II. PUBLIC FORUM

David Dourst, president of Skills Club expressed his disappointment at the low attendance at the last meeting where Dr. Lucero presided as advisor; in addition, Dourst recommended that clubs who do not attend, should not be able to have their events approved. While his sentiments are appreciated, infractions will not be penalized. ASO President Enrique Camacho stated that rules for ICC are stated within the ASO Constitution, and advised where to find it online. Courtney Glantz from SNAC Spring 2012 asked about administrator privileges; in turn, Dr. Zimmerman explained the process. Bryan Richards from AVC Gamers announced that Professor Gary Luppman, from the AJ Dept. presently passed away.

III. REPORTS

Advisor's Report

Dr. Zimmerman thanked everyone for a warm welcome back from after her vacation. Dr. Zimmerman introduced Rachel Patton, SDO's new accountant, who started working this week. Dr. Z said that Tina indicated that there were some clubs who wanted to have their accounts reviewed and reconciled, if you want this please let Rachel know. If clubs have any questions, do not hesitate to come to Rachel—feel free to introduce yourselves.

Dr. Lucero loved coming to the ICC meeting two weeks ago—he said it was the highlight of his day. She wishes to congratulate SNAC Fall 2010, and asks that they return in June to walk with the graduates. She also wants all the clubs to think about having tables during Welcome Week at Intersession on 1/7, 1/8, and 1/11, in addition to spring activities for fundraising, and communicate with ASO and SAC to coordinate events. Dr. Z also reiterated the rules to club administrators of their respective web pages: that only the appointed administrator, and no one else is allowed access, and if that changes, she must know; the permission to use the web page is exclusive; because she very seldom goes into that page, she will do so tomorrow, and create the new groups for the new clubs—come and see her tomorrow for directions. Lastly, she wishes everyone good luck on their finals, and that she will be in the office until December 22, and wishes everyone a Merry Christmas, Happy Holidays and happy Chanukah to all.

Chair's Report: Karole Obrikat thanks everyone for showing up at today's meeting, and reiterates the importance of club representation on a consistent basis so that quorum is made at every meeting. In addition, Karole asks that everyone please refrain from cross-talk and side conversations in the meetings because we have 20 clubs and a lot of work to get done in one hour's time.
