

What Can I Do with This Major?

History

A comprehensive introductory history program is offered at Antelope Valley College. Besides World Civilization, Western Civilization, and early and modern American Histories, there are also several specialized fields available to choose from: Vietnam to Iraq; History of the American West; African American History; Women in American History; Cultural History of Mexico; History of California; and the History of Latin America and the Caribbean. These courses cover a wide range of subjects and time periods, and clearly there is something to satisfy everyone's interest.
