most important

Basic Skills

required for work in the
education, child care +
family pathway

good communicator **like to plan**
enthusiastic + positive attitude
enjoy teaching all ages **organized**

3! Three Main Points

- 1** The folks who choose careers in the Education, Child Care and Family Services Pathway are motivated to do so by their desire to teach and help others.
- 2** Because this sector grows as quickly as the population expands, the demand for qualified people will remain strong!
- 3** The sector encompasses four distinct, yet interrelated, career pathways: Child Development, Consumer Services, Education, and Family and Human Services.

Pathway Guide

Video

**Child Development Careers**

Careers that fall under the Child Development Pathway range from child care providers to child psychologists. Graduating students will be equipped to work with infants through young children. They will have studied growth and development, nutrition and health, learning theories, and age appropriate curriculum activities.
