Items	Person	Action
1. Deans Update	<i>Christos Valiotis</i>	<p>Paul Stahmann has accepted a job at a different college and is leaving. Good luck and bye Paul!</p> <p>In order to teach any online class faculty need to have the certificate that they completed an online teacher training class, and turn it in with the dean and HR. The class also needs to be approved for online teaching. More opportunities to attend online teaching classes coming up July 1st.</p> <p>An email will come out about a training for active learning STEM workshop.</p> <p>COVID update: faculty cannot make the students wear masks</p> <p>By law we have to accommodate students who have been quarantined but once they are cleared to come back, if they don't return they must be treated like a regular illness and dropped if they miss too many labs/classes.</p>
2. Schedule	<i>Alex Schroer</i>	Summer waitlists do not exist due to banner limitations.

		Over enrolling students is at the instructors discretion, however we can't violate the fire marshal code. COVID money : 1500 \$..no info as when that will be paid .
3. Canvas grade submissions	<i>Jonathan Compton</i>	Grades can be set up and submitted through CANVAS.
4. Honors classes	<i>Richard Biritwum</i>	absent
