Diagnostic Assessment (TEAS®) All students are required to take the ATI TEAS and achieve a minimum score of 62 percent. Students who have completed enrollment packets on file are scheduled to take the ATI TEAS at AVC during the fall and spring semesters. Students may also take the test at any other testing site and pay to have the results sent electronically to the Nursing Department at AVC. Complete enrollment packets and successful ATI TEAS results must be on file by March 1 to be considered for fall admission and September 1 to be considered for spring admission.

*Diagnostic Assessment: 3 hours & 30 minutes. Content: English Usage, Reading, Mathematics, Anatomy, Physiology, Microbiology.

*Students who do not pass the test the first time must complete the remediation plan and retest within one year of the first test date.

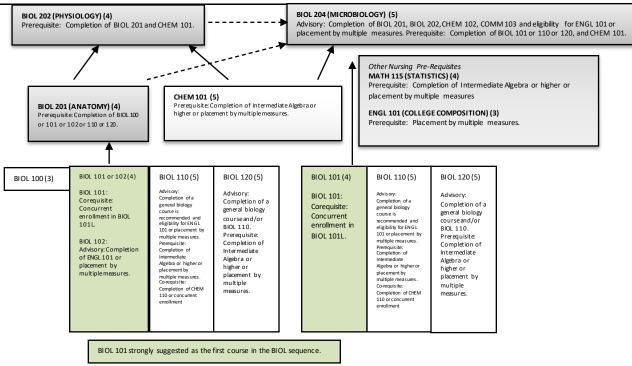

*A study manual for the TEAS® is available from Assessment Technologies Institute, LLC (www.atitesting.com), or the Marauder Bookstore.

Multiple Screening Criteria:

• Previous academic degrees. • GPA in relevant science courses. • GPA in remaining prerequisite courses (ENGL 101 & MATH 115 or equivalent courses).

• Life experiences and special circumstance. • Proficiency or advanced coursework in languages other than English. • Results on the assessment test (Test for Essential Academic Skills, TEAS®). • Students not accepted will remain on a waiting list for the next enrollment period.

Licensure: The Associate Degree Nursing program prepares graduates and program completers for the National Council Licensure Examination for Registered Nurses. This exam is required by the California Board of Registered Nursing and the boards of nursing of other states and U.S. territories for licensure as a registered nurse.

A duisance A condition of annaliment that a student is advised but not	Flastives. The remaining number of units (up to a minimum of 60) are considered			
Advisory: A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program. Prerequisite : A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass). Corequisite : A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated corequisite.	Electives: The remaining number of units (up to a minimum of 60) are considered electives. Any course that has already been counted toward (1) the general education requirements, or (2) the major, cannot be used as an elective. Any course with a designation of "CSU" at the end of a course description can be used as an elective for a CSU transfer and a "UC" designation for a UC school.			
	Grade Point Average Requirement: An overall grade point average of 2.0 ("C" average) is required.			
	Double Counting: While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.			
	Residency: Minimum of 12 units completed at AVC with a minimum of 9 of those units completed from the certificate/major. (credit earned by examination will not			
The " Catalog Rights Policy " sets forth the criteria used for determining the degree requirements under which students may graduate. Please refer to the AVC Catalog for a detailed description or consult with a counselor.	be included in these 12 units) Title 5, Section 54000: http://ccr.oal.ca.gov. Requirements for Two or More Associate Degrees: To be eligible for multiple associate degrees, a student must have completed all of the graduation requirements for each degree.			
Consult AVC catalog for Selection Procedures for Generic Applicants. Admission Criteria & Combination of Grades on next page	Transfer: Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center or the Counseling Center and consult with a counselor as soon as possible to develop a plan of studies. Additional preparation for the major information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org			

For the Point Assignment and Enrollment Process into the ASN Program, visit the RN website:

https://www.avc.edu/academics/rn

The chart below indicates the combination of grades that will not meet the minimum G.P.A. requirements						The chart below indicates the combination of grades that <u>will</u> not meet the minimum G.P.A.

Enrollment Procedure:

1. Please contact the Health & Safety Sciences Division Office (Nursing Department) UH 198, first floor, Uhazy Hall Building or at (661) 722-6402 to obtain an enrollment packet, including the "Verification of Prerequisites" form.

2. Submit an Educational Plan obtained at AVC's Counseling Center. You will need one set of official transcripts from every institution, other than AVC, for the counselor's evaluation. If your prior education comes from a foreign country, you will need to have those foreign transcripts evaluated by one of the international an Educational Plan. A course description will also be required. Request a list of International Evaluation services at the Counseling Center. (661) 722-6338.

3. Submit one set of official high school transcripts (or GED results) and college transcripts to the Health and Safety Sciences Division (Nursing Department) office with the program enrollment form. (Transcripts/GED/AP results must be received in sealed, unopened envelopes.) It is the student's responsibility to contact the high school and college(s) attended for official transcripts. The student should contact educational institutions early in the enrollment process. If the student has earned an Associates Degree or higher, then evidence of a high school diploma or equivalent is not necessary as long as the granted degree is posted in an official transcript as part of the enrollment packet.

Submit one extra set of official transcripts from every institution attended (including AVC) with the completed enrollment packet to the Health & Safety Sciences Division (Nursing Department) office (UH 198, first floor, Uhazy Hall Building).

5. Transfer students must submit a letter from their previous nursing program director indicating that they are eligible to return to their former program. 6. Consult with the Health & Safety Sciences Division (Nursing Department) office

in regards to the selection procedure and the appropriate time for the physical examination, drug screening, and background check.

7. Completed enrollment packets and satisfactory TEAS® results must be on file in the Health & Safety Science Division (Nursing Department) by March 1 for evaluation services that AVC recognizes before a counselor from AVC can complete consideration for fall admission, and by September 1 for consideration for spring admission." More information on the next page

Updated RN Program 411:

Deadlines for the Traditional RN program are March 1st for Fall Start ranking and September 1st for Spring Start ranking. A link to the application is now available. It must be printed and turned into UH 198 in person or by mail with packet requirements:

https://www.avc.edu/sites/default/files/RN%20APPLICATION%20UPDATED%20 AUG%2020%20(2).pdf

Applications can be submitted with or without the ATI TEAS score. Students will be invited to take ATI TEAS at AVC once application has been submitted but we encourage students to set up an appointment to take ATI TEAS @ www.atitesting.com as scores must be in by the deadline to be considered for upcoming ranking.

LVN - RN'S:

Will now be ranked by a point system and they must have their applications in by February 15th 2022 to be considered for the Summer Start ranking
