President's Welcome

2021-2022

From its humble beginnings in a classroom at Antelope Valley Joint Union High School in 1929 with an enrollment of 20 students, Antelope Valley College has grown to a campus of 135 acres; has a large academic center in Palmdale; aeronautic programs at Fox Field; an early college program in partnership with the high school district at SOAR High School located on the main campus; services and classes at Rosamond High School; and classes for incarcerated students. Our annual unduplicated enrollment is greater than 18,000 students. As we celebrate our 92nd anniversary, over the breadth of its history, the college has gained a national reputation for its service to the community and industry. Today, the college offers transfer degree programs, associate degree and certificate programs, training opportunities for career enhancement, basic skills instruction and lifelong learning opportunities.

The contemporary curriculum offerings of the college prepare students for transfer to prestigious four-year colleges and universities in the University of California system, the California State University system, and outstanding private institutions such as the University of Southern California, Brigham Young University, universities in the Ivy League, and Stanford University. For example, the University of California, Los Angeles (UCLA) accepts large numbers of the Antelope Valley College Honors Program students enrolled in the Transfer Alliance Program (TAP). Additionally we have articulated transfer engineering programs with CSU, Long Beach located in Lancaster and on the main campus, and strong articulated transfer programs with CSU, Bakersfield located directly on the main campus.

The college was selected as one of just 15 of the 116 community colleges in the state to begin offering a baccalaureate degree. Our program, Airframe Manufacturing Technology, began accepting students in the fall of 2016, and conferred the baccalaureate degree to its first class at commencement 2019. Additionally, the college was chosen as one of 24 in the state to offer a 2 + 2 + 3 law school articulation with six highly recognized universities and law schools, graduating our first class in 2016. Further, throughout its history, the college has maintained strong partnerships with business and industry in the Antelope Valley, developing programs of study to ensure entry into professional careers in fields such as public safety, health sciences, aviation, business, and engineering. These strong ties to local industry also ensure workplace opportunities for our graduates in the technical trades, among them, aviation, automotive, manufacturing and fabrication, electronics and welding. In meeting an immediate industry need, the college created a highly compressed, 8-week intensive certificate program leading to immediate employment in the aerospace industry.

Antelope Valley College is a very special place that prides itself on the professionalism and expertise of its administration, faculty and staff. Every employee of the college is dedicated to your success as a student at the college, and as a citizen in your community. I have every confidence you will find your time at Antelope Valley College to be well-spent and enriching.

On behalf of the Board of Trustees of Antelope Valley College, and the entire college community: Welcome. Thank you for choosing to share your collegiate experience with us. We stand ready to support your personal journey to achieving your goals.

Ed Knudson
Superintendent/President

On behalf of the Outreach Department, welcome to the Antelope Valley College. This year's Student Success Kickoff is centered around the theme of Envisioning The Future, your future. I want you to know that no matter who you are or where you want to go in life, AVC has a place for you!

In the coming years, you will be challenged to grow and change in ways you may not yet know are possible. The core of who you are has already been shaped by your family, friends and your high school experiences. Always know that you have what it takes to succeed; after all, you've made it this far!

I congratulate you on the efforts and the victories you have accomplished up to this point. Your determination and dedication will continue to propel you forward as you learn to take in new information on academic topics you wish to perfect. This journey will not be easy to complete. There will be setbacks and unexpected roadblocks that tempt you away from your academic and career goals. Be prepared for these challenges by developing your grit and adaptability, finding allies, supporters of your goals and taking full advantage of all that AVC has to offer.

My hope for each of our incoming students is that you seize the moment over these next few years to squeeze every bit of opportunity this College has to offer and that you learn to transform these opportunities into stepping stones of prosperity, accomplishment, and success.

I wish you well on your journey.

Go, Marauders!

Sincerely,

Kenya Johnson MS, PPS
Director of Student Activities & Community Outreach

Congratulations on your graduation and welcome to Antelope Valley College! We are thrilled that you have chosen us to continue your education and that you have entrusted us with your future.

As a new college student, you are sure to have a lot of questions. The First Year Experience program is specifically designed to help you uncover answers to those questions and to connect you to programs, services, resources and activities to help you make the most of your college experience.

With the support of our program specialists, peer mentors, dedicated counselor and enthusiastic FYE team, you are well on your way to broadening your experience as a successful well-rounded lifelong learner. Today is just the beginning! New Relationships! New Adventures! New Opportunities! A Bright and Prosperous Future!

We look forward to meeting you today and to being of service to you throughout your first year and beyond!

Sincerely,

Michelle Hernandez, BA, MSA
Director, First Year Experience

Antelope Valley College

Start your career in aerospace today.

Aeronautical & Aviation Technology (AERO):

General aircraft maintenance, aircraft airframe and aircraft powerplant—designed for those seeking to take exams for an airframe and powerplant license. If you are detail-oriented and understand that the safety of others depends on the quality of your work, then you may be suited for an exciting career as a technician! This program is a pathway to the bachelor's degree.

Aircraft Fabrication and Assembly (AFAB):

Learn aerodynamics, use of basic hand and power tools, safe work practices, industry standards, blueprint interpretation, aircraft fabrication techniques and use of composite materials. You will also learn ethical responsibilities of aircraft technicians and aircraft production organization. This program is a pathway to the bachelor's degree.

Airframe Manufacturing Technology (AFMT) Bachelor's Degree:

A one-of-a-kind program specifically designed to meet aerospace industry needs for individuals who serve as first-line leads in the major processes of aircraft manufacturing, with a focus on the manufacturing and industrial engineering. The program's curriculum addresses airframe manufacturing, aircraft fabrication (structures and composites), and electronics.

Assessment and Placement

Know your rights to access transfer-level English and math course work!

We use your self-reported high school performance to place you into transfer-level English and math courses. Your placements may also include recommendations to access support while you are enrolled in transfer-level courses.

Research shows that your high school GPA is one of the strongest predictors of future performance in college course work.

For New, Continuing or Returning Students

If you either completed the 11th grade or graduated from a United States high school within the past 10 years, we can now use your high school performance to qualify you for transfer-level English and math courses.

English and Math Course Placement Using High School Information

If you are a new student, login to your myAVC account to complete the online orientation. Your placements will automatically occur once submitted. Refer to your application confirmation e-mail with instructions about how to access your myAVC. Follow these steps to view your course placements after completing the online orientation:

1. Login to myAVC
2. Select the "Student Success" tab
3. Review your placement options under "Matriculation"

What If You Completed Orientation But Did Not Receive Course Placements?

- You will need to see a counselor if you graduated high school more than 10 years ago, if you attended high school internationally, or have not completed the 11th grade.
- If your college application had incomplete or incorrect answers to the high school performance questions and you are still within 10 years of high school, you may complete the Guided Self-Placements for English and Math. To do this, visit: <https://www.avc.edu/student-services/assess>, scroll to the bottom of the page and complete the Guided Self-Placements online. Once completed, you will receive an e-mail confirmation message with your course placement. During regular hours of operation, you can expect us to process your results within 24 hours.

Need Help?

Give us a call or come to the Assessment Center during our office hours and receive hands-on assistance. We have computers that you may use to complete the Orientation and/or Guided Self-Placements for English and Math.

For Students Where High School Performance Does Not Apply

- Graduated high school more than 10 years ago
- Did not graduate from a United States high school
- Special Admit Student
- Received a GED
- Left high school before completing 11th grade

If one of these apply, ***please see a counselor for further guidance.***

If you have any questions about your course placements, please see a counselor. Express Counseling is available as a walk-in service during regular hours of operation in the Student Services Building at the Lancaster campus and Palmdale Center. You may also reach Counseling by phone at **(661) 722-6300, ext. 6338**, or go online to <https://www.avc.edu/onlinecounseling> to chat with a counselor, if available.

Apply for FAFSA or CA Dream Act October 1, 2021–June 30, 2022
PRIORITY DEADLINE IS MARCH 2, 2022.

FAFSA: studentaid.gov

CA Dream Act: www.caldreamact.org

AVC Financial Aid Office: www.avc.edu/studentservices/finaid

How to create an FSA ID

The FSA ID—a username and password—has replaced the Federal Student Aid PIN and must be used to log in to certain U.S. Department of Education websites. Your FSA ID confirms your identity when you access your financial aid information and electronically sign Federal Student Aid documents. If you do not already have an FSA ID, you can create one when logging in to fafsa.gov, the National Student Loan Data System (NSLDS®) at <https://nslds.ed.gov>, <https://StudentLoans.gov>, and StudentAid.gov.

Tip: Important: Only the owner of the FSA ID should create and use the account. Never share your FSA ID.

Step 1

When logging in to one of the websites listed above, click the link to create an FSA ID.

Step 2

Create a username and password, and enter your e-mail address.

Step 3

Enter your name, date of birth, Social Security number, contact information, and challenge questions and answers.

Step 4

If you have a Federal Student Aid PIN, you will be able to enter it and link it to your FSA ID. You can still create an FSA ID if you have forgotten or do not have a PIN.

Step 5

Review your information, and read and accept the terms and conditions.

Step 6

Confirm your e-mail address using the secure code, which will be sent to the e-mail address you entered when you created your FSA ID. Once you verify your e-mail address, you can use it instead of your username to log in to the websites.

You can use your FSA ID to sign a FAFSA right away. Once the Social Security Administration verifies your information in one to three days, or if you have linked your PIN to your FSA ID, you will be able to use your FSA ID to access the websites listed above. For help, visit StudentAid.gov/fsaid.

SIMPLE STEPS TO TRANSFER TAX INFORMATION INTO YOUR FAFSA® FORM

The IRS Data Retrieval Tool (IRS DRT) Electronically Transfers Your Federal Tax Return Information Into Your FAFSA® Form

WHY

EASY Transfer info with the click of a button.

FAST Instantly retrieve your information.

ACCURATE Correctly fill in your information.

HOW

1 Log in to your current FAFSA® form or start a new application at fafsa.gov.

2 In the finances section of the online form, you will see a "Link to IRS" button if you are eligible to use the IRS DRT.

3 Click the "Link to IRS" button and log in with your FSA ID to be transferred to the IRS to retrieve your info.

4 Once at the IRS site, enter your information **exactly** as it appears on your federal income tax return and click the "Submit" button.

5 Check the "Transfer My Tax Information into the FAFSA® form" box, and click the "Transfer Now" button.*

6 You will know that your federal tax return information has been successfully transferred because the words "Transferred from the IRS" will display in place of the IRS information in your FAFSA® form.

*For your protection, your tax information will not be displayed on either the IRS site or fafsa.gov.

The IRS DRT can be used by both students and parents.

**CREDITS A SEMESTER
TO GRADUATE ON TIME**

#15TOFINISH

Want to graduate on time? Save money? Get better grades? Then you're going to love 15.

That's the number of credits you need to take each semester to graduate on time. Sure, you can take less and still receive some scholarships and funding. But unless you take 15 credits a semester (or 30 a year), you're looking at an extra year or more in order to graduate.

15

IS A CASH MACHINE

Extra years of college can cost you thousands, both in what you pay and what you lose from not having a job. So, taking 15 credits a semester (or 30 a year) saves you money and lets you make more. Cha-ching!

15

IS BRAIN FOOD

Students who take 15 credits a semester (or 30 a year) tend to get higher GPAs. So when it comes to getting better grades, taking 15 is sort of a no-brainer.

15

IS YOUR TICKET TO GRADUATION

Taking 15 credits a semester (or 30 a year) dramatically increases your chances of reaching graduation. And hey, isn't that sort of what this is all about?

**WHAT'S YOUR

TRYING TO GO TO COLLEGE? LIVING ON YOUR OWN WITHOUT STABLE HOUSING?

Do you live in any of the following situations apart from your parents and with no financial support from them?

- ☒ In a shelter, motel, vehicle, or campground?
- ☒ On the street, in an abandoned building, or in another inadequate accommodation?
- ☒ Doubled-up temporarily with other people because you have nowhere else to live?
- ☒ Supporting yourself, but at risk of losing housing?

If so, you may qualify as an independent student on the Free Application for Federal Student Aid (FAFSA) or the CA Dream Act Application when applying for federal financial aid for college. Speak with any of the following persons to discuss your eligibility:

- ☒ The Local Homeless Education Liaison in your school district (graduating high school seniors)
- ☒ The director of a HUD-funded or Runaway and Homeless Youth Act-funded shelter where you have stayed or received services
- ☒ The college financial aid administrator of the college you attend or where you are applying

SELECTING COURSES

You are responsible for selecting courses and when to schedule your classes. It is important to consider the following when selecting courses and managing your schedule.

1. UNDERSTAND THE COLLEGE CATALOG

While meeting with a counselor is critical to your success at AVC, take the responsibility to manage your own planning and purchase a college catalog, which is at the bookstore at a low cost. The catalog is your contract with the college—it clearly spells out the requirements for degrees, certificates, majors, transfer, graduation, etc. Keep your catalog and understand it. The catalog can also be accessed online at <https://www.avc.edu/information/catalog>.

2. SELECT COURSES BASED UPON STUDENT EDUCATIONAL PLAN

Before registering for classes, use the Recommended Program Sequence Sheet for your chosen major to determine the first semester classes that you should register for. These can be found on the College website at: <https://www.avc.edu/studentservices/counseling>, or by visiting Express Counseling and speaking with a Counselor. After you are registered for classes, you can schedule a Counseling appointment to create a Student Educational Plan. Your Educational Plan is the map to your academic goal. Taking courses not on your plan will lead to extra time and money spent!

3. CHOOSE A COMFORTABLE COURSE LOAD

For each unit your class carries, expect to spend two hours of study time outside of the classroom. This is the “TWO FOR ONE” rule. For example, if you enroll in 12 units, you should expect to spend 24 hours of study out of class each week. That is a commitment of 36 hours per week. Consider employment, family commitments, and leisure time when planning your schedule. Plan carefully to allow for all scheduled activities, including study time.

4. BALANCE DIFFICULT CLASSES WITH EASIER ONES

If you are going to enroll in a class that you know will require extra time or work, select a course that would be less stressful and balance your study load.

5. SHOP AROUND FOR YOUR INSTRUCTORS

When selecting courses you may want to select faculty whose teaching style matches your learning style. Do your research and contact instructors who will be teaching the course that you are considering so that you will be well prepared for what is expected of you.

6. THINK CAREFULLY WHEN CHOOSING AN ONLINE CLASS

Many students love the flexibility of online learning, but many need face-to-face instruction. Do you have the self discipline and technical ability to succeed in an online class?

7. USE ALL THE RESOURCES YOU HAVE TO BE SUCCESSFUL

Manage your time well, create a study plan, and keep your educational plan current. Get help from your family and friends to free up time to study. See your instructor during office hours. Get a tutor and/or join a study group. Take advantage of the many resources on campus such as the Library and Learning Center.

TIME MANAGEMENT

Who's the boss?

Who is in control of your life?

Who decides how you spend your time?

Who decides what is important for you?

YOU ARE THE BOSS BECAUSE

YOU are in control;

YOU make wise decisions about
how you manage your time;

YOU decide what is important in your life

..... Don't you?

If not, isn't it about *time* that you did?

FIRST DECIDE WHAT IS IMPORTANT:

- Should be positive
- Should be realistic
- Should be achievable
- Should be worth what it will take
- Should include a time frame
- Should be open to change

ORGANIZE YOUR LIFE FOR SUCCESS!

- Organize a place to study
- Organize each course
- Organize your employment
- Organize your family responsibilities

UNDERSTAND THE "TWO FOR ONE" RULE

AVC courses are written to include two hours of study or preparation outside of class for every hour inside a lecture class (lab classes are different). So, if you are enrolled in 12 units of lecture class, then you should plan for 24 hours of study or preparation outside of class. Have you?

CREATE A STUDY PLAN

A semester plan

A weekly plan

Use "spare" time well

Rethink and ask for help if necessary

USE TIME WISELY

Prioritize!

Write it down!

Do two things at once

SELF MONITOR

Be honest with yourself

Be critical of yourself

Be wary of distractions

For assistance creating study plans and organizing your schedule,
take the time to attend a Time Management workshop
or make an appointment with a faculty learning specialist in the
Academic Skills Center, AVC Learning Center.

Time Management

Suggested Guidelines

Time management is an important tool that students should use to help them be successful in obtaining their educational goals. The following information is a guide for students that need help with time management.

9 units

12 units

14 - 16 units

Below are other suggested guidelines to help you:

Athletic Eligibility

Take at least 12 units

Veterans Benefits

Take at least

Full-time pay

12 units

Three-fourths pay

9 units

One-half pay

6 units

Full-Time Student Status

Take at least 12 units

6 TIPS for Students Starting College

1 Attend class

If you don't go to class, you won't develop skills needed for future success.

2 Participate in events

Meet new people
Enhance your resume
Establish New connections

3 Take Risks

Go Outside your comfort Zone!
Learn New Stuff

4 Get out of your comfort zone

Explore other fields of study
Get involved in extra curricular activities

5 Learn to say NO

Remember! Saying yes to everything can cause you to neglect your academic responsibilities

6 Ask for Help!

Ask for help when you need it! Important!

Proficiency Requirements

Proficiency requirements exist for the areas of Writing and Math. Students must demonstrate competency in each of these areas in order to be eligible for the associate degree.

A. WRITING

Completion of ENGL 101 with a minimum grade of “C.” NOTE: ENGL 101 may be taken with the Pass/No Pass option; however, students are cautioned that other colleges and universities may not accept ENGL 101 courses taken on a Pass/No Pass basis, especially for satisfaction of general education and major requirements. Students planning to transfer should check college catalogs for applicable policies.

B. MATHEMATICS

Completion of MATH 102 or higher or CIS 121 with a satisfactory grade or placement by AVC assessment into a math course higher than MATH 102.

***Fulfilling proficiencies** will not require any extra units if the competencies are demonstrated by including the required courses in the general education, or major requirements, or by satisfying the reading proficiency through AVC's

Electives:

The remainder number of units (up to a minimum of 60) are considered electives. Any course that has already been counted towards (1) the general education requirements or (2) the major, cannot be used as an elective. Any course with a designation of "AVC" at the end of a course description can be used as an elective.

Grade Point Average Requirement

An overall grade point average of 2.0 (“C” average) is required.

Double Counting: While a course might satisfy more than one general education requirement, it may not be counted more than once for these purposes. A course may be used to satisfy both a general education requirement and a major or area of emphasis requirement.

• **Residency:** Minimum of 12 units completed at AVC with a minimum of 9 of those units completed from the certificate/major. (credit earned by examination will not be included in these 12 units) Title 5, Section 54000: <http://ccr.oal.ca.gov>

Requirements for Two or More Associate Degrees: To be eligible for multiple associate degrees, a student must have completed all of the graduation requirements for each degree.

Transfer

Transfer: Students planning to continue studies at a four-year college or university after AVC should visit the Transfer Resource Center or the Counseling Center and consult with a counselor as soon as possible to develop a plan of studies. Additional preparation for the major information on official transfer articulation agreements from AVC to many CSU/UC campuses can be found at the following Web site: www.assist.org

The “**Catalog Rights Policy**” sets forth the criteria used for determining the degree requirements under which students may graduate. Please refer to the AVC Catalog for a detailed description or consult with a counselor.

Advisory: A condition of enrollment that a student is advised, but not required, to meet before or in conjunction with enrollment in a course or educational program.

Prerequisite: A condition of enrollment that a student is required to meet in order to demonstrate current readiness for enrollment in a course or educational program. Prerequisites are enforced and a student will be blocked from enrolling or involuntarily dropped after enrolling if the student does not meet the stated prerequisite. A student must complete a course prerequisite with a satisfactory grade of A, B, C or P (pass).

Corequisite: A condition of enrollment consisting of a course that a student is required to simultaneously take in order to enroll in another course. Corequisites are enforced and a student will be blocked from enrolling if the student does not meet the stated corequisite.

**California State University System General Education (CSU GE) Requirements

Student Number _____

Completion of all the California State University (CSU) System General Education Requirements will permit a student to transfer from Antelope Valley College (AVC) to a campus in the CSU System without the need, after transfer, to take additional lower-division general education courses. After transfer, students will be required to complete nine upper-division general education units to reach a combined total of the 48 general education units required in partial fulfillment for a degree from the CSU System. AVC will certify general education, including appropriate courses taken at other regionally accredited institutions, for students who meet the 12-unit residency requirement at AVC. No class may be used to satisfy requirements in more than one of the six general areas. Courses used to satisfy the American Institutions requirements may also apply to Area D.

ARE YOU CSU TRANSFER BOUND?

NEW Ethnic Studies Requirement for CSU Transfer Students

Starting **Fall 2021**, all new Antelope Valley College students who plan to transfer to a CSU campus will be required to complete an **Ethnic Studies** course from **CSUGE Area F** for full certification. This includes students completing an Associate Degree for Transfer using the CSUGE pattern.

What does this mean?

CSU General Education (CSUGE) requires 39 units to be completed. The distribution of these units has changed.

CSUGE	Prior to Fall 2021	Starting Fall 2021
Area D Social Sciences	3 courses/9 units	2 courses/6 units
Area F Ethnic Studies	none	1 course/3 units

Note: Continuing students prior to Fall 2021 are not required to meet this new requirement.

Meet with a counselor for more information.

UNIVERSITY ADVISING

Meet one-on-one with a representative from your university of interest and be up to date with their degree programs, housing, and student services

The objective of the **California Community Colleges Historically Black Colleges and Universities (HBCUs) Transfer Program** is the development of Transfer Guarantee Agreements that will facilitate a smooth transition for students from all of the California Community Colleges to partnered HBCUs! These agreements will simplify the transfer process and reduce students' need to take unnecessary courses, thereby shortening the time to degree completion with a cost savings!

***Base Requirements Include: A transfer level Associate Degree/ADT with completion of IGETC or CSU GE, 60 units, and a 2.00* GPA OR A minimum of 30 transferable semester units with a 2.00* GPA.**
***Check with each university for exact transfer requirements.**

BENEFITS

Upon certification as an Honors Transfer Program (TAP) graduate you will experience:

- Priority admission to:
 - University of California Los Angeles (UCLA)
 - University of California Irvine (UCI)
 - Whittier
 - Pomona College
 - Pitzer College
 - Occidental College
 - Chapman University
- Special recognition at graduation
- Special recognition of honors courses on your transcript
- Small seminar classes
- Close interaction with honors faculty
- Motivated peers
- Assistance of the honors counselor

While fewer than 55% of normal transfer applicants are accepted to the UC system, the vast majority of honors transfer students are accepted at universities and colleges inside the alliance.

Antelope Valley College prohibits discrimination and harassment based on race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, marital status, sex, age, or sexual orientation. Upon request, we will consider reasonable accommodations to permit individuals with protected disabilities to (a) complete the employment or admission process, (b) perform essential job functions, (c) enjoy benefits and privileges of similarly-situated individuals without disabilities, and (d) participate in instruction, programs, services, activities or events.

HONORS PROGRAM

home of scholars and champions

ABOUT THE PROGRAM

The Honors Transfer Alliance Program (TAP) offers the opportunity for priority admission to many major universities throughout the state. A seminar-like atmosphere stems from the small class size (maximum of 21), leading to lively discussions between students and professors.

Students are encouraged to work closely with faculty to pursue creative and/or independent projects. The program also stresses writing, research and critical thinking skills. The course offerings are designed to facilitate transfer to a four-year university and the program offers the services of an honors counselor to assist students in planning their courses.

ELIGIBILITY

Student entering from high school:

- 3.25 GPA (unweighted)
- Completion of A-G, with grades of "C" or better
- Completion of Algebra 2 or higher, with grade of "C" or better

Student currently attending college:

- 3.0 GPA in 12 transferable units
- Eligible for English 101 and Math 102 (AVC Self-Directed Placement)

GUIDELINES

- Maintain a 3.0 GPA (without earning under a "C" in any honors course)
- Enroll in at least one honors course/option per fall/spring semester
- Make annual appointments with the honors counselor
- Complete the requirements of any honors option contract and deadlines

PATHWAY TO LAW PROGRAM

In partnership with the State Bar of California, the Pathway to Law School initiative enhances opportunities for advancement of Antelope Valley College students of diverse populations in the legal profession, particularly those who have been underrepresented in the practice of law.

WHY LAW?

The complexities of our legal system have created hundreds of legal career options, many of which do not require a law degree. The legal professional's role is expanding and evolving to keep pace with the ever-changing legal system. The legal profession offers growth, opportunities, financial rewards, client service, intellectual challenge, prosperity, and prestige in diverse areas: criminal law; corporate law; tax law; real estate law; family law; products liability; patent law; employment law; educational law and dozens of other areas. Given the legal field's diversity, no particular major is required.

FREQUENTLY ASKED QUESTIONS

Q. Am I guaranteed a seat in the courses for my selected pathway?

A. Yes. The benefit of participating in the AVC2CSU program is that the seats are reserved for you and the courses you need to successfully complete your transferable degree in two years.

Q. What is the difference between the transferable associate degree under AVC2CSU and the transferable degree not associated with AVC2CSU?

A. There is no difference in the transferable degree.

Q. What benefits will I receive as a participant in the AVC2CSU Program?

A. As a participant in the AVC2CSU Guided Pathway Program, you will:

- Receive priority registration with the privilege of having all of your courses mapped out and reserved for you during the two years it will take to successfully complete your transferable associate degree.
 - Experience and enjoy the continuity of a dedicated Education Advisor and a Single Point of Contact Counselor who will work with you throughout your two-year educational journey at AVC.
 - Take comfort in an intervention based safety-net system designed to recalculate your pathway (much like a GPS system) to help keep you on track to graduate in two years should you fail a course or struggle in understanding course materials and require tutorial assistance.
 - Enjoy the flexibility of individual and pathway based tutoring workshops and sessions designed to complement pathway courses.
 - Receive assistance with the California State University (CSU) application process.
 - Have direct access to the AVC2CSU Guided Pathway Program Leader for mentorship, guidance and assistance.

Student Transition and Academic Retention

A Student Support Services Program for Academic Success

WHAT IS THE S.T.A.R. PROGRAM?

S.T.A.R. (Student Transition Academic Retention) is a federally funded TRiO Student Support Services Program.

The program is designed to identify promising students and provide instructional support services above and beyond what is currently being offered. S.T.A.R. program staff are available to work on an individual basis with student participants to provide academic and personal support.

WHAT DOES S.T.A.R. PROVIDE?

Academic/Career Support

- Personalized education plan
- Goal-setting and career counseling
- Progress monitoring
- Priority Registration
- Computer literacy and research assistance
- Tutoring in Math and English
- Four-year college visits
- Transfer assistance
- Computer lab

Financial Support

- Financial aid and scholarship application assistance
- Potential supplemental grant aid

Personal Support

- Personal counseling support
- Personal development workshops
- Cultural enrichment activities

WHO IS ELIGIBLE FOR S.T.A.R.?

Program eligibility is determined by Department of Education guidelines. You are eligible if you meet any of the following criteria:

- Neither of your parents graduated from college with a Bachelor's Degree
- You have a documented financial need
- You have a documented disability
- You have an academic need

In addition, to be eligible you must be a U.S. citizen or a permanent resident.

The S.T.A.R. program is funded to serve 160 students annually, who are obtaining a certificate, associate degree, and/or transferring to a four-year institution.

HOW DO I APPLY FOR S.T.A.R.?

Students interested in applying for the S.T.A.R. program must complete a program application available at the S.T.A.R. office located in the Student Services Building, SSV Room 208 or online at www.avc.edu/studentservices/star.

For more information, please call the S.T.A.R. office at (661) 722-6300, ext. 6084.

Office for Students with Disabilities

Phone: (661) 722-6360, Fax: (661) 722-6361, Email: OSD@avc.edu

Our Philosophy: The Office for Students with Disabilities encourages students to be as independent and self-reliant as possible. We work closely with each student to identify their individual needs and will only provide those support services and accommodations that directly address a student's functional limitations as a result of their disability.

How to Qualify: OSD serves students with physical, emotional and/or, cognitive disabilities who have an educational limitation resulting from their disability need to provide verification of their disability. The verification needs to be signed by a licensed professional; e.g. medical doctor, licensed social worker, therapist, nurse, etc. We also accept copies of Individualized Education Plans (IEPs) or 504 documentation. Participation is voluntary and all information is kept confidential.

Support Services and Accommodations: Support Services are based on the functional limitations resulting from the student's disability. Support services include: Sign language interpreters, real-time captioning, readers, scribes, audio recording of lectures, text books in alternative formats, Kurzweil 3000, test accommodations, accessible seating, peer note share, priority registration, accessible classroom furniture and use of the High-Tech Center. Other support services may be available if deemed appropriate, please contact OSD for more information.

Student Responsibilities: It is the student's responsibility to provide the OSD Office with written verification of their disability and the resulting educational functional limitations. The student is responsible for making their individual needs known to their instructors, as soon as possible, thereby making it possible to work out any accommodations that might be necessary. If the student experiences any difficulty in their classes, they need to notify OSD staff as soon as possible so that we have the opportunity to work with the student to resolve the issue.

Applying for Services:

- Students must first be a registered AVC student; If you have not yet applied to AVC, apply on-line at www.avc.edu
- Once students are accepted to AVC and are provided a student ID number and AVC email address, they can then apply for OSD services by:
 - Completing the on-line OSD application: <https://teton.accessiblelearning.com/avc>
 - Providing verification of disability (uploaded to the application)
 - Signed by a licensed practitioner, clinician or rehabilitation counselor
 - (Also accepted are Individual Education Plan (IEP) or 504 Plan)
- Once the completed application is reviewed, the student will be contacted to schedule an intake appointment with an OSD counselor to discuss limitations, choose accommodations, and to develop an Education and Academic Accommodation Plan.

Information, instructions, and forms are available on our OSD webpage:

<https://www.avc.edu/student-services/osd>

Veteran Network

The Veterans Resource Center is more than just a one-stop shop for all your VA education benefits. The VRC also offers a comfortable space to relax, study, get a cup of coffee, and enjoy the camaraderie of fellow veterans. Join the VRC for the bi-weekly “Meet, Relax, and Eat (MRE)” as an opportunity to meet other veterans and dependents and become connected to the AVC campus. The VRC also hosts many other campus-wide programs and events throughout the year, including Veteran’s Week, a 9/11 Remembrance, and Memorial Day activities. All students are welcome to join the Veteran’s Club to get connected to other veterans and dependents on campus!

Resources and Referrals

The Veterans Resource Center works closely with campus and community partners to provide referrals, resources, and service to military-connected students. The VRC provides referrals for housing assistance, mental health, transition and support services, and more.

Peer Mentoring

If you are new to Antelope Valley College and need help navigating college life, the VRC offers a Peer Mentor program where you can get connected with a current student veteran. Mentors provide support and resources to student veterans, with a goal of helping students transition from military service into being a successful AVC student.

Amazon Book Review:

Over two million of the nation's 11 million undocumented immigrants have lived in the United States since childhood. Due to a broken immigration system, they grow up to uncertain futures. In *Lives in Limbo*, Roberto G. Gonzales introduces us to two groups: the college-goers, like Ricardo, who had good grades and a strong network of community support that propelled him to college and DREAM Act organizing but still landed in a factory job a few short years after graduation, and the early-exiters, like Gabriel, who failed to make meaningful connections in high

school and started navigating dead-end jobs, immigration checkpoints, and a world narrowly circumscribed by legal limitations. This vivid ethnography explores why highly educated undocumented youth share similar work and life outcomes with their less-educated peers, despite the fact that higher education is touted as the path to integration and success in America. Mining the results of an extraordinary 12-year study that followed 150 undocumented young adults in Los Angeles, *Lives in Limbo* exposes the failures of a system that integrates children into K-12 schools but ultimately denies them the rewards of their labor.

**Your Student
Government!**

2021-2022
Antelope Valley
College
Associated Student
Organization

Student Life and Services

(661) 722-6300 ext. 6354

Updated 1/27/2022

Who are we?

The Associated Student Organization of Antelope Valley College is the **student government**. We are a group of committed students who together shape this campus into a better place for all students. As student representatives we participate in participatory governance, providing input and lobbying for student interests. We also host events that celebrate our students. Using the \$2 Student Representation Fee and revenue from the ASO discount sticker, we hold:

- Student Issue Town Halls
- Leadership Workshops

We sponsor:

- Student Appreciation Events
- Welcome Week Celebrations

We support:

- On campus clubs
- Students in need (via the Hearts & Hands Pantry and Dress for Success)

Why join ASO?

There are many benefits such as:

- Advocating for positive change in your college and community
- Change the lives of thousands of your peers
- Enhance your resume
- Gain confidence and a strong sense of giving
- Leadership
- Meeting key people
- Networking with students, faculty and administration
- Attend conferences

What do I do if I need help from ASO?

- Email the appropriate member listed in this brochure
- Come to T700E1 and ask to meet with a student government representative

Come to a Meeting

You can find our meeting agendas with meeting times posted in the hallway of the Student Services Building, the Student Center Building, outside the main entrance to Admissions and Records and in Board Docs on the AVC website under ASO.

How do I get involved?

There are many ways you can join! Here are few ways:

- Come to weekly meetings and ASO hosted events
- Bring your ideas and issues to us
- Join campus clubs
- Buy an ASO sticker to receive a community discount card for discounts at community businesses, 40 free black and white, single sided prints at the wepa machines on campus Fall Spring, and Summer semesters and help fund ASO

Hearts & Hands

Pantry

Antelope Valley College

What Is The ASO Hearts & Hands Pantry All About?

"Giving is the only gift we should all endeavor to give the world each day." -Auliq-Ice

About Us/Our Mission:

The ASO Hearts & Hands Pantry was created to encourage campus pride and unity in a dignified manner and is designed to assist current AVC students who are making forward progress in their academic pursuits and are homeless and/or hungry in circumstances where supplemental nutritional food and snacks will benefit their academic success.

How We Operate:

The ASO Hearts & Hands Pantry is supplied by the generous donations from students, staff, and members of the local community.

AVC has also received a grant from the Chancellors Office to help support our campus pantry.

Program Requirements:

- Be in good academic standing with a 2.0 GPA or higher
- Currently enrolled in 6 or more units for Fall and Spring
- Or enrolled in 3 or more units for Summer
- Have a 50% completion rate with forward academic progress
- Have a current Education Plan and be on track for graduation
- FAFSA or Dream Act application completed at the AVC Financial Aid office

***Applications will be considered for review for students who do not meet these standards.*

How to Apply:

- The Spring 2022 application is found at <https://forms.gle/sLNcdgEK4RSA1pxr8>
- Students will be notified of approval through their AVC email.
- You will be notified through your AVC email of the status.

"One of the most important things you can do on this earth is to let people know they are not alone." -Shannon L. Alder

We welcome donations!

Our students need...

- Canned goods, including Soup, Fruit, Vegetables, Chili, Ravioli and Canned Meats
- Bagged Rice, Beans, and Cereal
- Individual packages of Trail Mix, Crackers, and Cookies
- String cheese and yogurt
- Hamburger Helper and Macaroni and Cheese
- Prepared Pastas, Rices, and Potatoes
- Spaghetti Noodles and Sauce
- Jars of Peanut Butter and Jelly
- Frozen Burritos, Pot Pies, Hot Pockets, Uncrustables, and Breakfast Burritos
- Oatmeal and individual Cereal boxes
- Other nutritional foods and snacks
- Personal hygiene products
- School Supplies
- Monetary donations

AVC Marauder Athletics

WE MAKE IT PERSONAL!

Why become an AVC Athlete?

One of our proudest traditions is our student athletes' academic successes.

Marauder Athletics has four established goals:

- To make a contribution to the personal development of student athletes.
- Help student athletes succeed academically.
- Generate community interest.
- Be successful on the field or on the court.

With these ideals in mind, Marauder Athletics has put together a model advisement program. Marauder Athletics has more Pepsi-Scholar Award winners than any other school. More importantly, nearly 74% of Marauder student athletes have continued on to four-year institutions.

We offer a wide variety of Sports

We offer 16 different Sports for both Men and Women.
