

AS - Radiologic Technology Degree 21-22

Recommended Program Sequence

All courses with a + sign indicate a pre-requisite or co-requisite

Prerequisite Courses Must Be Completed Prior to Application to the Program

1st. Term: Summer: Max. 15 units, 12 units recommended	Units	4st. Term: Summer: Max. 15 units, 12 units recommended	Units
RADT 101+, Introduction to Radiologic Technology	2	RADT 201, Radiographic Clinical Practicum III	9
RADT 102+, Patient Care in Radiology	2		
RADT 109, Radiation Physics	3		
*PSY 101, General Psychology Area B	3		
* May be completed prior to the program	Total	Total	9
	10		
2nd. Fall: Max. 19 units, 12-15 u. recommended	Units	5th. Term: Fall: Max. 19 units, 12-15 u. recommended	Units
RADT 103+, Radiographic Positioning & Procedures I	10	RADT 202+, Radiographic Pathology	11
RADT 104+, Radiographic Principles 1	3	RADT 203+, Fluoroscopic Imaging & Radiation Protection	3
* Course from GE requirement Area C	3	RADT 204+, Principles and Apps of Cross-Sectional Anatomy in Imaging	2
		RADT 210+, Principles of Venipuncture for Radiology	1
* May be completed prior to the program	Total	Total	17
	16		
3th. Term: Spring: Max. 19 units, 12-15 u. recommended	Units	6th. Term: Spring: Max. 19 units, 12-15 u. recommended	Units
RADT 107+, Radiographic Positioning & Procedures II	10	RADT 207+, Advanced Radiographic Procedures	11
RADT 108+, Advanced Principles of Exposure	3	RADT 208+, Radiographic Certification Preparation	4
* COMM 101, Introduction to Public Speaking Area E	3	* Course from GE requirement Area F	3
		* May be completed prior to the program	Total
* May be completed prior to the program	Total		18
	16		
Graduate			

The state requires all students to have a Comprehensive Educational Plan. Make a counseling appointment as soon as enrollment is established on any term. Come by the Counseling Center or call. Online Counseling is available: <https://www.avc.edu/student-services/counseling>

Required Courses: (C or better)	Units	General Education Requirements: Courses may be completed prior to program. Courses can not be substituted.	Units
RADT 101+, Introduction to Radiologic Tech	2	PSY 101, General Psychology, Area B	3
RADT 102+, Patient Care in Radiology	2	Course from GE requirement, Area C	3
RADT 103+, Radiographic Positioning & Procedures I	10	COMM 101, Introduction to Public Speaking, Area E	3
RADT 104+, Radiographic Principles 1	3	Course from GE requirement, Area F	3
RADT 107+, Radiographic Positioning & Procedures II	10	Units Required for General Education:	12
RADT 108+, Advanced Principles of Exposure	3	Minimum Total Units Required for AS Degree:	110
RADT 109+, Radiation Physics	3	<ul style="list-style-type: none"> Maximum of 12 Pass/No Pass units accepted Minimum of 12 units must be completed at AVC (credit earned by examination will not be included in these 12 units). All courses must be completed with a minimum grade of C in all categories. Refer to catalog or online website for course listings, descriptions, and suggested course sequence if available. Certificate in Radiologic Technology is not available 	
RADT 201+, Radiographic Clinical Practicum III	9		
RADT 202+, Radiographic Pathology	11		
RADT 203+, Fluoroscopic Imaging & Radiation Protection	3		
RADT 204+, Principles and Applications of Cross-Sectional in Imaging	2		
RADT 207+, Advanced Radiographic Procedures	11		
RADT 208+, Radiographic Certification Preparation	4		
RADT 210+, Principles of Venipuncture for Radiology	1		
Units Required for Major:	74		

other requirements for degree

Prerequisite Required Courses: (C or better)	Units
BIOL 101, General Biology, Area A	3
BIOL 101L+, General Biology Lab	1
BIOL 201+, General Human Anatomy	4
BIOL 202+, General Human Physiology	4
CHEM 101+, Introductory Chemistry	5
ENGL 101+, Academic Composition, Area D1	3
MATH 102, Intermediate Algebra or higher, Area D2	4
Pre-req courses must be completed with a grade of "C" or better and the grades posted on an official transcript at the time of application.	
Note: More than one RADT course has a Math 102 eligibility or completion as Pre-Requisite.	

Prerequisite sequence in the back...
Policies in the back page ...

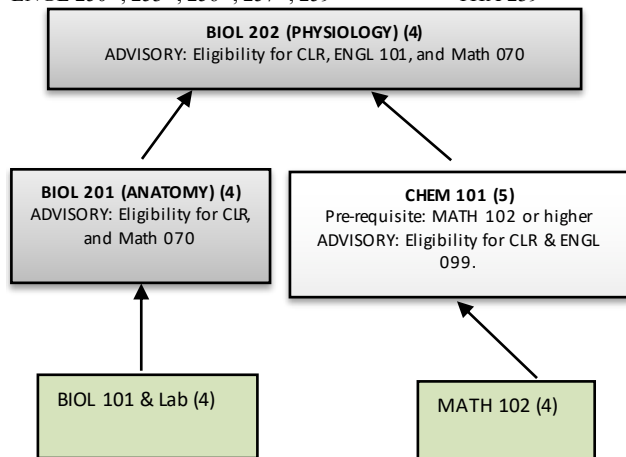

Other Prerequisites to apply to the RADT program
Freedom from communicable disease as verified by a licensed physician or certified nurse practitioner. Other health conditions that could impair the student's ability to perform the essential functions of a radiologic technology student safely and competently will be examined on a case-by-case basis. Final acceptance into the program will depend on the results of the physical examination.

Advisory: A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Prerequisite: A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).

Corequisite: A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated corequisite.

Electives: The remaining number of units (up to a minimum of 60) are considered electives. Any course that has already been counted toward (1) the general education requirements, or (2) the major, cannot be used as an elective. Any course with a designation of "CSU" at the end of a course description can be used as an elective for a CSU transfer and a "UC" designation for a UC school.

Grade Point Average Requirement: An overall grade point average of 2.0 ("C" average) is required.

Double Counting: While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.

Residency: Minimum of 12 units completed at AVC with a minimum of 9 of those units completed from the certificate/major. (credit earned by examination will not be included in these 12 units) Title 5, Section 54000: <http://ccr.oal.ca.gov>.

Requirements for Two or More Associate Degrees: To be eligible for multiple associate degrees, a student must have completed all of the graduation requirements for each degree.

Transfer: Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center or the Counseling Center and consult with a counselor as soon as possible to develop a plan of studies. Additional preparation for the major information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org

The "Catalog Rights Policy" sets forth the criteria used for determining the degree requirements under which students may graduate. Please refer to the AVC Catalog for a detailed description or consult with a counselor.
