## II. PUBLIC FORUM

Time Randolph- ASO VCAA – She came to tell you all that she is planning events on for the calendar for ASO and we would like your input to set these events up. We are all a unit you are an extension of ASO so we do want you guys to participate in the events that we do. We need to create a full Spring Calendar. Any questions email Time Randolph at [asovpss@avc.edu](mailto:asovpss@avc.edu).

## III. REPORTS

Advisor: Dr. Z – Thank you all for coming today. Welcome back for 2009. I just got something off the computer right before I came I think you might have heard that there is statewide student senate. One student will be able to apply for the Board Of Governors open position. The Deadline is January 31<sup>st</sup>, 2009. Please send an email to [jzimmeran@avc.edu](mailto:jzimmeran@avc.edu) if you are interested. Also please log onto ICC group. Locally we are bringing back a Whos Who for community leaders. Be looking for that in your mail. Talk to your advisor because we got an extension to be included in the book. That will be done in our leadership event at the end of year.

Chair: Johnatan Olguin- Vice President of Club Affairs. He is located in SSV 181. I look forward to working with you. I hope we have participation and creation of events. Make us proud. From now on it will be very useful for each club to use Events Checklist when planning an event. Fill out this form to help organize events to make sure things are organized. We have IMC request for using TV's, the sound system etc, there is also a form for the location you will use during an event. It is IMPORTANT that you have these things filled out. There are deadlines. IMC and Facilities Request forms have to be turned in 4 weeks prior to an event. Off and on campus events are included in this checklist.

Club Reports:

- Alpha Iota: Holiday party was great.
- Model United Nations: MUN has a conference in Berkley in March.
