### **II. PUBLIC FORUM**

Aaron from STEM Club asked about a fundraising project that includes the building of a café racer car. The café racer car would then be auctioned off or raffled. Proceeds will go the STEM Club. STEM Club would like information how to start the process of holding the build at AVC's facilities. Dr. Zimmerman recommended to connect with the automobile shop and see if they are allowed to hold a space to build the car. Skills USA advised they could connect outside of ICC to see if they can work something out and connect with Prof. Wheeler that is in charge of welding.

Skills USA advised that they will be hosting a speaker from Lockheed to discuss current jobs available. There are additional jobs and trades offered by Lockheed. A facilities request would have to be submitted and need to know how much many students would be interested in attending. The event will held sometime in March 2015.

### **III. DISCUSSION ITEMS**

Anthropology Club took the event back to their club and would like to reserve March 10 to discuss the Palm Oil event. ASL@AVC has not selected a date to present Audism. No other clubs had a date they wanted to discuss.

#### **3.2 Regular Meeting Date and Time**

The doodle poll was unsuccessful having a scheduled meeting the 2<sup>nd</sup> and 4<sup>th</sup> Wednesday from at 9:00am. Nine out of 28 clubs were able to make the meeting times. Dr. Zimmerman suggested to find out who the permanent ICC representatives are and if 9:00am would work. The ICC reps at the current meeting were not able to make the doodle poll suggested times. It was suggested by Dr. Zimmerman to hold regular ICC meetings at a certain time and scheduled days that will proceed after this semester ends. After further discussion, it was discussed to have meetings on Mondays at 4:00pm.

### **IV. ACTION ITEMS**

#### **4.1 Club Rush**

- Stamp Card**-Raul advised that Noemi would be making a stamp card per last ICC meeting. Dr. Zimmerman advised the previous stamp can be used. Noemi advised she would take the task of creating a new stamp card.
- Approval of Food Sales and Electricity Usage**-Dr. Zimmerman attended a meeting regarding the selling of food on campus. All clubs are aware they are not businesses. Dr. Zimmerman advised when clubs get into selling food, there needs to be pre-approval prior to selling food if it's being done more than once a month. Dr. Zimmerman advised that each group would pick a date to sell the food, and every club gets the chance to sell the food at least once a month as well. Dr. Zimmerman suggested other methods of raising funds such as selling popcorn or chocolates. Dr. Zimmerman stated she spoke with the district to allow the clubs to make money. The district is concerned that there are health code violations and setting up businesses. A club has three weeks to submit a request for events. Clubs were scheduling the same days within a month that prevented other clubs from selling on those days. Discussion was made on how to get more creative with raising funds. STEM advised that other methods of raising funds are by selling discount cards.
- Theme/Vendor**-The theme for club is a carnival theme. The idea for each club is to create a way to engage with the students that represented a carnival game. A facepainter was hired, pending approval of her contract, would be available on both club rush days. The flyers were suggested to be placed prior to Monday. The flyers were posted on social media sites and was placed on Spotlight. The flyer would be sent by email as to further be distributed.
- Electricity**-The event starts at 11:30am and set up would have to be done at 11am. Skills USA confirmed they needed electricity for the hotdog stand. The sound system would be available and music will be playing during the event and clubs would have the opportunity to talk into a microphone. Discussion was made to confirm the monitoring of music by ASO.
- ASL@AVC requested to add chocolates to the list of items that would given away at club rush. Dr. Zimmerman advised that cash boxes are limited and the request must be submitted as soon as possible to Nancy.
