

**COUNSELING CENTER ADVISING
AA - Degree Programs (6)**

- For the Certificate programs, see Digital Media Certificates
- Every course in the major requires a minimum grade of “C”
- Maximum of 12 pass/no-pass units accepted
- Minimum of 12 units must be completed at AVC for the degree (credit earned by examination will not be included in these 12 units)
- Substitutions, with prior permission, may be made for certain courses that may not be offered in the two-year period
- Refer to catalog or online website for course listings, descriptions, and suggested course sequence if available

Proficiency Requirements

Proficiency requirements exist for the areas of
Reading, Writing and Math. Students must
demonstrate competency in each of these areas in
order to be eligible for the associate degree.

A. READING

Eligibility for College Level Reading (AVC
assessment) or completion of READ 099 with a
minimum grade of "P" (Pass), or completion of
an Associate Degree or higher from a regionally
accredited institution of higher education.

B. WRITING

Completion of ENGL 101 with a minimum
grade of "C." NOTE: ENGL 101 may be
taken with the Pass/No Pass option; however,
students are cautioned that other colleges and
universities may not accept ENGL 101
courses taken on a Pass/No Pass basis,
especially for satisfaction of general
education and major requirements. Students
planning to transfer should check college
catalogs for applicable policies.

C. MATHEMATICS

Completion of MATH 102 or higher or CIS 121
with a satisfactory grade or placement by AVC
assessment into a math course higher than
MATH 102.

Electives

The remaining number of units (up to a minimum
of 60) are considered electives. Any course that has
already been counted toward (1) the general
education requirements, or (2) the major, cannot be
used as an elective.

Any course with a designation of "AVC" at the end
of a course description can be used as an elective.

Grade Point Average Requirement

An overall grade point average of 2.0
("C" average) is required.

Double Counting: While a course might satisfy
more than one general education requirement, it
may not be counted more than once for these
purposes. A course may be used to satisfy both a
general education requirement and a major or area
of emphasis requirement.

Residence Requirement

Of the required 60 units, "at least 12 semester units
must be completed in residence at the college
granting the degree." Title 5, Section 54000 et seq.
Title 5 of the California Code of Regulations is
available at <http://ccr.oal.ca.gov> and in the
Antelope Valley College Library.

Requirements for Two or More Associate

Degrees. To be eligible for multiple associate
degrees, a student must have completed all of the
graduation requirements for each degree.

Transfer. Students planning to continue studies at
a four-year college or university after AVC should
visit the Transfer Resource Center and consult with
a counselor as soon as possible to develop a plan of
studies. Additional information on official transfer
articulation agreements from AVC to many
CSU/UC campuses can be found at the following
Web site: www.assist.org

Transferability of courses to the CSU or UC
systems is indicated at the end of a course
description by the notation "(UC, CSU)." For the
transferability of courses to all other universities,
please consult with a counselor or the Transfer
Resource Center.

The "Catalog Rights Policy" sets forth the criteria
used for determining the degree requirements under
which students may graduate. Please refer to the
AVC Catalog for a detailed description or consult
with a counselor.

For an educational plan, please consult with a
counselor. To obtain counseling services please
call: (661) 722-6300 ext. 6338

Antelope Valley College's website: www.avc.edu

To contact the Arts & Humanities Division, please
call: 661-722-6300 ext.6385.

Prerequisite Completion

If a course is listed as a prerequisite for
another course, that prerequisite course must
be completed with a satisfactory grade in
order to enroll in the next course. According
to Title 5, Section 55200(d), a satisfactory
grade is a grade of "A," "B," "C" or "P".
Students who enroll in classes for which they
do not meet the prerequisites will be
involuntarily dropped. Students will be
notified of this involuntary drop.

Advisory:
A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Prerequisite:
A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).

Corequisite:
A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated requisite.
