degree and Certificate Programs

Effective Fall 1988, selected credit courses shall not apply to the associate degree and certificate programs.

Students who enroll in credit courses not applicable to the degree or certificate can use these credits for eligibility purposes, i.e., full-time status, intercollegiate athletic status and financial aid status. In the course description section of this catalog, these courses are designated as: Credit course not applicable to the associate degree and certificate programs. Grades will not count in calculating the GPA when received in credit courses not applicable to the associate degree and certificate programs. All courses that do apply to the associate degree or certificates are designated as (AVC).

The list of credit courses not applicable to the associate degree and certificate programs include:

Basic Skills Courses:
- ENGL 095, Composition Skills
- ENGL 097, Composition Portfolio A
- ENGL 099, Composition Portfolio B
- ENGL 100A, Academic Strategies
- ESL 050P, ESL Vocab & Pronunciation 5
- ESL 053, ESL Grammar 5
- ESL 058, ESL Reading and Writing 5
- ESL 099, Advanced Composition
- MATH 065, Basic Math
- MATH 070, Elementary Algebra
- R
- EAD 099, Critical Reading and Study Skills

Academic Support Courses:
- ENGL 090, Grammar and Mechanics
- LAC 020, Managing Writing Anxiety
- LAC 098, Math for Nursing
- LAC 099, Dosage Calculation
- MATH 020, Managing Math Anxiety
- MATH 021, Math Study Strategies

Certificate Programs (Title 5, Section 55070, 55072)

At Antelope Valley College there are two types of educational programs which lead to certificates of achievement.

1. There are programs that lead to certification or licensing by agencies other than AVC, usually state or federal agencies, after an examination or further training. Such programs at AVC usually lead to the associate degree as well.

2. There are programs that lead to Certificates of Achievement from AVC that have been reviewed by the Academic Policies & Procedures Committee, the Board of Trustees, and the Chancellor’s Office. These certificates are comprised of 1) a minimum of 18 or more semester units (or 27 or more quarter units) of degree-applicable coursework designed as a pattern of learning experiences intended to develop certain capabilities that may be oriented to career or general education, or 2) a designated sequence of courses consisting of 12 or more semester units (or 18 or more quarter units) of degree-applicable credit coursework. These certificate programs will be consistent with the mission of the college, meet a demonstrated need, be feasible, and adhere to guidelines on academic integrity which may be developed by the Chancellor, the Academic Senate for California Community Colleges, or other appropriate statewide bodies. Such programs are usually less than two years in length and may or may not lead to an associate in arts or science degree. Courses taken in these programs at AVC will apply toward an associate degree.

To avoid delays in completing your certificate of achievement, it is important that you recognize that many courses are not offered every semester (including a very limited summer school offering). Note how certain designated courses are offered on a rotating basis (either fall or spring) and develop your educational plan very carefully. Required courses that are rarely offered or potential problems should be discussed with the appropriate division dean as early in the planning process as possible.

Filing for Certificate Programs:

Antelope Valley College awards certificates three times annually following the fall, spring and summer semesters. Students must apply for graduation to earn their degree or certificate. Applications are due by October 15 for spring/summer graduates and by April 15 for fall graduates. Applications can be completed online, or students can print the application from the AVC website at www.avc.edu and mail in. After review, a preliminary evaluation will be sent to the students’ myAVC
e-mail account showing the progress toward the degree. Students will receive information on participating in the annual commencement ceremony from Student Development during spring term. While participation in the commencement ceremony is encouraged, it is not mandatory and does not indicate the completion of a degree or certificate.

**Resident Requirement:**
All certificate of achievement programs require a minimum of 12 units completed in residence at AVC with a minimum of 9 of those units completed in the certificate coursework.

**Grade Point Average:**
All certificate of achievement programs require a minimum GPA of 2.0 (“C” average) unless otherwise stated.

**IGETC and CSU GE:**
Certificates of Achievement

(Title 5, Section 55070)
A General Education Certificate of Achievement ensures that students have a broad background in a variety of disciplines at the college and university level in order to appreciate the breadth of human knowledge and the responsibilities of concerned and engaged citizens. General Education courses will provide students with skills that include the ability to read critically, to write and communicate with clarity, to evaluate and draw well-informed conclusions and inferences from information gleaned from many sources, and to access the wealth of technical, scientific, and cultural information that is increasingly necessary in our global community. It is through General Education that students gain an appreciation of how diverse cultures lead us to be more creative thinkers with different perspectives and insights from which to view human endeavors.

**IGETC:** In order to be awarded a Certificate of Achievement for the Intersegmental General Education Transfer Curriculum (IGETC), students must complete a minimum of 39 units, with grades of “C” or better. No class may be used to satisfy requirements in more than one of the five general areas. Eligible courses taken at other accredited institutions may be considered by Antelope Valley College for the certificate. Students should consult with a counselor. (See pages 55-59)

**CSU GE:** In order to be awarded a Certificate of Achievement for the California State University General Education Breadth (CSU GE), students must complete a minimum of 39 units, with grades of “C” or better. No class may be used to satisfy requirements in more than one of the five general areas. Eligible courses taken at other accredited institutions may be considered by Antelope Valley College for the certificate. Students should consult with a counselor. (See pages 55-59)

**NOTE:** Earning a Certificate of Achievement for IGETC for UC, IGETC for CSU, or CSU GE does not constitute General Education “Certification.”

**Low-Unit Certificates: Certificate of Achievement**
Low unit certificate of achievement programs are Chancellor Office approved and can appear on a student’s transcript. Low-unit certificates of achievement may be earned in the following areas:

- Geographic Information Systems
- Wildland Fire Technology
- Yoga Instructor

**Noncredit Certificates: Certificate of Competency**
Noncredit certificate of competency programs are Chancellor Office approved and can appear on a student’s transcript. Noncredit certificate of competency may be earned in the following area:

- High Intermediate ESL

**Local Certificates: Certificate of Proficiency**
Locally approved Certificates of Proficiency may consist of one or more courses totaling from 6-17 units that lead to an occupationally relevant set of skills. These programs are shorter in duration and narrower in scope than the achievement certificate programs of 18 units or more, and they usually provide instruction related to occupational advancement. They may also meet the needs of continuing education for those in an evolving profession or meet a demonstrated local need that is recognized by the community and verified by the college.

These locally approved certificate programs do not require Chancellor Office approval, nor can they appear on a student’s transcript. Locally approved certificates are:

- Blueprints and Structures
- Grounds Maintenance
- Office Support Award

**Catalog Rights Policy**
Provided that continuous attendance is maintained, AVC students may elect the degree requirements in effect at:
1. The time they entered AVC; or
2. The time they graduate from AVC.

A student will lose catalog rights if there is no course notation (Grade, W, I, Pass/No Pass, RD) on the transcript for two consecutive, regular (fall/spring) semesters. Summer and intersession terms cannot be used to establish catalog rights nor to maintain continuous attendance.

Once catalog rights are established, absence related to attendance at another accredited institution of higher learning shall not be considered an interruption, providing the absence does not exceed two years.

The “Catalog Rights Policy” sets forth the criteria used for determining the degree requirements under which students may graduate. New students should check AVC’s online catalog (www.avc.edu) for the most up to date version, which may include changes to academic policies or procedures as a result of new or revised legislation, course prerequisites, or other academic concerns.

**NOTE:** Those students, regardless of catalog rights, who receive a substandard grade (D, F, NP) for a course have the opportunity to repeat the course once. If on the subsequent attempt the course has a current prerequisite, corequisite, or limitation on enrollment that was not in effect the first time the course was taken, the student must meet the most recent academic requirement.

**Changes in Majors**
Students changing major will be subject to the major requirements in effect at the time of the change, but will be allowed to continue with previously established non-major requirements (general education, proficiencies, etc.).
