

**California State University System General Education (CSU GE) Requirements
Advising Form Effective Fall 2021 - Summer 2022**

This pattern applies to students who began college *before Fall 2021* and have maintained continuous enrollment.

Student _____ Student Number _____

Completion of all the California State University (CSU) System General Education Requirements will permit a student to transfer from Antelope Valley College (AVC) to a campus in the CSU System without the need, after transfer, to take additional lower-division general education courses. After transfer, students will be required to complete nine upper-division general education units to reach a combined total of the 48 general education units required in partial fulfillment for a degree from the CSU System. AVC will certify general education, including appropriate courses taken at other regionally accredited institutions, for students who meet the 12-unit residency requirement at AVC. No class may be used to satisfy requirements in more than one of the six general areas. Courses used to satisfy the American Institutions requirements may also apply to Area D.
