## **IV. REPORTS**

Advisor's Report- Dr. Zimmerman said that through the leadership workshops, only 4 students enrolled, so as a result she would like to see more people enroll. On April 3<sup>rd</sup> the Planning Using Your Time for the Summer and Fall workshop will be going on, and the planning of the Summer and Fall calendar will take

place. The second issue is that Shared Governance Committee's have been meeting and ASO has not been attending, also the Board of Trustee's meeting last month there was no ASO officer there, even though it's not a Shared Governance meeting it is a Board meeting. The next Board of Trustee's will be held on Monday March 6<sup>th</sup> at 6:30pm. Dr. Zimmerman stated that ASO was not represented at the last meeting and would not like to see that happen again, she urge's ASO to try and coordinate who can give an ASO report.

The college through Student Services and Academic Affairs is doing reorganization and wants to know if any ASO officers would like to be involved and, if so, would like to talk about where we think Student Services should look like or what we think fits best for success for students and for ease for students at the next ASO meeting.

Black History Month finally is the 28<sup>th</sup> of Feb.

ASO should think about preparing next year' budget during the month of March so that it can be presented to the April board of Trustee's meeting.

The board policy passed last month, it should be on MyAVC, if a hard copy is made it will be in the vault.
