The Associate in Science in Administration of Justice for Transfer (AS-T in Administration of Justice) degree at involves the study of the theory and practice of law enforcement, police work, the court and corrections systems. Specialized officers such as game wardens, forest rangers, or criminal investigators make unique contributions throughout our state and nation. They investigate crime, present cases in court and render other service to the justice system and the people. The Associate in Science in Administration of Justice for Transfer (AS-T in Administration of Justice) degree meets the requirements of SB 1440 for Associate Degrees for Transfer (ADT). Associate Degrees for Transfer are for seamless transfer to a CSU. To earn an Associate in Science in Administration of Justice for Transfer (AS-T in Administration of Justice) degree, a student must complete the following:
