## II. PUBLIC FORUM

Manny Fierro- Me N Eds & Mike- Me N Eds

Thanks to Bernadine, pizza was provided for the participants at today's school function; Halloween Haunted House. Their business offers pizza and various Italian orientated food. It is located in Palmdale at 39202 Tenth St. West #C, Palmdale, 93551. The phone number is (661) 266-8570. There is talk in placing this business on the Community Discount Program. Fundraiser opportunities are available. Menus with phone number and contact information is available or contact Bernadine. They have done some successful high school fundraisers by selling pizza to schools at a discount, then school sets price as desired. Options mentioned: Concession stands can be set up during school event. The pizzas can be purchased for \$8 for a large pizza. Each large pizza has 8 slices. In turn the slices can be sold for \$2 a piece doubling the value of the pizza. They are willing to work with clubs. People can call ahead to order if it is more than 10 pizzas and they will provide for breaks, classes, meetings. They will deliver all over Palmdale, Lancaster, and Quartz Hill. Another option for fundraising is to call ahead set up dates and produce about 200 flyers stating an example: 5-9pm Monday thru Thursday on the respective dates whichever purchases are made 20% will go to the club. They have done multiple fundraiser of this kind for high school making up to \$500 in one for Highland High School.

Manny Fierro: We have the best pizza in town and we will deliver to Lancaster, Palmdale, and Quartz Hill. Thank you for your time and I did bring many business cards with me.

Bernadine: Would like Me N Eds to become part of the Community Discount Card.

Manny: Best time to contact me is during my days off which are Tuesday and Wednesday between 10-4pm.

Bernadine: How much advance notice do you need for the \$8 pizzas?

Manny: 24 hours before.

Other ideas mentioned were snack shack consignment and the fact that this would be a good business opportunity for the college.

(Applause)
