

Assessment and Placement for Fall 2019 and Beyond

Know your rights to access transfer-level English and math course work!

We use your self-reported high school performance to place you into transfer-level English and math courses. Your placements may also include recommendations to access support while you are enrolled in transfer-level courses.

Research shows that your high school GPA is one of the strongest predictors of future performance in college course work.

For New, Continuing or Returning Students

If you either completed the 11th grade or graduated from a United States high school within the past 10 years, we can now use your high school performance to qualify you for transfer-level English and math courses.

English and Math Course Placement Using High School Information

If you are a new student, login to your myAVC account to complete the online orientation. Your placements will automatically occur once submitted. Refer to your application confirmation e-mail with instructions about how to access your myAVC. Follow these steps to view your course placements after completing the online orientation:

1. Login to myAVC
2. Select the "Student Success" tab
3. Review your placement options under "Matriculation"

What If You Completed Orientation But Did Not Receive Course Placements?

- You will need to see a counselor if you graduated high school more than 10 years ago, if you attended high school internationally, or have not completed the 11th grade.
- If your college application had incomplete or incorrect answers to the high school performance questions and you are still within 10 years of high school, you may complete the Guided Self-Placements for English and Math. To do this, visit: <https://www.avc.edu/student-services/assess>, scroll to the bottom of the page and complete the Guided Self-Placements online. Once completed, you will receive an e-mail confirmation message with your course placement. During regular hours of operation, you can expect us to process your results within 24 hours.

Need Help?

Give us a call or come to the Assessment Center during our office hours and receive hands-on assistance. We have computers that you may use to complete the Orientation and/or Guided Self-Placements for English and Math.

For Students Where High School Performance Does Not Apply

- Graduated high school more than 10 years ago
- Did not graduate from a United States high school
- Special Admit Student
- Received a GED
- Left high school before completing 11th grade

If one of these apply, ***please see a counselor for further guidance.***

If you have any questions about your course placements, please see a counselor. Express Counseling is available as a walk-in service during regular hours of operation in the Student Services Building at the Lancaster campus and Palmdale Center. You may also reach Counseling by phone at **(661) 722-6300, ext. 6338**, or go online to <https://www.avc.edu/onlinecounseling> to chat with a counselor, if available.
