The Associated Student Organization of Antelope Valley College is our campus student government. We are a group of committed students who have come together to shape our campus into a better place for our students, faculty and staff. As representatives to our students, we participate in shared governance committee meetings providing student input and lobbying for the student interest.

We also run the ASO Hearts & Hands Pantry which was created to encourage campus pride and unity in a dignified manner. The pantry project has been designed to assist current AVC students who are making progress in their academic pursuits yet are homeless and/or hungry and in circumstances where supplemental nutritional snacks will benefit their academic success.

To join ASO, contact Student Life (SSV 180) at 661-722-6300, ext. 6354 for more
