Proficiency Requirements

Proficiency requirements exist for the areas of
Reading, Writing and Math. Students must
demonstrate competency in each of these areas
in order to be eligible for the associate degree.

A. READING

Eligibility for College Level Reading (AVC
assessment) or completion of READ 099
with a minimum grade of "P" (Pass), or
completion of an Associate Degree or higher
from a regionally accredited institution of
higher education.

B. WRITING

Completion of ENGL 101 or ENGL 101SL
with a minimum grade of "C." NOTE:
ENGL 101 may be taken with the Pass/
No Pass option; however, students are
cautioned that other colleges and universities
may not accept ENGL 101 courses taken on
a Pass/No Pass basis, especially for
satisfaction of general education and major
requirements. Students planning to transfer
should check college catalogs for applicable
policies.

C. MATHEMATICS

Completion of MATH 102 or higher or CIS
121 with a satisfactory grade or placement by
AVC assessment into a math course higher
than MATH 102.

Electives

The remaining number of units (up to a
minimum of 60) are considered electives. Any
course that has already been counted toward (1)

the general education requirements, or (2) the
major, cannot be used as an elective.
Any course with a designation of "AVC" at the
end of a course description can be used as an
elective.

Grade Point Average Requirement

An overall grade point average of 2.0
("C" average) is required.

Double Counting: While a course might
satisfy more than one general education
requirement, it may not be counted more than
once for these purposes. A course may be
used to satisfy both a general education
requirement and a major or area of emphasis
requirement.

Residence Requirement

Of the required 60 units, "at least 12 semester
units must be completed in residence at the
college granting the degree." Title 5, Section
54000 et seq. Title 5 of the California Code
of Regulations is available at
<http://ccr.oal.ca.gov> and in the Antelope
Valley College Library.

Requirements for Two or More Associate Degrees

To be eligible for multiple associate
degrees, a student must have completed
all of the graduation requirements for
each degree.

Transfer

Students planning to continue studies at a
four-year college or university after AVC
should visit the Transfer Resource Center and
consult with a counselor as soon as possible
to develop a plan of studies. Additional
information on official transfer articulation
agreements from AVC to many CSU/UC
campuses can be found at the following Web
site: www.assist.org

Transferability of courses to the CSU or UC
systems is indicated at the end of a course
description by the notation
"(UC, CSU)." For the transferability of
courses to all other universities, please
consult with a counselor or the Transfer
Resource Center.

The "Catalog Rights Policy" sets forth the
criteria used for determining the degree
requirements under which students may
graduate. Please refer to the AVC Catalog for
a detailed description or consult with a
counselor.

For an educational plan, please consult with a
counselor. To obtain counseling services
please call: (661) 722-6338

Prerequisite Completion

If a course is listed as a prerequisite
for another course, that prerequisite
course must be completed with a
satisfactory grade in order to enroll
in the next course. According to
Title 5, Section 55200(d), a
satisfactory grade is a grade of "A,"
"B," "C" or "P". Students who
enroll in classes for which they do
not meet the prerequisites will be
involuntarily dropped. Students will
be notified of this involuntary drop.
