II. PUBLIC FORUM

Melissa- Sub Machine

Thanks to clubs in attendance. Their business offers subs, salads, and other great items. It is located in Palmdale on 10 St. West, Palmdale, 93551 across from the Super Wal-Mart. There is talk in placing this location of Sub-Machine on the Community Discount Program. Fundraiser opportunities are available. Menus with phone number and contact information are available. They have done some successful fundraisers through the Lancaster location and are going to model those fundraiser options at the Palmdale place. Options mentioned: The idea of picking a week that is suitable, then the club will be responsible for their advertisement to let people know when the week will be. The participants will go to Sub-Machine and purchase food, Sub-Machine will save the receipts then a certain pre-established percentage of the sales will go to the club. They are willing to work with clubs. If there are any questions you can contact the manager Janice. ASL @ AVC: Would like to know if there is a catering service?

Melissa: Sub-Machine does provide catering service with plenty of affordable and exciting options.

(Applause)

Larry – Robeks

Robeks is a place where one can purchase healthy smoothies and shakes. It is located off of Ave. J and 20th Street west. There are fundraiser opportunities. One of the new fundraisers includes the clubs receiving \$20 gift cards. The club in turn will receive \$4 dollars for every gift card sold. The money does not need to be upfront and the club is either responsible for the card or the money. The club can return unsold cards with no charge or penalty.

Larry: How many members are in a club?

Dr. Z: Anywhere between 10 to 80 members.

Native American Club: How do we get more information?

Larry: Here are my cards with my number.

Johnatan Olguin- Native American Club

For all clubs that are putting on activities, that want to use the D.J. system, please inform Johnatan ahead of time. There needs to be some sort of informal training on how to operate the equipment properly. The needs to be one club member who will be in charge of sound system and that will make sure that it is returned and stored correctly.

III. REPORTS

Advisor: Dr. Z – Thank you for all coming today. I would like to start my announcements by informing you all the Bernadine Sewell has resigned from her position as Vice President of Club Affairs and her employment position in Student Development. The Vice President position is now open and a replacement will happen soon. I would like to mention that I really appreciate John Cabral stepping up and running the meeting today on such short notice. On another note I am quite aware that with the year winding down it seems as though events begin to pile up, holiday parties etc, to lighten the stress jot a note about possible activities and give them to me ahead of time to avoid conflicts in event dates for the spring semester. In addition we should be thinking about how to make club affairs a more functioning unit. Also we will be awarding Who's Who at the breakfast event at the end of spring semester. Just a reminder about club photos: Please send them to Johnatan so that he can begin to create

the power point of clubs activities. Also if the club could provide 4-5 accomplishments that the club has made in the last semester that would also give incoming students a better idea of what the club does.

Chair: John Cabral- Just a small request, if club members could please be brief. I have quite a bit of homework and this meeting was placed in my schedule last minute. I am the President of ASO. Thank you for your time now let's get on with the meeting.

Club Reports-

- Significant Ambitions: Today at Vince's Pasta and Pizza Significant Ambitions is hosting a fund raiser. Go eat there after the meeting! Thank you.
- ASL @ AVC: Had a very successful silent game night on Nov. 21st which started at 5:30p.m. and ended at 8p.m.
- Model United Nations: On Nov. 22nd to the 25th MUN will be going to another conference in Las Vegas.
- Native American Club: Had a successful event with an addition of 30-40 members. Hopefully every enjoyed the event and took something from it.

Club Advisor's Report: Psychology Club: Last Thursday on Nov. 13th the Psychology had a successful movie night.

Dr. Z: I have a popcorn popper if you need it for future events

Psychology Advisor: The club purchased an affordable one at Wal-Mart. Thank you.
