Preparation for Transfer to Four-Year Institutions  
(Title 5, Section 51022(b))

The most important actions a student can take to prepare for transfer are:

1. Read the Antelope Valley College Catalog carefully, paying special attention to the sections on transfer and certification of General Education requirements.
2. Discuss educational plans with a counselor.
3. Plan a course of study being careful to select courses that will be accepted by a transfer school toward a degree there.
4. Become familiar with one or more transfer school catalogs; catalogs are available in the Transfer Center.
5. Review application booklets for information about the application process and deadlines for prospective transfers.

It is important that a prospective transfer student plans a program that is similar to the freshman and sophomore years at a particular four-year school. This is why it is so important that the student reviews transfer school catalogs to see which courses are required of lower division students.

The Antelope Valley College Catalog identifies courses that are transferable and which count toward a bachelor’s degree. The catalog also contains information about General Education (GE) requirements and how a student can meet some or all of the lower division general education at Antelope Valley College.

Even with these assurances, it is important that a student works closely with a counselor in planning a program of study so that the student completes as many transfer requirements as possible.

Application Submission Deadline:
California State University (CSU)
- Fall: October 1 - November 30
- Spring: August 1-31
Note: Not all CSU’s will be open for Spring term admission. Check with CSUMentor.edu for individual campus openings for the Spring term.

University of California (UC)
- Fall: November 1-30 (Students can begin to fill out the online application beginning August 1)
- Spring: Not all UC’s will be open for Winter/Spring term admission. Check with individual campus for Winter/Spring term openings and application deadlines.

Transferability of AVC Courses

Many courses are designated as transferable to either the CSU or UC Systems. The designation for UC transferable courses is based on the most current UC transferable course list. Students are cautioned that many of these courses will only transfer as elective credit. Students desiring to continue at a four-year school should follow the requirements listed in the four-year school’s catalog and work closely with a counselor to ensure that courses will meet major and general education requirements upon transfer.

Intersegmental General Education Transfer Curriculum (IGETC)

The IGETC is a series of courses that community college students can use to satisfy lower division general education requirements at any CSU or UC campus for most majors. The IGETC will provide an option to the California State University General Education Requirements.

Completion of the IGETC is not a requirement for transfer to a CSU or UC, nor is it the only way to fulfill the lower-division, GE requirements of the CSU or UC prior to transfer. Students may find it advantageous to take courses fulfilling CSU’s general education requirements or those of a particular UC campus.

Completion of all of the requirements in the IGETC will permit a student to transfer from a community college to a campus in either the California State University or University of California system without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements.

Students can submit a request for IGETC certification with the AVC Transcript Office. Certifications are sent along with the student’s official transcript to the CSU or UC campus. Students are encouraged to monitor the documentation timelines from the CSU or UC campus as to when the IGETC certification has to be received at the transfer institution.

The course requirements for all areas must be completed before the IGETC can be certified. All courses must be completed with grades of “C” or better. Additionally, the IGETC must be completed and certified before the student enrolls at a CSU or UC campus. Requirements for the IGETC cannot be completed once the student enrolls at a CSU or UC campus.

IGETC for STEM Majors

Students preparing for a major in science, technology, engineering, or mathematics are eligible to complete IGETC for STEM Majors, a separate IGETC track designed specifically for these disciplines. For certification under IGETC for STEM Majors, students must complete the following:
- All courses in Areas 1, 2, and 5 of the traditional IGETC; and
- Two courses in Area 3 and two courses in Area 4, as well as one course for UC-bound students who have not satisfied 6A through proficiency

One remaining lower-division general education course in Area 3, one remaining lower-division general education course in Area 4, and, if necessary, one remaining course in Area 6A will be completed after transfer. This general education plan will allow STEM students to concentrate on the required lower division math and science courses needed for success in the major. These deferred lower division general education courses must be replaced in coursework before transfer with calculus and/or major science courses required by the major. Students are eligible to complete the IGETC for STEM Majors option only if it would be impossible for them to complete both major/major preparation coursework and either IGETC and/or the CSU GE Breadth plan within 60 units prior to transfer. The following programs are approved to use IGETC for STEM:
- Biology, AS-T
- Chemistry, AS-T

The following information is based on the 2017–18 IGETC list. Consult with a counselor for the most current requirements, which are subject to change.

AREA 1 – English Communication

CSU: Three courses required, minimum of one from Group A, B and C.
UC: Two courses required, minimum of one from Group A and B.
56  Transfer Information

Group A:  English Composition
One course, 3 semester units/4–5 quarter units.
ENGL 101, 101SL

Group B:  Critical Thinking–English Composition
One course, 3 semester units/4–5 quarter units. Course selected
must have English Composition as a prerequisite.
ENGL 102, 103

Group C:  Oral Communication (CSU only)
One course, 3 semester units/4–5 quarter units.
COMM 101, 103

AREA 2 – Mathematical Concepts and Quantitative
Reasoning
One course, 3 semester units/4–5 quarter units.

AREA 3 – Arts and Humanities
At least three courses, 9 semester units/12–15 quarter units. At least
one course from the Arts and one from the Humanities.

A:  Arts:
ART 100, 101, 102, 103, 104
DA 101
ENGL 235, 236, 246
FTV 101, 107, 108, 203
MUS 101, 105
MUSC 102, 103, 107
THA 101, 110

B:  Humanities:
CHIN 201, 202
ENGL 221, 222, 225, 227, 230, 231, 235, 236, 240, 242, 246, 250, 253, 256,
257, 259, 265, 279
FREN 201, 202, 203
FTV 201, 203
GER 102, 201, 202
HIST 115
LATN 102, 201
PHIL 105, 106, 108, 109
PHOT 107
SPAN 110SS, 201, 202, 203, 210SS, 220SS
THA 239

AREA 4 – Social and Behavioral Sciences
At least three courses, 9 semester units/12–15 quarter units. Courses
from at least two disciplines or an interdisciplinary sequence.
AJ 206
ANTH 102, 103, 112
ECON 100, 101, 102, 110
GEOG 105, 110
POLIS 101, 103, 200, 202, 203
PSY 101, 201, 202, 203, 212, 230, 232, 233, 234, 235, 236
SOC 101, 105, 110, 111, 112, 115, 116

AREA 5 – Physical and Biological Sciences
At least two courses required, 7–9 semester/quarter units. One
Physical Science course and one Biological Science course; at least
one must include a lab.

A:  Physical Sciences:
ASTR 101, 101L#
CHEM 101#, 102#, 110#, 120#, 210#, 220#
ERSC 101#
GEOG 101, 101L#
GEOL 101, 101L#, 102, 102L#
PHYS 101#, 102#, 110#, 120#, 211#
PSCI 101#
B:  Biological Sciences:
ANTH 101, 101L#
Biol 101, 101L# 103#, 104, 110#, 120#, 201#, 202#, 204#, 205#
#  Meets laboratory requirement.

AREA 6 – Language Other Than English (UC Requirement
ONLY)
Proficiency equivalent to two years of high school in the same
language with a grade of “C,” OR earn a score of 3 or higher
on the AP Foreign Language test, OR 550 on the College Board
Achievement Test in Foreign Language, OR complete one of the
foreign language courses listed below.
CHIN 102, 201, 202
DFST 102, 201, 202
FREN 102, 201, 202, 203

SPAN 102, 110SS, 201, 202, 203, 210SS, 220SS

CSU Graduation Requirement in U.S. History, Constitution
and American Ideals 6 units
(Not part of IGETC; may be completed prior to transfer.)
HIST 107 and POLS 101
HIST 108 and POLS 101
HIST 110 and POLS 101
HIST 111 and POLS 101

The California State University System (CSU)
The CSU system is composed of 23 campuses which serve more
than 315,000 students. CSU has more than 1,400 bachelor’s and
master’s degree programs in over 200 different subject areas and
a variety of teaching and school service credential programs. CSU
 campuses offer undergraduate and graduate programs providing
liberal arts education as well as preparation for occupations such as
business, engineering, the arts, and science and health professions.

A community college student may transfer a maximum of 70
semester units to a campus of the CSU. Courses that are transferable
to the CSU are designated as (CSU) in the description of courses
in this catalog. Please be cautioned that some of these courses will
only transfer as elective credit.

Eligibility for Admission to the CSU System
All CSU campuses have the same admission requirements
for transfer students. Some exceptions occur at campuses or in
programs where there are more applicants than can be admitted.
In general, however, a student will qualify for most campuses and
programs if the student has a 2.0 GPA or better in all transferable
units and meets one of the following standards:
1.  If a student was eligible for admission to the CSU from high
school—i.e., had satisfied the subject requirements and achieved
the required scores on the eligibility index—a student is eligible
to transfer at any time, provided that a 2.0 GPA is maintained in
transferable college courses.

NOTE: Consult the CSU Application Packet for information on
required high school subjects and eligibility index.

2.  If a student earned the required scores on the eligibility index,
but had not satisfied the required college preparatory high school
subjects, a student may take college courses in the subjects that
were missing and be eligible to transfer upon their completion,
provided the student maintains a 2.0 GPA in transferable
courses.
3. If a student was ineligible for admission from high school because the student lacked required subjects and did not achieve the required scores on the eligibility index, the student must do three things:
   a. Complete 56-60 transferable semester units at AVC (depending on the campus selected);
   b. Establish a minimum 2.0 GPA at AVC; and,
   c. Complete a minimum of 39 semester units from the CSU General Ed. Requirements. Of these 39 units a student must include courses from A-1, A-2, A-3 and B-4 with a minimum evaluative grade of "C" before he/she matriculates to a CSU campus.

General Education Requirements for the CSU System

A candidate for a bachelor’s degree from the California State University system shall complete a minimum of 48 semester units in general education courses. A student may complete 39 of the 48 required units at Antelope Valley College. In addition to these 39 units of lower division general education courses, students must complete 9 units of upper division course work at a California State University campus. AVC will certify general education for students. No more than 30 units may be certified.

Complete 9 units of upper division course work at a California State University system shall complete a minimum of 48 semester units in general education courses. A student may complete 39 of the 48 required units at Antelope Valley College. In addition to these 39 units of lower division general education courses, students must complete 9 units of upper division course work at a California State University campus. AVC will certify general education for students. No more than 30 units may be certified in categories B, C and D. No class may be used to satisfy requirements in more than one of the five general areas. Courses taken at other institutions can be certified by Antelope Valley College.

Students can submit a request for CSU certification with the AVC Transcript Office. Certifications are sent along with the student’s official transcript to the CSU campus. Students are encouraged to monitor the documentation timelines from the CSU campus as to when the CSU certification has to be received at the transfer institution.

CSU GE Breadth for STEM Majors

Students pursuing certain Associate Degrees for Transfer may be eligible to take GE Breadth for STEM, deferring two lower-division GE courses until after transfer. GE Breadth for STEM is applicable only to majors in which the Transfer Model Curriculum explicitly indicates the availability of the option. California Colleges preparing a “CSU GE Breadth for STEM” certification as part of an Associate Degree for Transfer should ensure that the student has completed:

a. All courses in Areas A, B, and E of the traditional GE Breadth curriculum; and
b. One course in Area C1 Arts and one course in Area C2 Humanities; and
   c. Two courses in Area D from two different disciplines. The following programs are approved to use CSU GE Breadth for STEM:
      Biology, AS-T

   The following information is based on the 2017–18 CSU GE list. Consult with a counselor for the most current requirements, which are subject to change.

A. English Language Communication and Critical Thinking (9 units)
Select at least 3 units from each of the following sub-categories.
   A-1 **Oral Communication
      COMM 101, 103

A-2 **Written Communication
      ENGL 101, 101SL

A-3 **Critical Thinking
      COMM 115
      ENGL 102, 103
      PHIL 101, 106, 110, 201
      ** Courses in this area must be completed with a grade of “C” or better to be certified.

B. Scientific Inquiry and Quantitative Reasoning (9–12 units)
Select at least one course from physical sciences, one course from life sciences, and one course from mathematics/quantitative reasoning. One science course shall include a laboratory component/ activity.
   B-1 Physical Science
      ASTR 101
      CHEM 101*, 102*, 110*, 120*, 210*, 220*
      ERSC 101*
      GEOG 101, 102
      GEOL 101L, 102
      PHYS 101*, 102*, 110*, 120*, 211*
      PSCI 101*

   B-2 Life Science
      ANTH 101
      BIOL 101, 102*, 103*, 104, 110*, 120*, 201*, 202*, 204*, 205*

   B-3 Laboratory Activity
      ANTH 101L
      ASTR 101L
      BIOL 101L
      GEOG 101L, 102L
      GEOL 101L, 102L

   B-4 **Mathematics/Quantitative Reasoning
      CIS 121
      * Class includes a laboratory component. Credit will also be granted for Area B-3.
      ** Courses in this area must be completed with a grade of “C” or better to be certified.

C. Arts and Humanities (9 units)
Select one course from the arts and one course from the humanities. Select the remaining units from C-1 or C-2. No more than 4 units of performance or art activity classes shall be chosen. Performance/ activities are indicated in bold & italics.
   C-1 Arts (Art, Dance, Music, Theatre)
      ART 100, 101, 102, 103, 104, 110, 113, 132, 135, 136, 137, 140, 145, 160, 210, 213
      DA 101
      FTV 101, 107, 108, 201, 203
      HIST 115
      MUS 101, 105, 111, 131, 132, 151, 153, 185, 231, 232, 251A, 251B, 253A, 253B
      MUSC 102, 103, 107
      PHOT 107
      PHTC 101, 150, 201
      THA 101, 102, 110, 130, 225

   C-2 Humanities (Literature, Philosophy, Foreign Languages)
      CHIN 101, 102, 201, 202
      COMM 112
      DFST 101, 102, 201, 202
D. Social Sciences (9 units)
Select from at least two different disciplines.
- AJ 206, 210
- ANTH 102, 103, 112, 140
- CFE 102
- COMM 217
- ECON 100, 101, 102, 110
- GEOG 105, 106, 110
- POLS 101, 103, 200, 201, 202, 203
- PSY 101, 201, 212, 230, 232, 233, 234, 235, 236
- SOC 101, 105, 110, 111, 112, 115, 116, 120

E. Lifelong Learning and Self-Development (3 units)
Select 3 units, or DD 214 for 4 units
- CFE 102
- COMM 103, 107, 219
- HD 101, 102, 105
- HE 101, 120
- NF 100, 103
- PSY 212, 236
- SOC 111, 116

Requirements for American Institutions (6 units)
Select one pair. Courses used to satisfy the American Institutions requirement may also apply to Category D above.
- HIST 107 and POLS 101
- HIST 108 and POLS 101
- HIST 110 and POLS 101
- HIST 111 and POLS 101

Major Requirements at CSU Campuses
Refer to CSU catalogs and consult a counselor. CSU catalogs are available in the Transfer Center, Room SSV 101, Student Services Building.

The University of California System (UC)
The University of California system is made up of ten campuses located throughout California—in Berkeley, Davis, Irvine, Los Angeles, Merced, Riverside, San Diego, San Francisco, Santa Barbara and Santa Cruz. All of these campuses have certain features in common—uniform admission requirements, highly qualified faculty and excellent libraries. All maintain the same high academic standards. Nine of the campuses offer comprehensive undergraduate programs with a variety of individual specialties. The San Francisco campus is unique because all of its programs are in the health sciences. Each campus has its own character and distinctive features which contribute to the diversity of the University as a whole.

A community college student may transfer a maximum of 70 semester units to a campus of the UC. Courses that are transferable to the UC are designated as (UC) in the description of courses in this catalog. The designation for UC transferable courses is based on the most current UC transferable course list. Please be cautioned that some of these courses will only transfer as elective credit.

Eligibility for Admission to the UC System
All UC campuses have the same admission requirements for transfer students. Some exceptions occur at campuses or in programs where there are more applicants than can be admitted. The way a transfer student can meet the UC’s admission requirements is:
1. if a student was ineligible for admission from high school due to lack of required subjects and did not achieve the required scores on the eligibility index, the student must do three things:
   1. complete 60 transferable semester units at AVC;
   2. establish a minimum 2.4 GPA* at AVC; and,
   3. complete college courses to make up any high school subject deficiencies (refer to the UC application packet for options to clear subject deficiencies).

* Earning a 2.4 GPA does not guarantee admission to all programs at the University of California. Certain programs and/or campuses may be impacted and therefore require additional criteria for acceptance.

Major Requirements at UC Campuses
Refer to the UC catalogs and consult a counselor. UC catalogs are available in the Transfer Center, Room SSV 101, Student Services Building.

Independent Colleges and Universities
Admission and graduation requirements for independent schools vary according to the institution. To determine specific requirements, check the catalog of the school of your choice. Antelope Valley College’s Transfer Center has a catalog file of many independent institutions.
COURSE IDENTIFICATION NUMBERING SYSTEM

The Course Identification Numbering System (C-ID) is a statewide numbering system independent from the course numbers assigned by local California community colleges. A C-ID number next to a course signals that participating California colleges and universities have determined that courses offered by other California community colleges are comparable in content and scope to courses offered on their own campuses, regardless of their unique titles or local course number. Thus, if a schedule of classes or catalog lists a course bearing a C-ID number, for example COMM 110, students at that college can be assured that it will be accepted in lieu of a course bearing the C-ID COMM 110 designation at another community college. In other words, the C-ID designation can be used to identify comparable courses at different community colleges. However, students should always go to www.assist.org to confirm how each college’s course will be accepted at a particular four-year college or university for transfer credit.

The C-ID numbering system is useful for students attending more than one community college and is applied to many of the transferable courses students need as preparation for transfer. Because these course requirements may change and because courses may be modified and qualified for or deleted from the C-ID database, students should always check with a counselor to determine how C-ID designated courses fit into their educational plans for transfer.

Students may consult the ASSIST database at www.assist.org for specific information on C-ID course designations. Counselors can always help students interpret or explain this information.
