

**Graduation/Associate Degree Requirements (Transfer students)**  
**AREA F: Diversity Studies (From 2021-2022 AVC's Catalog)**

The primary focus of courses meeting the Diversity Studies requirement will deal, in-depth, with non-dominant groups in the State of California and the United States. These groups of people are defined as African-American, Hispanic, Asian-Pacific Islander, Native American, and Women. Courses meeting the Diversity Studies requirement will deal with more than one group in comparison to the dominant group or another non-dominant group (s). Issues of racism and sexism will be explicitly covered.
