Proficiency Requirements

Proficiency requirements exist for the areas of
Reading, Writing and Math. Students must
demonstrate competency in each of these areas in
order to be eligible for the associate degree.

A. READING

Eligibility for College Level Reading (AVC
assessment) or completion of READ 099 with a
minimum grade of "P" (Pass), or completion of
an Associate Degree or higher from a regionally
accredited institution of higher education.

B. WRITING

Completion of ENGL 101 or ENGL 101SL
with a minimum grade of "C." NOTE:
ENGL 101 may be taken with the Pass/
No Pass option; however, students are
cautioned that other colleges and universities
may not accept ENGL 101 courses taken on
a Pass/No Pass basis, especially for
satisfaction of general education and major
requirements. Students planning to transfer
should check college catalogs for applicable
policies.

C. MATHEMATICS

Completion of MATH 102 or higher or CIS
121 with a satisfactory grade or placement by

AVC assessment into a math course higher than
MATH 102.

Electives

The remaining number of units (up to a
minimum of 60) are considered electives. Any
course that has already been counted toward (1)
the general education requirements, or (2) the
major, cannot be used as an elective. Any
course with a designation of "AVC" at the end
of a course description can be used as an
elective.

Grade Point Average Requirement

An overall grade point average of 2.0 ("C"
average) is required.

Residence Requirement

Of the required 60 units, "at least 12 semester
units must be completed in residence at the
college granting the degree." Title 5, Section
54000 et seq. Title 5 of the California Code of
Regulations is available at <http://ccr.oal.ca.gov>
and in the Antelope Valley College Library.

Requirements for Two or

More Associate Degrees

To be eligible for multiple associate
degrees, a student must have completed
all of the graduation requirements for
each degree.

Requirements for Two or

More Certificates

To earn more than one certificate, a course
can be used as part of as many certificate
requirements as the student wishes to obtain.

Transfer

Students planning to continue
studies at a four-year college or university after
AVC should visit the Transfer Resource Center
and consult with a counselor as soon as possible
to develop a plan of studies. Additional
information on official transfer articulation
agreements from AVC to many CSU/UC
campuses can be found at the following Web
site: www.assist.org

Students planning to transfer to a four-year
institution are strongly advised to follow the
Business Administration degree.

Transferability of courses to the CSU or UC
systems is indicated at the end of a course
description by the notation

"(UC, CSU)." For the transferability of courses
to all other universities, please consult with a
counselor or the Transfer Resource Center.

The "Catalog Rights Policy" sets forth the
criteria used for determining the degree
requirements under which students may
graduate. Please refer to the AVC Catalog for a
detailed description or consult with a counselor.

For an educational plan, please consult with a
counselor. To obtain counseling services please
call: (661) 722-6300 ext. 6338

Prerequisite Completion

If a course is listed as a prerequisite for
another course, that prerequisite course
must be completed with a satisfactory grade
in order to enroll in the next course.

According to Title 5, Section 55200(d), a
satisfactory grade is a grade of "A," "B,"
"C" or "P". Students who enroll in classes
for which they do not meet the prerequisites
will be involuntarily dropped. Students will
be notified of this involuntary drop.
