**II. REPORTS**

Advisor's Report: Dr. Zimmerman reiterated the importance of the Accreditation Commission's visit and encouraged everyone to be highly aware of their presence on campus and be prepared to answer questions they may have for students. They will be on campus Monday through Thursday beginning 10/18 for a Big Audit. She also encouraged ICC reps to urge their members to read the 400 page Self Study that may be found in the Library and online at myAVC. Club Activation Packet members must be current, reflecting current officers and members—if you change them, let us know. Group Administrators should go into their groups and update active/inactive member lists to remain current. Also, make sure all your club members join your groups in myAVC.

Homecoming Week is from 10/11-10/16, which includes—the Homecoming Game, and encourages attendance, as Marauders won their last game and it would be give our team Homecoming support. On Thursday of Homecoming Week will also be the Health Fair which will be held in part in the Student Lounge, so another location will need to be used for this meeting.

Chair's Report: Karole Obrikat: I wish to congratulate Brian Taylor, President of Club Checkmate, whom I have appointed ICC Rep to the Student Court. The next ICC meeting will not be held in the Student Lounge; however, I am making arrangements to use Library room 201. I will notify everyone by email when I have the ok to use this room; the time will remain the same: 4:30 p.m. Lastly, some club activation packets are still missing 900#'s, see me to find out which clubs need to update.
