II. REPORTS

**CLUB REPORTS**

**MUN:** Next conference: 11/15/2010 at UCSB. MUN won 7 awards at their last conference.

**PSO:** Dr. Phil Show on 9/20 was a success; they raised around \$400—they had a great time.

**Skills Club:** Raised \$140 selling candy Homecoming Week. PSO and AVC Gamers helped them.

**AVC Gamers:** Last week Game Night was a success; the next date is 10/22 from 12-9pm in the Student Lounge. They also asked if SOAR can participate in AVC Gamers night; Dr. Zimmerman replied that they could participate as long as they are not gambling, as they are AVC students.

**Alpha Iota:** AGS Fall Convention is on 10/30 at Citrus College. On 10/23 they will hold a car wash at Louis Burger; AI is selling pre-sale tickets for \$5. They sold caramel apples during homecoming week, but were unsure of the total sales. They are selling candy on 10/20, 21; then, from 10/25-10/28 they will be selling candy out of a Halloween style ice cream van in the fire lane.

**ASL@AVC:** Silent Game Night on 10/15 from 5:30 to 7:00; from 7:30 to 9:30, author of Deaf President Now, and presenter, Dr. Angel Ramos will visit from Washington DC.

**AVC Campus Christian Club:** Sold popcorn/beads during Homecoming. Yesterday they had Campus Clean-Up and wish to do this on a regular basis. Check Mate President Brian Taylor assisted.

**SNAC FALL 2010:** Assisted at the Health Fair by taking vitals and blood sugar to students.

### **Advisor's Report:**

**Dr. Zimmerman:** Your myAVC administrator/group leader must be in the group to activate administration; in addition, they must adhere to all of the rules and regulations related to being a group leader, including never to give the password to another person or the leadership role to someone else—if they need to excuse themselves from their responsibility, another leader must be installed. ONLY group leaders and administrators are allowed access to the group tools.

Here are your club financial reports—check them to make sure they are accurate—if you aren't sure, shame on you. The auditors are coming this month and these figures will be used.

Unchartered clubs will lose their account money and it will revert to ASO's account unless the club is re-chartered today.

Monday thru Thursday, the Accreditation team will be on campus. Be excited for our re-accreditation because what this means is that your degree is highly valued.

SOAR students are encouraged to join your clubs; encourage this as they are college students.

Tomorrow, Lancaster is working with a Chinese Delegation of 15 to come and look at SOAR.

Manny suggests that emails, flyers, school bulletins, and advertisements to advertise club meetings will foster SOAR club membership.

### **Chair Report:**

**Karole Obrikat** announces that ICC has 11 activated clubs and looks forward to increased club growth and participation over the course of the 2010-11 year. Thanks the clubs for their Homecoming participation and encourages follow-up with SOAR memberships.
