

ANTELOPE VALLEY COLLEGE

Graduation/Associate Degree Requirements

AREA F: Diversity Studies (2016-2017)

The primary focus of courses meeting the Diversity Studies requirement will deal, in depth, with non-dominant groups in the State of California and the United States. These groups of people are defined as African-American, Hispanic, Asian-Pacific Islander, Native American, and Women. Courses meeting the Diversity Studies requirement will deal with more than one group in comparison to the dominant group or other non-dominant group(s). Issues of racism and sexism will be explicitly covered.
