

Certificate/AS-Automotive Technology (Driveability, Emissions Electrical) 21-22

Recommended Program Sequence

All courses with a + sign indicate a pre-requisite or co-requisite

Term 1 (Semester: Maximum 19 units, 15 units recommended)		Units	Term 3 (Fall/Spring: Max. 19 units, 12-15 u. recommended)		Units
Daytime:	AUTO 260**, Auto. Electrical Systems	5	Daytime:	AUTO 278, Program Elective <i>only offered in the evening</i>	4
Nighttime:	AUTO 151, Chassis & Body Elec. Sys.	4	Nighttime:	Auto 153, Starting & Charging Systems	2
Nighttime:	AUTO 176, Carburetor Fuel Sys.	2	Nighttime:	Auto 177, Electronic Fuel Injection	4
General Education Area E (Additional Breadth)		3	General Education Area B (Social Science)		3
General Education Area D1 (English 101)		3	General Elective		3
Nighttime:	General Elective	3	Daytime/Nighttime: General Elective		4/3
** These courses intended for night students			Order for classes and time to complete may vary for night students		
Day/Night Total		14/15	Day/Night Total		14/15
Term 2 (Fall/Spring: Max. 19 units, 12-15 u. recommended)		Units	Term 4 (Fall/Spring: Max. 19 units, 12-15 u. recommended)		Units
Daytime:	AUTO 175, Fuel Emissions Systems & Ca. Clean Air Car Crs.	10	Daytime:	AUTO 277, Program Elective <i>only offered in the evening</i>	4
Nighttime:	AUTO 152, Ignitions Systems	2	Day or	AUTO 276**, California Clean Air Course	8
General Education Area D2 (Communication & Critical Thinking)		3	Nighttime:	Program Elective (<i>If needed</i>) or General Elective	3
General Education Area C (Humanities)		3	General Education Area F (Diversity Studies)		3
Nighttime:	General Elective	7	General Education Area A (Science)		3
(Summer: Max. 15 units, 12 units recommended)			Day/Night Total		17/18
Day/Night Total		16/15	Graduate		

Take Summer classes if needed to complete the program in a timely manner.

The state requires all students to have a Comprehensive Educational Plan. Make a counseling appointment as soon as enrollment is established on any term. Come by the Counseling Center or call. Online Counseling is available: <https://www.avc.edu/student-services/counseling>

Driveability, Emissions & Electrical: Certificate/Major Required	AS General Education: At least 3 units from each of the following areas below: A, B, C, D1, D2, E, and F. Minimum Total GE Units Required: 21

ENGL 250+, 253+, 256+, 257+, 259+	THA 239

Grade Point Average Requirement: An overall grade point average of 2.0 ("C" average) is required.

Proficiency Requirements:

Proficiency requirements exist for the areas of Writing and Math. Students must demonstrate competency in each of these areas in order to be eligible for the associate degree.

A. **WRITING:** Completion of ENGL 101 with a minimum grade of "C." NOTE: ENGL 101 may be taken with the Pass/No Pass option; however, students are cautioned that other colleges and universities may not accept ENGL 101 courses taken on a Pass/No Pass basis, especially for satisfaction of general education and major requirements. Students planning to transfer should check college catalogs for applicable policies.

B. **MATHEMATICS:** Completion of MATH 102 or higher or CIS 121 with a satisfactory grade or placement by AVC assessment into a math course higher than MATH 102.

***Fulfilling proficiencies** will not require any extra units if the competencies are demonstrated by including the required courses in the general education, or major requirements, or by satisfying the reading proficiency through AVC's policy.

Electives: The remaining number of units (up to a minimum of 60) are considered electives. Any course that has already been counted toward (1) the general education requirements, or (2) the major, cannot be used as an elective. Any course with a designation of "AVC" at the end of a course description can be used as an elective.

Double Counting: While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.

• Residency: Minimum of 12 units completed at AVC with a minimum of 9 of those units completed from the certificate/major. (credit earned by examination will not be included in these 12 units) Title 5, Section 54000: <http://ccr.oal.ca.gov>

Requirements for Two or More Associate Degrees: To be eligible for multiple associate degrees, a student must have completed all of the graduation requirements for each degree.

Transfer: Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center or the Counseling Center and consult with a counselor as soon as possible to develop a plan of studies. Additional preparation for the major information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org

The "**Catalog Rights Policy**" sets forth the criteria used for determining the degree requirements under which students may graduate. Please refer to the AVC Catalog for a detailed description or consult with a counselor.

Advisory: A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Prerequisite: A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).

Corequisite: A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated corequisite.
