

## **EOP&S/CARE**

### **Program Learning Outcome and Student Learning Outcomes**

The EOP&S/CARE Program and Student Learning Outcomes align with and support the Mission, Vision and Institutional Learning Outcomes (ILOs) of the Antelope Valley College. They were designed to strategically focus the services and resources of the program toward specific and measurable objectives that promote student success.

#### **EOP&S/CARE Program Learning Outcome**

Students will be able to access and utilize available educational support services that will increase their knowledge, awareness and skills in order to persist and succeed toward achieving their established academic and career goals.

#### **EOP&S/CARE Student Learning Outcomes**

- Students will identify appropriate educational and career goals (ILO 2).
- Each student will demonstrate knowledge of AVC'S General education curriculum to develop an education plan and support their goals toward degree, certificate and/or transfer requirements (ILO 3).
- Students will make decisions about their academic and career goals based upon their personal assessment information as well as academic success in their chosen major (ILO 4).
