III. DISCUSSION ITEMS

3.1 Mini Club Rush

There will be a 3x3 card handed out. The objective is to find an officer, location and time of club meetings and if the club has a facebook page, club that plays sports volunteer work, etc and get signatures from the participating clubs. The second item that was discussed at the meeting was the menu; two of the three gallon vanilla ice creams and one three gallon of rainbow sherbert. Four different kinds of soda, orange, pineapple, rootbeer, cherry coca cola. Sodas will come in five thirty packs serving a total of hundred and sixty which should be adequate enough to distribute to the students. It will be split into two halves and the total cost is \$147 as a reminder there was an up to budget passed of \$150. Noemi Bustamante went ahead and purchased the ice cream and sodas and expects to be reimbursed. Clubs are encouraged to use a special decorated table cloth that makes their club standout. There will be name tags for all of the clubs and it was decided it would be stickers that you write your name; and members are also encouraged to create their own name tag for this fun event. The Chair would purchase them from either the 99 Cent Store or the Dollar Tree but Nancy Blundell suggested Student Life may have name tags. Reminder Mini Club Rush is this Thursday from 11:00-1:00pm. Neo Club wanted to know if they could have the cans have food cans to donate but they would have to fill out an event forum. It was clarified this event is about playing human bingo members participating will be in front of the tables mingling with the students to advertising their clubs and hopefully recruit new members. ASL@AVC wanted to clarify that clubs are not allowed to sell at this event, unless approved by ICC. Dr. Zimmerman made a suggestion that there be a ICC table with the all the important info of the club council.

3.2 Summer Leadership—August 11, 2015 from 9:00am-4:00pm.

ASO agreed to have a joint workshop with ICC. Noemi Bustamante is the Chair of putting together the Leadership workshop for ICC. Also this is a great opportunity for active club members to meet the new officers of ASO and find what they are doing for the students on campus. Plus, what we can do for them. This workshop will go over Roberts Rules of Order, running effective meetings, filling out grant forms, etc. Dr. Zimmermann mentioned an Advisor track where if advisors do attend the Leadership Workshop she may include a diversity workshop and advisor gets paid. Reminder July 31st is the cut off to sign up for this Leadership event.

There will be an ICC Meeting on June 15, 2015 at 3:00pm in the Student Lounge to discuss club events and get them approved. Furthermore, plan Club Rush out thoroughly. Summer meetings to be TBA at the June 15, 2015 meeting.

Note Si Se Puede wanted to know if they have to have an advisor attend every meeting. All clubs are required to have an advisor present at every meeting and event. Si Se Puede is searching for a new advisor and a location to hold meetings. STEM Club advised that they get in touch with Professor Hernandez who teaches in the Health and Science building.

Every club is required to reactivate in the Fall. Also include the list of new officers, and updates or changes to your constitutions which are to be turned in with your club reactivation packet. There will be a set time for the ICC meetings in the fall. There will be a special meeting on August 31st. Then it resumes of September 21st. There are a total of six meetings for semester. Which will convene on the 1st and 3rd of every month.
