Keynote from Dr. Benjamin Perea

Transfer Basics

Session One – Campus Support

4:10 – 4:50 PM

Majors and Program Support

UCD offers an array of majors that would prepare students for STEM-related careers. Join College of Agricultural & Environmental Sciences, College of Biological Sciences, College of Engineering, and/or College of Letters & Science to learn more about majors and support programs.

- College of Agricultural & Environmental Sciences
- College of Biological Sciences/ AvenueB
- College of Engineering/AvenueE
- College of Letters and Science

Session Two – Preparing for a Career in STEM

4:55 – 5:40 PM

Careers in the Health Professions

UC Davis health profession advisors offer tips on preparing yourself for a successful medical career.

Careers in Engineering and Computer Science

Join our Engineering and Physical Sciences internship and career advisor to learn more about how you can prepare for careers in the technology fields.

Careers in STEM Professions

Gain career preparation tips for a variety of STEM areas from UC Davis Internship and career advisor(s) and a representative from our Math and Science Teaching program.

Session Three – Student Panel

5:45 – 6:30 PM

Pre-Health Student Panel

Current UC Davis transfer students will talk about their transfer experiences and answer your questions.

Engineering and Computer Science (AvenueE) Student Panel

Current UC Davis transfer students will talk about their transfer experiences and answer your questions.
