Reminder the Leadership Luncheon is on May 13<sup>th</sup> from 12:30pm-3:30pm. Hopefully all of you have turned all the information so that we can get the certificates made. We will let you to come in and get the signatures and you can drop them back off in SSV 180 and they will be ready at the Leadership Luncheon.

**3.2 Club Reports**

Young Republicans –Ten professors and ten clubs will be participating in the Basketball Tournament. All clubs participating there is a short meeting this Friday at 11am in LH 100. At least one officer should attend. We can sell cold pre-packaged food, popcorn and water. Need a list of names who will be playing and two would be nice. If clubs want their own logo on the flyers it has to be submitted by the end of today.

SNAC Fall 2016- With Popcornopolis we made over \$1000

NEO- Earth Day pop-up tent event was successful. A lot of people were interested in to properly recycle used oil. Gave out free oil buckets for their personal use. The trash pickup was a success as well. Thanked Alpha Iota for helping out.

AVC STEM Club- Purchased a flight simulator and can do multiple simulations. The research with the Aquaponics unit is going on. The Women in STEM conference has postponed to sometime in May. If anyone is interested with helping out with Science Olympiad later this year we could use the help.

ASL@AVC- Took part in relay for life and raised over thousand dollars. Has five new officers for the 2016-2017 year.

Alpha Iota- NEO's event was very informative and it was great to give back to the environment.
