PSY 106, Case Management, Law and Ethics		3	<p>The mission of the Alcohol and Other Drug Studies Program is to prepare students with academic training and hands on experience for employment in various substance abuse treatment settings and obtain California state certification as a drug and alcohol counselor. The Alcohol and Other Drug Studies Program facilitates and enhances student learning in a supportive environment, through comprehensive education, utilizing academic courses and field placement experiences.</p> <p>The AODS Certificate consists of an 11-course curriculum accredited by CAADE in 2004 and CCAPP in 2015 after their extensive review. Antelope Valley College's AODS courses prepare students to provide services in courtmandated, public, and private agencies for alcohol and drug intervention, treatment, and prevention. Students are prepared to work in agencies that provide intake, assessment, detoxification, impaired driver interventions, drug testing, crisis intervention, inpatient and outpatient rehabilitation, sober living services, relapse prevention, counseling, and family recovery.</p> <p>• Residency: Minimum of 12 units completed at AVC with a minimum of 9 of those units completed from the certificate/major. (credit earned by examination will not be included in these 12 units) Title 5, Section 54000:http://ccr.oal.ca.gov</p> <p>Requirements for Two or More Associate Degrees: To be eligible for multiple associate degrees, a student must have completed all of the graduation requirements for each degree.</p> <p>Transfer: Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center or the Counseling Center and consult with a counselor as soon as possible to develop a plan of studies. Additional preparation for the major information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org</p> <p>The "Catalog Rights Policy" sets forth the criteria used for determining the degree requirements under which students may graduate. Please refer to the AVC Catalog for a detailed description or consult with a counselor.</p> <p>Advisory: A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.</p> <p>Prerequisite: A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).</p> <p>Corequisite: A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated corequisite.</p>
