V. REPORTS

5.1 Advisor Reports

Great semester and is pleased with club activities. All advisors should have received email from Scott Tuss regarding club membership in myAVC groups. Dr. Zimmerman advised to clean up membership to allow for smooth transition to new system. With the new webpage, email Dr. Zimmerman for any broken links on the website. Beware of getting sick during midterms and finals; get lots of sleep, eat well, wear layers, and get the flu shot if you want.

Chair Reports

Impressed with amount of clubs that are active and pleased with all activities they have held. Would like to see more clubs have events on campus instead of off campus. End of the Semester Celebration will occur last Friday of the semester, December 11, 2015. Come to help and enjoy the food and company of the ASO, other clubs, and Hearts and Hands participants.

CNSA Club Report 11/02/2015

CNSA has been diligently working towards obtaining more active members by posting flyers around campus, utilizing Facebook and electronic mail as a way to communicate club meetings. As a result, we are expecting at least ten new members to attend the meeting tonight November 2, 2015. We will be holding an election for committee chairs this evening as well. At our last club meeting, October 5, 2015 we modified our constitution to have consequences to members who do not meet the exceptions of their titles and to encourage CNSA members to play a more active role in the club activities and decision making.

SNAC Fall 2015

We are currently voting on graduation decorations and on shoes for our uniforms. We will soon be turning in check requests. We have no activities or meetings scheduled at this time.
