III. DISCUSSION ITEMS

3.1 ASO Goals

Town Hall- William Pfaff:

Committee discussed possible ideas to have for the Town Hall such as the Smoking Policy and having a survey to see how the students of AVC feel about the proposed policy change. Also discussed the possibly having more than just one Town Hall throughout the semester.

Advocacy - Kevin Robles:

Committee did not meet but still stands the same as the last meeting that they held previously with the same intentions to have an online survey as well as a paper survey so that they can pass them out to faculty so that their students can take during class. Also discussed that the Advocacy meeting will go hand in hand with the Town Hall committee and the Student Success committee.

Student Success- Alex Moon:

Committee discussed that they wanted to establish a student supporting group as a type of counseling and more closed focused to students who want to be able to transfer, graduate and get a certificate of completion. Committee is working on details. Alex Moon met with the Dean of Counseling and the Student Success Secretary and discussed what the committee was trying to do and both are willing to help out with the program.

3.2 Region VI Meetings:

Megan Turrill talked to Francisco Ferreira from Oxnard College; he stated that there is a position on the senate for the Region VI Meeting. Megan then asked when the meeting was and they said it was going to be the fourth week of this month. Megan then asked why they have chosen the fourth week and if that meant they were moving the meeting to the fourth week. He said they weren't sure and they were going to discuss that in the next meeting. The next meeting will be September 26, 2014. ASO still has the option to attend that meeting. ASO previously voted to budget money for going to Region VI Meeting but if they are not going to be organized and ASO is unaware of what is happening it may not have been the best idea for ASO to attend. The Region VI Meeting conflicts with the Campus Wide Planning, but there are two options that ASO has and one being to either represent at

the Region VI Meeting or politely back out. A sign-up sheet was passed around for ASO officers to attend the Region VI Meeting.
