

AS - Licensed Vocational Nursing to Registered Nursing (Advanced Placement) 19-20

Recommended Program Sequence

All courses with a + sign indicate a pre-requisite or co-requisite

Eligibility: The student must hold a current LVN licence in the state of California and a current IV therapy certification.

Advanced Placement

Options

Summer: (9/6 units) Max./Recommended units		Units	Other Options. 30-Unit Option (non-degree):	
NS 200A+, Nursing Transition		3	<p>All program admission requirements are waived for "30 Unit Option" students. Students without the AS Degree will earn a Non-Degreed License once the Board of Nursing exams are passed. There is no assurance that a Non-Degreed license will be recognized outside the State of California. The status of the license will be permanent and it will not change, even if, the student completes</p> <p>Advanced Placement Options. (Degree):</p> <p>All prerequisites and General Education requirements for the regular ADN degree apply for this option. An LVN admitted to the second year of the ADN program can elect to receive credit for NS 101A, NS 102A, and NS203A for his/her LVN course work. LVNs must provide a transcript of their vocational nursing education and course description(s) showing content in maternal and newborn nursing and pediatric nursing. The units will be posted on the student's transcript after successful completion of NS 200A.</p> <p>Pre-requisites for NS 103: BIOL 201+, BIOL 202+, BIOL 204+, MATH 115+, ENGL 101+</p> <p>Generic ADN Program. (Degree):</p> <p>The LVN who elects this route must complete the same prerequisites, entrance requirements, courses, and follow the same enrollment and selection procedures as generic nursing students. See the Register Nursing Recommended Program Sequence.</p>	
Fall (Semester: Maximum 19 units, 15 units recommended)		Units

* Courses may be taken prior to ADN program	Total	18.5		

Take Summer or Intersession classes if needed to complete the program in a timely manner.

The state requires all students to have a Comprehensive Educational Plan. Make a counseling appointment as soon as enrollment is established on any term. Come by the Counseling Center or call.

A. 30-Unit Option (only requires the following curriculum)		Other Requirements:	
Required Curriculum:	Units	<ul style="list-style-type: none"> • Minimum grade of "C" required on each course • Maximum of 12 pass/no-pass units accepted for the Degree, 6 units for a cert. • Refer to catalog or online website for course listings and descriptions <p>Electives: The remaining number of units (up to a minimum of 60) are considered electives. Any course that has already been counted toward (1) the general education requirements, or (2) the major, cannot be used as an elective. Any course with a designation of "AVC" at the end of a course description can be used as an elective.</p> <p>Grade Point Average Requirement: An overall grade point average of 2.0 ("C" average) is required.</p> <p>• Residency: Minimum of 12 units completed at AVC with a minimum of 9 of those units completed from the certificate/major. (credit earned by examination will not be included in these 12 units) Title 5, Section 54000: http://ccr.oal.ca.gov</p> <p>Transfer: Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center or the Counseling Center and consult with a counselor as soon as possible to develop a plan of studies. Additional preparation for the major information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org</p> <p>The "Catalog Rights Policy" sets forth the criteria used for determining the degree requirements under which students may graduate. Please refer to the AVC Catalog for a detailed description or consult with a counselor.</p> <p>Advisory: A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.</p> <p>Prerequisite: A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).</p> <p>Corequisite: A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated co-requisite.</p>
